

DAVID RONALD HARDTEN, MD, FACS

CURRICULUM VITAE

Office Addresses:

Minnesota Eye Consultants, P.A.

Phillips Eye Institute
710 East 24th Street, Suite 100
Minneapolis, Minnesota 55404
Phone: (612) 813-3600
Fax: (612) 813-3658
Assistant: (612) 813-3632
Email: drhardten@mneye.com

Minnesota Eye Consultants, P.A.
9801 Dupont Ave S, Suite 200
Bloomington, MN 55431
Phone: (952) 888-5800
Fax: (952) 884-2656

Minnesota Eye Consultants, P.A.
1965 – 11th Avenue East, Suite 102
Maplewood, MN 55109
Phone: (651) 748-4444
Fax: (651) 748-4445

Department of Ophthalmology
HealthPartners - Regions Hospital
401 Phalen Blvd
St. Paul MN 55101
Phone: (651) 254-1003
Fax: (651) 254-0916

Department of Ophthalmology
Veterans Administration Hospital
One Veterans Drive
Minneapolis, Minnesota 55417
Phone: (612) 725-2000

Department of Ophthalmology
University of Minnesota
516 Delaware Avenue SE
Minneapolis, Minnesota 55455
Phone: (612) 625-4400

EDUCATION & TRAINING:

1992-1993

Cornea & External Disease Fellowship
University of Minnesota, Minneapolis, Minnesota
Phillips Eye Institute, Minneapolis, Minnesota
Veterans Administration Hospital, Minneapolis, Minnesota
Completion Date: July 7, 1993

1989-1991

Ophthalmology Residency
University of Minnesota, Minneapolis, Minnesota
St. Paul Ramsey Medical Center, St. Paul, Minnesota
Veterans Administration Hospital, Minneapolis, Minnesota
Completion Date: December 31, 1991

1987-1988

Internship
Department of Internal Medicine
Bell Memorial Hospital
University of Kansas, Kansas City, Kansas
Veterans Administration Hospital, Kansas City, Missouri
Completion Date: June 21, 1988

1983-1987

Medical School
University of Kansas, Kansas City, Kansas
Degree: M.D.
Graduated: May 17, 1987

1979-1983

Undergraduate School
University of Kansas, Lawrence, Kansas
Degree: BS, Chemistry
Graduated with Honors: May 15, 1983

1976-1979

High School
Shawnee Mission South High School, Shawnee Mission, Kansas
Graduated: May 29, 1979

OPHTHALMOLOGY WORK EXPERIENCE

1993-present:

Minnesota Eye Consultants, P.A
710 East 24th Street, Suite 106
Minneapolis, MN 55404

1993-present: Attending Ophthalmologist
Phillips Eye Institute
Minneapolis, Minnesota

1992-present: Consultant: Cornea, External Disease and Refractive Surgery
Regions Hospital
Department of Ophthalmology
St. Paul, Minnesota

1992-present: Consultant: Cornea, External Disease and Refractive Surgery
Veterans Administration Hospital
Department of Ophthalmology
Minneapolis, Minnesota

1992-1999: Clinical Assistant Professor
University of Minnesota
Department of Ophthalmology
Minneapolis, Minnesota

1993-1995: Ophthalmologist and Cornea and Refractive Surgeon
Lindstrom, Samuelson, Hardten & Associates

1995-1998 Partner
Lindstrom, Samuelson, Hardten & Associates

1998-present Partner
Minnesota Eye Consultants, P.A.

1999-2003: Clinical Associate Professor of Ophthalmology
University of Minnesota
Minneapolis, Minnesota

2003-present: Adjunct Associate Professor of Ophthalmology
University of Minnesota
Minneapolis, Minnesota

2000-2007: Adjunct Clinical Associate Professor
Pennsylvania College of Optometry
Philadelphia, Pennsylvania

OPHTHALMOLOGY WORK EXPERIENCE (CONTINUED)

2007-present: Adjunct Professor
Illinois College of Optometry
Chicago, Illinois

LICENSURE & CERTIFICATION:

Advanced Cardiac Life Support:	Certified
American Board of Ophthalmology Board Certified	May 15, 1994
National Board of Medical Examiners Number 338542	March 2, 1988
Drug Enforcement Agency: Number BH1422788	Current
Minnesota Board of Medical Examiners: Number 31920	Issued July 9, 1988
North Dakota Board of Medical Examiners: Number 7697	Issued April 25, 1997
South Dakota Board of Medical Examiners: Number 4325	Issued January 5, 1998
Wisconsin Medical Examining Board: Number 29723	Issued August 25, 1988
American Board of Eye Surgery Refractive Surgery (Laser In-Situ Keratomileusis)	October 15, 2001
American Board of Eye Surgery Penetrating Keratoplasty	October 15, 2001
American Board of Ophthalmology Maintenance of Certification Process	January 1, 2005

COMMITTEES AND LEADERSHIP POSITIONS:

Allina Institutional Review Board
1993 - present

Director, Phillips Eye Institute
Corneal, External Disease, Refractive Surgery and Glaucoma Fellowship Program
1993 - present

Director of Refractive Surgery, St. Paul Ramsey Medical Center
1993 - 1997

Director of Refractive Surgery, Regions Hospital
1997 - present

Phillips Eye Institute Education Committee
1993 - present

Phillips Eye Institute Quality Improvement Committee
1993 - 1999

Director, St. Paul Ramsey Medical Center Ophthalmology Residency Program, University of
Minnesota Affiliated Hospital
1994 - 1997

Director, Regions Hospital Ophthalmology Residency Program University of Minnesota
Affiliated Hospital
1997 - 2004

Eye Bank Association of America International Relations Committee
1994 - 1996

International Society of Refractive Surgery Corneal Topography Committee
1994 - 1999

