

CURRICULUM VITAE

MISSION

To provide exceptional refractive surgical eye care while continuing to strive to better the science through innovations in materials and methods.

PROFESSIONAL PRACTICE

- Private Practice, Ophthalmology, specializing in Cataract and Refractive Surgery (1996-Present)
- Clinical Assistant Professor of Ophthalmology, UCLA School of Medicine, Jules Stein Eye Institute (1997-Present)
- Team Ophthalmologist, LA Avengers
- Chief Ophthalmologist, Women's World Cup
- Co-director, Friends of Vision Foundation (2000-01)

PROFESSIONAL COMMITTEES

- Honorary Chairman of NRCC Physicians Advisory Board (2004-05)
- Reviewer: Ophthalmology, Journal of Refractive Surgery, Journal of Cataract and Refractive Surgery, Survey of Ophthalmology, American Journal of Ophthalmology
- Medical Advisory Board: Refractec, Inc. (1998-2006)
- Documents Committee: International Society of Refractive Surgery (1998-1999)
- Medical Records Committee: West Hills Hospital (2001-present)
- Quality Assurance Committee: West Hills Surgery Center (2002-present)
- Medical Executive Committee: Motion Picture Hospital and Television Fund (2004-06)
- Refractive Surgery Section Editor: Techniques in Ophthalmology (2004-present)

FDA CLINICAL TRIALS

- Principal Investigator: Synchrony Dual-Optic Accommodating IOL
- Principal Investigator: Implantable Contact Lens for Hyperopia. Staar Surgical, Monrovia, CA
- Clinical Investigator: LASIK for Consecutive Hyperopia and Hyperopic Astigmatism. CRS Clinical Researcher, Inc. Scottsdale, AZ
- Principal Investigator: Conductive Keratoplasty for the Correction of Hyperopia. Refractec. Laguna Hills, CA
- Clinical Investigator: Artisan Phakic Intraocular Lens Implantation for the Correction of Extreme Myopia and Hyperopia. Ophtec USA, Boca Raton, FL

OTHER CLINICAL TRIALS

- Principal Investigator: Safety, Efficacy, and Stability of LASIK Correction in Pediatric Patients. West Hills Hospital and Medical Center IRB, West Hills, CA.

POST-GRADUATE TRAINING

8/96-4/97 INSTITUTO ZALDIVAR
Fellowship in Refractive Surgery
7/93-6/96 OHIO STATE UNIVERSITY, HAVENER EYE CENTER
Residency in Ophthalmology
7/92-6/93 HARBOR-UCLA MEDICAL CENTER
Internship (Transitional)

EDUCATION

8/88-6/92 UNIV. OF CALIFORNIA, SAN DIEGO SCHOOL OF
MEDICINE
Doctor of Medicine
NIH Research Fellowship, 1989
8/83-12/87 UNIV. OF CALIFORNIA, BERKELEY
BA, Economics -- Departmental Honors; Magna cum Laude
Academic All-American --Varsity Crew; Crew Scholarship Trophy
1/87-6/87 INSTITUTO INTERNACIONAL/ MADRID, SPAIN
Art History, Spanish Language/Literature

MEDICAL LICENSURE

California (#G 077298)

MEMBERSHIP IN PROFESSIONAL SOCIETIES

American Medical Association
California Medical Association
American Academy of Ophthalmology
American Society of Cataract & Refractive Surgery
International Society of Refractive Surgery
California Association of Ophthalmology
International Society of Refractive Surgery Research Study Club
International Volunteer Registry
LA Society of Ophthalmology
Research to Prevent Blindness
Surgical Eye Expeditions, Affiliate Member
UCLA Department of Ophthalmology Association
Bay Surgical Society
Council for Refractive Surgery Quality Assurance

BOARD CERTIFICATION

Diplomate of the American Board of Ophthalmology (6/7/98)
American Board of Ophthalmology's Maintenance of Certification
(renewal completed 10/2007; effective through 12/31/18)

CONSULTING HISTORY

Consultant/Speaker, Becton-Dickinson Ophthalmics
Consultant/Speaker, Refractec, Inc.
Director of Surgeon Training, Refractec, Inc.
Speaker, Alcon
Speaker, Allergan
Speaker, Bausch & Lomb

INTERNATIONAL MEDICAL MISSIONS

PRESENTATIONS AT CONFERENCES AND COURSES

“Limbal Relaxing Incisions.” Co-Instructor of Skills Transfer Course at the American Academy of Ophthalmology Annual Meeting. New Orleans, LA, November 2007.

“Laser-Ace for the Aging Eye.” Presented at the Instructional Course, *New and Emerging Technologies in Cataract and Refractive Surgery*. American Academy of Ophthalmology Annual Meeting. New Orleans, LA, November 2007.

“Synchrony Dual Optic Accomodating IOL.” Presented at the Instructional Course, *New and Emerging Technologies in Cataract and Refractive Surgery*. American Academy of Ophthalmology Annual Meeting. New Orleans, LA, November 2007.