Vice President, St. Paul Ophthalmology Society
1994-1995

President, St. Paul Ophthalmology Society
1995-1997

Vice President, Minneapolis Ophthalmology Society
1995-1996

President, Minneapolis Ophthalmology Society
1996-1997

COMMITTEES AND LEADERSHIP POSITIONS (CONTINUED):

Eye Bank Association of America Legislative and Regulatory Affairs Committee
1996 - 1998

Eye Bank Association of America Membership Committee
1996 - 1998

Medical Director, Laser Vision Center at Phillips Eye Institute
Minneapolis, Minnesota
1996 - present

Co-Medical Director, Laser Vision Centers, Inc.
St. Louis, Missouri
1998 - 2002

Chairman, International Society of Refractive Surgery
Pre-AAO Events Subcommittee
1997 - 2000

Cornea Section Editorial Board, Ocular Surgery News
1997 - present

International Society of Refractive Surgery
Continuing Education Committee
1997 - 2000

Program Co-Chairman, International Society for Refractive Surgery
Pre-AAO Conference, San Francisco, California
October 1997

USA Representative, International Society of Refractive Surgery
International Committee
1997 - 1998

AAO Events Chair, International Society of Refractive Surgery
1997 - 1998

Eye Care America (National Eye Care Program, Seniors Eye Care Program)
Volunteer
1997 - present

Program Chair, International Society of Refractive Surgery
Pre-AAO Conference, New Orleans, Louisiana
November 1998

COMMITTEES AND LEADERSHIP POSITION (CONTINUED):

Education Committee Chairman, International Society for Refractive Surgery
1998 - 2000

American Academy of Ophthalmology Program Committee
1999 - 2003

International Society of Refractive Surgery Board of Directors
1999 - 2003

American Academy of Ophthalmology Refractive Surgery Interest Group Planning Committee
1999 - 2000

Contact Lens Association of Ophthalmologists Scientific Programs and Continuing Medical
Education Committee
1999 - 2003

Ocular Surgery News
Editorial Board
1999 - present

Contact Lens Association of Ophthalmologists Board of Directors
2000 - 2005

Contact Lens Association of Ophthalmologists
Publications Committee Chair
2002 - 2005

Journal of Refractive Surgery Editorial Board
2000 - Present

Refractive Surgery Quarterly
Editorial Board
2001- present

Vision & Aging
Editorial Board
2001- 2002

American Academy of Ophthalmology Annual Meeting Program Committee
Chair: Refractive Surgery Subcommittee
2001 - 2003

Clinical Advisory Group, TLC Vision, Inc.
2002 - present

COMMITTEES AND LEADERSHIP POSITIONS (CONTINUED):

Ophthalmology Management
Editorial Board
2002 - present

Review of Ophthalmology
Editorial Board
2002 - present

American Academy of Ophthalmology Ophthalmic Knowledge Base Panel for Refractive
Management/Intervention
2002 - present

Advising Member of the University of Minnesota Clinical Research Graduate Faculty
2004 – present

Joint Commission on Allied Health Personnel in Ophthalmology Commissioner for the American
Society of Cataract and Refractive Surgery
2004-2009

Journal of Cataract and Refractive Surgery
Editorial Board
2004 - present

American Academy of Ophthalmology: Development Committee for the Practicing
Ophthalmologists Curriculum
2004 - present

Focal Points
Editorial Review Board Consultant
2004 - present

Journal of Refractive Surgery
Associate Editor
2005 - present

JCAHPO Task Force ASCRS Planning Committee
2006 – 2008

Clinical and Surgical Education Committee, Joint Commission on Allied Health Personnel in
Ophthalmology.
2007-2008.

Presented at the American Society for Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery, Seattle, Washington. June 2, 1996.
73. Hardten, D.R., Didriksen, A.S.: Selective suture removal guided by elevation computerized topography to reduce postkeratoplasty astigmatism. Presented at the American Society for Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery. June 5, 1996. Seattle, Washington.
74. Hardten, D.R.: Hyperopic photorefractive keratectomy. Presented at the International Congress of Eye Research., Yokohama, Japan. October 3, 1996.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

75. Berestka, J.S., Hardten, D.R., Parker, P.J., Lindstrom, R.L.: Prospective evaluation of Chiron Technolas excimer laser in situ keratomileusis (LASIK) for moderate to high myopia. Presented at the XIVth Congress of the European Society of Cataract and Refractive Surgeons, Gothenburg, Sweden. October 13, 1996.
76. Hardten, D.R.: An Analysis of LASIK for the treatment of high myopia. Presented at the Pre-American Academy of Ophthalmology International Society of Refractive Surgery Meeting, Chicago, Illinois. October 24, 1996.
77. Hardten, D.R.: Infectious keratitis following LASIK. Presented at the Ocular Microbiology and Immunology Meeting, Chicago, Illinois. October 26, 1996.
78. Hardten, D.R.: Elevation topography-Uses after corneal and refractive surgery. Presented at the American Academy of Ophthalmology Meeting, Chicago, Illinois. October 26, 1996.
79. Hardten, D.R.: Discussion of Mihai Pop, MD's paper "Photorefractive Keratectomy for Extreme Myopia: Long Term Follow-up". Discussion at the American Academy of Ophthalmology Meeting, Chicago, Illinois. October 28, 1996.
80. Hardten, D.R., et al: Instructor, Phacoemulsification Wetlab Course at the American Academy of Ophthalmology, Chicago, Illinois. October 29, 1996.
81. Brown, M.J., Parker, P., Lindstrom, R.L., Hardten, D.R.: Postoperative Corneal Surface irregularities following RK, ALK, PRK, and LAISK as Analyzed by Corneal Topography. Presented at the American Academy of Optometry Annual Meeting, Dallas, Texas. December 1996.
82. Hardten, D.R.: LASIK Nomograms and Results of Presbyopia Correction. KMSG LASIK Course and Wetlab, Clearwater, Florida. March 15, 1997.
83. Hardten, D.R.: Routine Post Operative Care Avoids Complications. KMSG LASIK Course and Wetlab, Clearwater, Florida. March 15, 1997.
84. Hardten, D.R.: PAR Elevation Topography with LASIK. KMSG LASIK Course and Wetlab, Clearwater, Florida. March 15, 1997.
85. Hardten, D.R.: Fiberoptic Light Probe for Removal of Vitreous Through Anterior Approach During Penetrating Keratoplasty and Secondary IOL Placement. Presented at the American Society for Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery, Boston, Massachusetts. April 26, 1997.
86. Chu Y.R., Hardten D.R., Lindstrom, R.L.: The Efficacy, Predictability and Safety of LASIK in the Treatment of Low Myopia. Presented at the American Society for Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery, Boston, Massachusetts. April 26, 1997.
87. Hardten, D.R.: Use of the Illuminated Iris Retractor Probe During Anterior Segment Procedures. Presented at the American Society for Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery, Boston, Massachusetts. April 26, 1997.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

88. Hardten, D.R.: Elevation Topography Following Hyperopic Photorefractive Keratectomy. Presented at the American Society for Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery, Boston, Massachusetts. April 27, 1997.
89. Lindstrom, R.L, Hardten, D.R., Chu, Y.R: An Analysis of LASIK for the Treatment of Compound Myopic Astigmatism. Presented at the American Society for Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery, Boston, Massachusetts. April 28, 1997.
90. Azar, D.T., Hardten D.R., Probst, L., Updegraff, S.A., Slade S.G.: Management of Lamellar Corneal Surgery Complications. Presented at the American Society for Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery, Tuesday, Boston, Massachusetts. April 29, 1997.
91. Chu, Y.R., Hardten, D.R., Bansal, A., K., Lindstrom, R.L.: LASIK for the Treatment of Moderate and High Myopia. Presented at the American Society for Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery, Boston, Massachusetts. April 30, 1997.
92. Lindstrom, R.L, Hardten D.R., Chu, Y.R: The Efficacy, Safety and Predictability of Laser In-Situ Keratomileusis in the Treatment of Moderate to High Myopia. Presented at Association for Research in Vision and Ophthalmology Annual Meeting, Fort Lauderdale, Florida. May 12, 1997.
93. Chu, Y.R., Hardten, D.R., Lindstrom, R.L.: An Evaluation of the Efficacy, Safety and Predictability of Laser in Situ Keratomileusis (LASIK) in the Treatment of Low Myopia. Presented at the Association for Research in Vision and Ophthalmology Annual Meeting, Fort Lauderdale, Florida. May 12, 1997.
94. Ehlen T.J, Hardten, D.R.: Phototherapeutic Keratectomy for the Treatment of Recurrent Erosion Syndrome. Presented at the Association for Research in Vision and Ophthalmology Annual Meeting, Fort Lauderdale, Florida. May 12, 1997.
95. Hardten, D.R.: Analysis of Hyperopic Photorefractive Keratectomy by Elevation Topography in Cadaver Eyes. Presented at the Association for Research in Vision and Ophthalmology Annual Meeting, Fort Lauderdale, Florida. May 12, 1997.
96. Lindstrom, R.L., Chu Y.R., Hardten D.R.: An evaluation of the efficacy, safety and predictability of laser in situ keratomileusis (LASIK) in the treatment of low, moderate and high myopia. Presented at the 133rd Annual Meeting of the American Ophthalmological Society, Pebble Beach, California. May 24, 1997.
97. Hardten, D.R.: Pearls on PRK Technique with the VISX Laser. Presented at the International Society for Refractive Surgery World Refractive Surgery Symposium, Orlando, Florida. June 13, 1997.
98. Lindstrom, R.L., Hardten, D.R.: Small Diameter Intraocular Lenses for Presbyopics. Presented at the International Society for Refractive Surgery World Refractive Surgery Symposium, Orlando, Florida. June 14, 1997.
99. Hardten, D.R.: Laser Vision Center, Inc., LASIK Study. Presented at the Alabama Academy of Ophthalmology Annual Meeting, Birmingham, Alabama. July 11, 1997.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

100. Hardten, D.R.: Astigmatism Correction in Refractive Surgery. Presented at the Alabama Academy of Ophthalmology Annual Meeting, Birmingham, Alabama. July 12, 1997.
101. Hardten, D.R.: Bilateral Simultaneous Refractive Surgery. Presented at the Alabama Academy of Ophthalmology Annual Meeting, Birmingham, Alabama. July 12, 1997.
102. Hardten, D.R.: Excimer Lasers on the Run. Presented at the 20/20 America Latina Meeting, Bogota, Columbia. August 22, 1997.
103. Hardten, D.R.: PRK or LASIK: Which Would You Choose? Presented at the 20/20 America Latina Meeting, Bogota, Columbia. August 22, 1997.
104. Hardten, D.R.: Is Bilateral Surgery in the Patient's Best Interest? Presented at the 20/20 America Latina Meeting, Bogota, Columbia. August 22, 1997.
105. Hardten, D.R.: Use of Corneal Topography to Manage Lamellar Surgery Complications. Presented at the 20/20 America Latina Meeting, Bogota, Columbia. August 22, 1997.
106. Hardten, D.R.: Pearls on Techniques for LASIK. Presented at the 20/20 America Latina Meeting, Bogota, Columbia. August 22, 1997.
107. Hardten, D.R.: Prevention and Management of Lamellar Surgical Complications. Presented at the 20/20 America Latina Meeting, Bogota, Columbia. August 22, 1997.
108. Hardten, D.R.: LASIK: Microkeratomes and Flap Management. Presented at the 20/20 America Latina Meeting, Bogota, Columbia. August 22, 1997.
109. Hardten, D.R.: Are Steroids Really Needed after LASIK? Presented at the 20/20 America Latina Meeting, Bogota, Columbia. August 22, 1997.
110. Hardten, D.R.: Extreme Myopia: Phakic IOLs and Lens Extraction. Presented at the 20/20 America Latina Meeting, Bogota, Columbia. August 22, 1997.
111. Hardten, D.R.: ICRS for Correction of Low Myopia. Presented at the 20/20 America Latina Meeting, Bogota, Columbia. August 22, 1997.
112. Hardten, D.R.: LASIK for the Management of Low Myopia and Myopic Astigmatism with the VISX STAR Laser. Presented at the Ocular Surgery News Symposium, New York, New York. September 28, 1997.
113. Hardten, D.R.: PRK for > 10 D: The Risks. Presented at Refractive Surgery 1997: Reshaping the Future, San Francisco, California. October 24, 1997.
114. Hardten, D.R.: Breakfast with the Experts: LASIK. Presented at the International Society of Refractive Surgery PRE-AAO Conference, San Francisco, California. October 24, 1997.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