“New and Emerging Technologies in Cataract and Refractive Surgery.” Senior Instructor. American Academy of Ophthalmology Annual Meeting. New Orleans, LA, November 2007.

“Street Signs, Cell Phones, Stock Quotes: What will I see after Cataract Surgery?” Presented to the Medical Staff of West Hills Hospital and Medical Center. West Hills, CA, October 2007.

“Laser in Situ Keratomileusis with Zyoptix.” Scientific Poster presented at the American Society of Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery. San Diego, CA, April 2007.

“Limbal Relaxing Incisions.” Co-Instructor of Skills Transfer Course at the American Society of Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery. San Diego, CA, April 2007.

“Laser-Ace for the Aging Eye.” Presented at the Instructional Course, *New and Emerging Technologies in Cataract and Refractive Surgery*. American Society of Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery. San Diego, CA, April 2007.

“Synchrony Dual Optic Accomodating IOL.” Presented at the Instructional Course, *New and Emerging Technologies in Cataract and Refractive Surgery*. American Society of Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery. San Diego, CA, April 2007.

“New and Emerging Technologies in Cataract and Refractive Surgery.” Senior Instructor. American Society of Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery. San Diego, CA, April 2007.

“Presbyopia IOLs in Clinical Practice: Choosing Between Accommodating and Multifocal IOLs.” Paper presented at the American Society of Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery. San Diego, CA, April 2007.

“Intraocular Surgery: IOL and Capsule Challenges.” Session Panelist at the American Society of Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery. San Diego, CA, April 2007.

“Haze Prophylaxis: How Aggressive Should We Be?” Paper presented at the American Society of Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery. San Diego, CA, April 2007.

“Surgical Treatment of Presbyopia: How does Laser-Ace Compare?” Presented at the ACE Vision Group meeting. San Diego, CA, April 2007.

“DSEK: Surgical Technique.” Presented at the Max Fine Cornea Society Annual Meeting. Los Angeles, CA; March 2007.

“Near Vision Efficacy: Accommodating vs. Conventional IOLs.” Scientific Poster. American Academy of Ophthalmology Annual Meeting. Las Vegas, NV; November 2006.

“Astigmatism in the Cataract Patient” Skills Transfer Course Instructor. American Academy of Ophthalmology Annual Meeting. Las Vegas, NV; November 2006.

“New and Emerging Technologies in Cataract and Refractive Surgery.” Senior Instructor. American Academy of Ophthalmology Annual Meeting. Las Vegas, NV; November 2006.

“Diabetic Eye Disease.” West Hills Hospital and Medical Center. West Hills, CA, April 2006.

“Safety Goggles: Are They Really that Safe?” Film Festival presentation at the American Society of Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery. San Francisco, CA, March 2006.

“Comparative Pilot Study of the Effects of Laser Surveying, Measuring, and Mapping on Functional Visual Outcomes of Pseudophakic Presbyopia.” Paper presented at the American Society of Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery. San Francisco, CA, March 2006.

“Intraocular Refractive Phakic IOLs” Session panelist at the American Society of Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery. San Francisco, CA, March 2006.

“Near-Vision Efficacy: Accommodating versus Conventional IOLs.” Paper presented at the American Society of Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery. San Francisco, CA, March 2006.

New and Emerging Technologies in Cataract and Refractive Surgery. Senior Course Instructor at the American Society of Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery. San Francisco, CA, March 2006.

“Laser-Ace for the Aging Eye.” Presented at the course, *New and Emerging Technologies in Cataract and Refractive Surgery.* American Society of Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery. San Francisco, CA, March 2006.

Astigmatism in the Cataract Patient. Instructor for Skills Transfer Course at the American Academy of Ophthalmology Annual Meeting. Chicago, IL, October 2005.

New and Emerging Technologies in Cataract and Refractive Surgery. Senior Course Instructor at the American Academy of Ophthalmology Annual Meeting. Chicago, IL, October 2005.

“Light Touch CK: Is Less More?” Presentation at *New and Emerging Technologies in Cataract and Refractive Surgery* course at the American Academy of Ophthalmology Annual Meeting. Chicago, IL, October 2005.

“Conductive keratoplasty for the correction of presbyopia.” Course Instructor at the American Academy of Ophthalmology Annual Meeting. Chicago, IL, October 2005.

“Why can’t I have that Laser Procedure: Treatment Options for those Poor Hyperopes and other Extreme Refractive Errors.” Presentation at the American Society of Ophthalmic Administrators Symposium on Cataract, IOL and Refractive Surgery – Technician Program. Washington D.C., April 2005.

“Treatment of a Double Anterior Chamber after Penetrating Keratoplasty.” Poster presented at American Society of Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery. Washington D.C., April 2005.

New and Emerging Technologies in Cataract and Refractive Surgery. Senior Course Instructor at the American Society of Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery. Washington D.C., April 2005.

“High Quality, Low Budget Anterior Segment Digital Photography.” Paper presented at American Society of Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery. Washington D.C., April 2005.

“Flap Edema after Lasik Induced by IOP.” Paper presented at American Society of Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery. Washington D.C., April 2005.