115. Hardten, D.R.: Are Steroids Really Necessary after LASIK? Presented at the International Society of Refractive Surgery, Pre-AAO Conference, San Francisco, California. October 25, 1997.
116. Preschel, N., Hardten, D.R., Lindstrom, R.L.: Efficacy, Safety, and Predictability of LASIK after Penetrating Keratoplasty, Presented at the International Society of Refractive Surgery, Pre-AAO Conference, San Francisco, California. October 25, 1997.
117. Hardten, D.R.: Lerum, S.: PRK and LASIK: A Team Approach. Presented at the International Society of Refractive Surgery, Pre-AAO Conference, San Francisco, California. October 26, 1997.
118. Hardten, D.R.: Future Technology in Refractive Surgery. Presented at the International Society of Refractive Surgery, Pre-AAO Conference, San Francisco. October 26, 1997.
119. Hardten, D.R.: Parker P.: Continuing Education for Ophthalmic Assistants and Nurses in Refractive Surgery, Course Director. Presented at the International Society of Refractive Surgery, Pre-AAO Conference, San Francisco, California. October 26, 1997.
120. Lindstrom, R.L., Hardten, D.R., Samuelson, T.W., et. Al.: Phacoemulsification. Presented at the American Academy of Ophthalmology Annual Meeting, San Francisco, California. October 29, 1997.
121. Jedlicka, J.G., Christenson, C.A., Lindstrom, R.L., Hardten, D.R., Chu, Y.R.: An Evaluation of the Efficacy, Safety, and Predictability of Laser in situ Keratomileusis (LASIK) in the Treatment of Low, Moderate, and High Myopia. Presented at the American Academy of Optometry, San Antonio, Texas. December 14, 1997.
122. Buzard, K.A., Friedlander, M.H., Haight, D.H., Khan, H.N., Kwitko, M.L., Hardten, D.R., Maddox, R., Snyder, R, Stein, R.M.: Surgical Techniques in LASIK Surgery Course. Presented at CLAO Annual Meeting, Las Vegas, Nevada. January 29, 1998.
123. Hardten, D.R.: Lab Experience with the Visijet-Hydrokeratome. Presented at the CLAO Annual Meeting, Las Vegas, Nevada. January 29, 1998.
124. Hardten, D.R.: Clinical Experience with the Hansatome. Presented at the CLAO Annual Meeting, Las Vegas, Nevada. January 29, 1998.
125. Hardten, D.R.: Superior Hinges. Presented at the Third United States LASIK Course, Orlando, Florida. March 13, 1998.
126. Hardten, D.R.: Aligning the Axis Preoperatively and Results. Presented at the Third United States LASIK Course, Orlando, Florida. March 13, 1998.
127. Hardten, D.R.: Pitfalls and Problems with Hyperopia. Presented at the Third United States LASIK Course, Orlando, Florida. March 14, 1998.
128. Hardten, D.R.: Striae and Irregular Astigmatism. Presented at the Third United States LASIK Course, Orlando, Florida. March 15, 1998.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

129. Hardten, D.R., Lindstrom, R.L.: Use of Water Technology for Cataract Removal and LASIK. Presented at the ASCRS Symposium in Cataract, IOL and Refractive Surgery, San Diego, California. April 18, 1998.
130. Hardten, D.R., Initial Experience with the Sunrise Holmium Laser for the Correction of Hyperopia. Presented at the ASCRS Sunrise Symposium, San Diego, California. April 19, 1998.
131. Hardten, D.R., Chu, Y.R., Preschel, N., Jedlicka, J.G., Lindstrom, R.L.: Bilateral LASIK: Results and Safety in a Randomized Prospective Study. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. April 19, 1998.
132. Hardten, D.R., and the LVC I LASIK Study Group: Steroids: Do We Really Need Them After LASIK for Low Myopia? Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. April 20, 1998.
133. Chu, Y.R., Hardten, D.R., Preschel, N., Lindstrom, R.L.: One year Follow-up of LASIK for the Treatment of Low Myopia With and Without Astigmatism. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. April 20, 1998.
134. Lindstrom, R.L., Chu, Y.R., Hardten, D.R., Preschel, N.: One Year Follow-Up of LASIK for the Treatment of Low Myopia With and Without Astigmatism. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. April 20, 1998.
135. Llayman, H, Fishkind, W.J., Hardten, D.R., et. al.: Phacoemulsification for Resident. Course presented at ASCRS Symposium on Cataract, IOL and Refractive Surgery, San Diego, California, April 20, 1998.
136. Hardten, D.R.: Hansatome: Clinical Experience. Presented at the Chiron ASCRS Symposium, San Diego, California. April 20, 1998.
137. Preschel, N., Hardten, D.R., Chu, Y.R., Lindstrom, R.L.: LASIK for the Correction of Refractive Errors after Penetrating Keratoplasty. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery. April 20. 1998.
138. Doane, J.F., Azar D.T., Hardten, D.R., Probst, L.E., Slade S.G., Updegraff, S.A.: Management of Lamellar Corneal Surgery Complications. Course presented at the ASCRS Symposium for Cataract, IOL and Refractive Surgery. April 21, 1998.
139. LiVecchi, J.T., Avalos, G., Caro, N.C., Casebeer, J.C., Hardten, D.R.: ALK/MLK/LASIK Refractive Surgery Update. Course presented at the ASCRS Symposium for Cataract, IOL and Refractive Surgery. San Diego, California. April 21, 1998.
140. Tsai, A.W., Hardten, D.R.: 11-0 Polyester versus 10-0 Nylon Suture in Penetrating Keratoplasty. Presented at the ARVO Annual Meeting, Fort Lauderdale, Florida. May 10, 1998.
141. Asbell, P.A., Abbott, R.L., Burns, T.E., Durrie D.S., Lindstrom, R.L., Hardten, D.R., Verity, S.M., Schanzlin, D.J.: The ICRS Exchange Procedure: Case Studies in Adjustability. Presented at the ARVO Annual Meeting, Fort Lauderdale, Florida. May 10, 1998.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

142. Chu, Y.R., Hardten, D.R., Jedlicka, J.G., Preschel, N., Lindstrom, R.L.: One Year Follow-Up of LASIK for the Treatment of Low, Moderate, and High Myopia with and without Astigmatism. Presented at the ARVO Annual Meeting, Fort Lauderdale, Florida. May 13, 1998.
143. Jedlicka, J.G., Hardten, D.R., Preschel, N., Lindstrom, R.L., Chu, Y.R.: An Evaluation of Keratomileusis (LASIK) for Myopia. Presented at the ARVO Annual Meeting, Fort Lauderdale, Florida. May 13, 1998.
144. Hardten, D.R.: Is Bilateral LASIK in our Patient's Best Interest? Presented at the International Congress of Ophthalmology, Amsterdam, The Netherlands. June 24, 1998.
145. Hardten, D.R.: LASIK for High Myopia with the VISX Star Excimer Laser. Presented at the International Congress of Ophthalmology, Amsterdam, The Netherlands. June 24, 1998.
146. Lindstrom, R.L., Chu, Y.R., Hardten, D.R., Preschel, N.: LASIK for the Treatment of Moderate and High Myopia: One-Year Follow-up. Presented at the International Congress of Ophthalmology, Amsterdam, the Netherlands. June 24, 1998.
147. Bhavsar, A.R., Gilbert, H.D., Hardten, D.R., Lindstrom, R.L., Preschel, N: Vitrectomy and Membrane Dissection Surgery in Patients with Multi-focal Intraocular Lenses. Presented at the Vitreous Society, Palm Springs, California. July 6, 1998.
148. Hardten, D.R.: The First U.S. Experiences with the Artisan Claw Lenses. Presented at the European Society of Refractive Surgery Annual Meeting, Nice, France. September 6, 1998.
149. Hardten, D.R.: – *Key Note Speaker* – Hyperopic LASIK Presented at the Seventh Annual Ocular Surgery News Symposium, New York City, New York. October 4, 1998.
150. Hardten, D.R., Houtman, D.M, Preschel, N.P., Linebarger, E.J., Chu, Y.R., and Lindstrom, R.L.: One Month Results of Laser in Situ Keratomileusis (LASIK) for the Treatment of Low to Moderate Hyperopia with and without Astigmatism. Presented at the 1998 ISRS Pre-Academy Conference and Exhibition, New Orleans, Louisiana. November 6, 1998.
151. Hardten, D.R.: Best of Session Breakfast. Presented at the 1998 ISRS Pre-Academy Conference and Exhibition, New Orleans, Louisiana. November 6, 1998.
152. Hardten, D.R.: My Pearls for Avoiding Complications with LASIK. Presented at the Refractive Surgery 1998, Refractive Surgery Interest Group Meeting, New Orleans, Louisiana. November 6, 1998.
153. Lindstrom, R.L., Hardten, D.R., and Chu, Y.R.: Immediate Postoperative Results of LASIK using the VISX S2 Smoothscan Laser. Presented at the 1998 ISRS Pre-Academy Conference and Exhibition, New Orleans, Louisiana. November 7, 1998.
154. Linebarger, E.J., Hardten, D.R., Chu, Y.R., Houtman, D.M., Preschel, N.P., and Lindstrom, R.L.: The Role of LASIK in the Treatment of Hyperopia after Previous Radial Keratotomy. Presented at the 1998 ISRS Pre-Academy Conference and Exhibition, New Orleans, Louisiana. November 7, 1998.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

155. Hardten, D.R.: Update on Hyperopia with the VISX S2 Smoothscan Laser. Presented at the LVCI Clinical Breakfast, New Orleans, Louisiana. November 8, 1998.
156. Hardten, D.R.: LASIK Nomogram Changes with the VISX S2 Smoothscan Laser. Presented at the LVCI Clinical Breakfast, New Orleans, Louisiana. November 8, 1998.
157. Hardten, D.R., Parker, P.J.: Review of Do-It-Yourself Outcomes and Developing Your Own LASIK Nomogram Package. Presented at the LVCI Practice Development Session, New Orleans, Louisiana. November 9, 1998.
158. Hardten, D.R.: Why Get Into Refractive Surgery and Why do LASIK? Presented at the LVCI Surgeons Session, New Orleans, Louisiana. November 10, 1998.
159. Hardten, D.R.: Discussion of Optical Coherence Tomography (OCT) Evaluation of the Corneal Cap and Stromal Bed Features after LASIK for High Myopia. Presented at the American Academy of Ophthalmology Annual Meeting, New Orleans, Louisiana. November 10, 1998.
160. Hardten, D.R.: Discussion of LASIK in Patients with Subclinical Keratoconus. Presented at the American Academy of Ophthalmology Annual Meeting, New Orleans, Louisiana. November 10, 1998.
161. Price, F.J., Hardten, D.R., et. al.: Lamellar Refractive Surgery with a Microkeratome Wetlab. Presented at the American Academy of Ophthalmology Annual Meeting, New Orleans, Louisiana. November 10, 1998.
162. Hardten, D.R.: LASIK Complications. Presented at the American Academy of Ophthalmology Annual Meeting, Breakfast with the Experts Roundtable, New Orleans, Louisiana. November 11, 1998.
163. Hardten, D.R.: Overcoming the Obstacles: The Quest for Perfect Refractive Surgical Correction. Presented at the American Academy of Ophthalmology Annual Meeting. November 11, 1998, New Orleans, Louisiana.
164. Hardten, D.R.: VISX S2 Smooth Scan Laser. Presented at the Annual Hawaii '99 Ocular Surgery News Meeting, January 29, 1999. Kona, Hawaii.
165. Hardten, D.R.: Hinge Position. Presented at The Fourth United States LASIK Course & Wet Lab, Orlando, Florida. March 19, 1999.
166. Hardten, D.R.: Team Approach to LASIK Excellence and Efficiency. Presented at The Fourth United States LASIK Course & Wet Lab, Orlando, Florida. March 19, 1999.
167. LiVecchi, J., Avalos, G., Caro, N.L., Casebeer, J.C., Hardten, D.R.: LASIK Surgery Update: Hyperopia and Myopic LASIK, Presented at the ASCRS Annual Meeting. April 10, 1999.
168. Hardten, D.R.: Early Results of Hyperopic/Astigmatic LASIK and LASIK for Myopic Astigmatism with the VISX Start and S2 laser. Presented at the ASCRS Annual Meeting, Seattle, Washington. April 10, 1999.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

169. Houtman, D.M., Hardten, D.R., Lindstrom, R.L., and Chu, Y.R.: Hyperopic/Astigmatic LASIK Using the VISX Star Excimer Laser System. Presented at the ASCRS Annual Meeting, Seattle, Washington. April 11, 1999.
170. Hardten, D.R.: LASIK for Myopic Astigmatism – Early Results Using the VISX Star and S2 Laser. Presented at the ASCRS Annual Meeting, Seattle, Washington. April 11, 1999.
171. Linebarger, E.J., Hardten, D.R., Lindstrom, R.L.: LASIK After RK to Treat Hyperopia. Presented at the ASCRS Annual Meeting, Seattle, Washington. April 11, 1999.
172. Chu, Y.R., Doane, J., Azar D., Bansal, J., Chayet, A., Hardten, D.R., Lawless, M., Probst, L., and Stewart: LASIK Video Grand Rounds: Complication Management: Buttonholes: Prevention and Management. Presented at the ASCRS Annual Meeting, Seattle, Washington. April 12, 1999.
173. Kershner, R., Alpins, N., Binder P.S., Chayet, A.S., Gayton, J.L., Gills, J.P., Hardten, D.R., Nichamin, L., Sanders, D.R., Slade S.G., and Solomon, R.D.: First International Symposium on the Surgical Correction of Astigmatism: Incisional, Photoablative, and Toric Pseudophakia and Phakic IOLs: LASIK for Astigmatism. Presented at the ASCRS Annual Meeting, Seattle, Washington. April 12, 1999.
174. Spigelman, A., Fiander, D.C., and Hardten, D.R.: LASIK for Non-Idiopathic Refractive Errors: LASIK Enhancements and LASIK after PRK, Scleral Buckles, RK and PK. Presented at the ASCRS Annual Meeting, Seattle, Washington. April 13, 1999.
175. Lindstrom, R.L. and Hardten, D.R.: Early Results of Hyperopic/Astigmatic LASIK. Presented at the ASCRS Annual Meeting, Seattle, Washington. April 13, 1999.
176. Linebarger, E.J., Houtman, D.M., Hardten, D.R., Lindstrom, R.L., Samuelson, T.W., Chu, Y.R., and Brown, M.J.: Diffuse Lamellar Keratitis: Trouble in Paradise. Film Theater. Winner of the Best Video of the Meeting. Presented at the ASCRS Annual Meeting. April 10-13, 1999.
177. Hardten, D.R., Lindstrom, R.L., Chu, Y.R., and Linebarger, E.J.: A Comparison of Early LASIK Results using the VISX STAR and STAR S₂ Lasers. Presented at the Association for Research in Vision and Ophthalmology Annual Meeting, Fort Lauderdale, Florida. May 12, 1999.
178. Lindstrom, R.L., Hardten, D.R., Houtman, D.M., Preschel, N., Linebarger, E.J., and Chu, Y.R.: Early Results of Hyperopic/Astigmatic LASIK Using the VISX STAR Excimer Laser System. Presented at the Association for Research in Vision and Ophthalmology Annual Meeting, Fort Lauderdale, Florida. May 13, 1999.
179. Rath, P.P., Hardten, D.R., Lindstrom, R.L., Chu, Y.R., and Witte, B.R.: One-Year Follow-up of Bilateral Sequential versus Unilateral Sequential Laser In Situ Keratomileusis (LASIK) for Treatment of Myopia. Presented at the Association for Research in Vision and Ophthalmology Annual Meeting, Fort Lauderdale, Florida. May 13, 1999.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

180. Chu, Y.R., Hardten, D.R., and Lindstrom, R.L.: Phakic IOLs. Early Experience with the Artisan Lens as a Treatment for Moderate and High Myopia. Presented at the International Society of Refractive Surgery World Refractive Surgery Symposium, Miami, Florida. July 17, 1999.
181. Hardten, D.R., Lindstrom, R.L., Uttley, S., and Chu, Y.R.: LASIK with the VISX STAR S2 Smoothscan for Low and High Myopia. Presented at the International Society of Refractive Surgery World Refractive Surgery Symposium, Miami, Florida. July 17, 1999.
182. Hardten, D.R., Houtman, D.M., Linebarger, E.J., Lindstrom, R.L., and Chu, Y.R.: Hyperopic LASIK with the VISX STAR S2 Smoothscan Laser. Poster - Presented at the International Society of Refractive Surgery World Refractive Surgery Symposium, Miami, Florida. July 17, 1999.
183. Chu, Y.R., Hardten, D.R., Lindstrom, R.L., Houtman, D.M., and Linebarger, E.J.: LASIK with the VISX S2 for Mixed Astigmatism. Presented at the International Society of Refractive Surgery World Refractive Surgery Symposium, Miami, Florida. July 18, 1999.
184. Hardten, D.R.: PRK vs. LASIK for Hyperopia. *Invited Speaker*. Presented at the International Society of Refractive Surgery World Refractive Surgery Symposium, Miami, Florida. July 18, 1999.
185. Hardten, D.R.: PRK or LASIK? Which to Choose? Presented at the San Diego Eye Bank Current Concepts in Ophthalmology, San Diego, California. July 23, 1999.
186. Hardten, D.R.: Intraocular Lenses as Refractive Surgery Options. Presented at the San Diego Eye Bank Current Concepts in Ophthalmology, San Diego, California. July 23, 1999.
187. Hardten, D.R.: Myopic & Hyperopic LASIK Techniques and Results. Presented at the San Diego Eye Bank Current Concepts in Ophthalmology, San Diego, California. July 24, 1999.
188. Hardten, D.R.: The Evolution of Refractive Surgery 1999 Update. Presented at the San Diego Eye Bank Current Concepts in Ophthalmology, San Diego, California. July 24, 1999.
189. Hardten, D.R.: Seven Pearls for Avoiding LASIK Complications. Presented at the San Diego Eye Bank Current Concepts in Ophthalmology, San Diego, California. July 25, 1999.
190. Hardten, D.R., and Lindstrom, R.L.: LASIK with the VISX STAR S2 Smoothscan for Low and High Myopia. Early Results and Comparison to the VISX STAR. Presented at the XVII Congress of the European Society of Cataract and Refractive Surgeons, Vienna, Austria. September 6, 1999.
191. Lindstrom, R.L., and Hardten, D.R.: Analysis of a New Treatment Method for Mixed Astigmatism Using the VISX STAR S2 Smoothscan. Presented at the XVII Congress of the European Society of Cataract and Refractive Surgeons, Vienna, Austria. September 6, 1999.
192. Lindstrom, R.L., and Hardten, D.R.: LASIK with the VISX STAR S2 for Hyperopia and Hyperopic Astigmatism: 6-Month Results. Presented at the XVII Congress of the European Society of Cataract and Refractive Surgeons, Vienna, Austria. September 7, 1999.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

193. Hardten, D.R., and Lindstrom, R.L.: LASIK for Hyperopia and Hyperopic Astigmatism in Eyes with Prior Myopic Refractive Surgery. Presented at the XVII Congress of the European Society of Cataract and Refractive Surgeons, Vienna, Austria. September 7, 1999.
194. Hardten, D. R.: Intacs: A Non-Laser Refractive Procedure. Presented at the International Society of Refractive Surgery Fall World Refractive Surgery Symposium, Orlando, Florida. October 22, 1999.
195. Chu, Y.R., Hardten, D.R., Lindstrom, R.L.: Comparison of two Treatment Methods for Mixed Astigmatism using the VISX STAR S2 SmoothScan. Presented at the International Society of Refractive Surgery Fall World Refractive Surgery Symposium, Orlando, Florida. October 22, 1999.
196. Hardten, D.R.: What do we tell our patients about LASIK? Presented at the International Society of Refractive Surgery Fall World Refractive Surgery Symposium, Orlando, Florida. October 22, 1999.
197. Davis, E.A., Hardten, D.R., Lindstrom, R.L., and Chu, Y.R.: The VISX STAR S2 for Hyperopia and Astigmatism: Interim Results of a Two-Year Study. Presented at the International Society of Refractive Surgery Fall World Refractive Surgery Symposium, Orlando, Florida. October 22, 1999.
198. Hardten, D.R., Lindstrom, R.L., Chu, Y.R.: Early Results using the VISX CAP Method to Treat Irregular Astigmatism. Presented at the International Society of Refractive Surgery Fall World Refractive Surgery Symposium, Orlando, Florida. October 22, 1999.
199. Chu, Y.R., Hardten, D.R., Lindstrom, R.L.: Phakic IOL's: Early Experience with the Artisan Lens as a Treatment for Moderate and High Myopia. Poster Presented at the International Society of Refractive Surgery Fall World Refractive Surgery Symposium, Orlando, Florida. October 22, 1999.
200. Uttley, S., Hardten, D.R., Lindstrom, R.L., Chu, Y.R., Hauswirth, S.: LASIK with the VISX STAR S2 SmoothScan for Low and High Myopia: One-Year Results. Poster Presented at the International Society of Refractive Surgery Fall World Refractive Surgery Symposium, Orlando, Florida. October 22, 1999.
201. Hardten, D.R.: Preop and Postop Regimens: Antibiotics, NSAIDS, Steroids, Bandage Lenses, Protective Shields and other Therapies. Presented at Refractive Surgery 1999: Reshaping the Future, the Refractive Surgery Interest Group Meeting, Orlando, Florida. October 22, 1999.
202. Hardten, D.R.: Refractive Surgery: Moving into the Next Millennium. Presented at the VISX University Educational Program, Orlando, Florida. October 22, 1999.
203. Hardten, D.R.: LASIK Complications – Management and Avoidance – Breakfast with the Experts. Presented at the American Academy of Ophthalmology 1999 Annual Meeting, Orlando, Florida. October 26, 1999.
204. Hardten, D.R., Barraquer, C.J., Chayet, A.S., Maloney, R.K., Guimaraes, R.Q., Schanzlin, D.J., Baikoff, G.D., Kelley, C.G., Ramsay, R.C.: Resculpt or Implant? What is Best for our Patients? Combined Meeting with the International Society of Refractive Surgery, Presented at the American Academy of Ophthalmology 1999 Annual Meeting, Orlando, Florida. October 26, 1999.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

205. Lindstrom, R.L., Hardten, D.R., Samuelson, T.W., Et. Al.: Phacoemulsification Wet Lab. Presented at the American Academy of Ophthalmology 1999 Annual Meeting, Orlando, Florida. October 26, 1999.
206. Hardten, D.R., Alio, J.L, Chayet, A.S., Doane, J.F., Fukasaku, H., Knorz, M.C., McDonald, M.B., Occhuito, M.L., Probst, L.E., Siganos, D.S., Lebuissou, A.D.: Lamellar Refractive Surgery with A Microkeratome Wet Lab. Presented at the American Academy of Ophthalmology 1999 Annual Meeting, Orlando, Florida. October 26, 1999.
207. Hardten, D.R.: A Comparison Between the VISX STAR and VISX STAR S2 Excimer Laser Systems: Discussion. Presented at the American Academy of Ophthalmology 1999 Annual Meeting, Orlando, Florida. October 27, 1999.
208. Hardten, D.R.: Surgical Options for Correction of Hyperopia. Presented at the American Academy of Ophthalmology 1999 Annual Meeting, Orlando, Florida. October 27, 1999.
209. Chu, Y.R., Lindstrom, R.L., and Hardten, D.R.: Analysis of a New Treatment Method for Mixed Astigmatism using the VISX STAR S2. Presented at the American Academy of Ophthalmology 1999 Annual Meeting, Orlando, Florida. October 27, 1999.
210. Lindstrom, R.L., Hardten, D.R., Houtman, D.M, Chu, Y.R., and Samuelson, T.W.: LASIK for Hyperopia and Hyperopic Astigmatism in Eyes with Prior Myopic Refractive Surgery. Presented at the American Academy of Ophthalmology 1999 Annual Meeting, Orlando, Florida. October 27, 1999.
211. Hardten, D.R.: LASIK for the Treatment of Residual Myopia after PRK: Discussion. Presented at the American Academy of Ophthalmology 1999 Annual Meeting, Orlando, Florida. October 27, 1999.
212. Hardten, D.R.: LASIK for Hyperopia and Hyperopic Astigmatism in Eyes with Prior Myopic Refractive Surgery: Discussion. Presented at the American Academy of Ophthalmology 1999 Annual Meeting, Orlando, Florida. October 27, 1999.
213. Hardten, D.R.: Effect of Artisan Lens Implantation for High Myopia on Contrast Sensitivity. Presented at the American Society for Cataract and Refractive Surgery, Boston, Massachusetts. May 23, 2000.
214. Hardten, D.R.: VISX STAR S2 for Hyperopia and Astigmatism: Interim Results of Vector Analysis. Presented at the American Society of Cataract and Refractive Surgery, Boston, Massachusetts, May 23, 2000.
215. Hardten, D.R.: What do we tell all our LASIK patients. Presented at the International Society of Refractive Surgery Summer World Refractive Surgery Symposium, Miami, Florida. July 21, 2000.
216. Hardten, D.R.: How shall we perform LASIK. Presented at the International Society of Refractive Surgery, Miami, Florida. July 21, 2000.
217. Hardten, D.R.: LASIK – What is state of the art? Presented at the International Society of Refractive Surgery, Miami, Florida. July 22, 2000.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

218. Hardten, D.R., Davis, E.A., Houtman, D.M., Hauswirth, S.G., Lindstrom, R.L.: Results of vector analysis of LASIK for hyperopia and astigmatism. Presented at the International Society of Refractive Surgery, Miami, Florida. July 22, 2000.
219. Hauswirth, S.G., Hardten, D.R., Uttley, S.: Using multivariable nomograms to improve patient outcomes for LASIK. Presented at the International Society of Refractive Surgery, Miami, Florida. July 22, 2000.
220. Hauswirth, S.G., Hardten, D.R.: Contamination of topical anesthetic drops as a possible factor in diffuse lamellar keratitis. Presented at the International Society of Refractive Surgery, Miami, Florida. July 23, 2000.
221. Davis, E.A., Hardten, D.R., Hauswirth, S.G.: PTK for the treatment of epithelial defects at the time of LASIK. Presented at the International Society of Refractive Surgery, Miami, Florida. July 23, 2000.
222. Davis, E.A., Hardten, D.R., Houtman, D.M., Lindstrom, R.L.: The effect of Artisan lens implantation for the treatment of high myopia on contrast sensitivity. Presented at the International Society of Refractive Surgery, Miami, Florida. July 23, 2000.
223. Hardten, D.R.: Wavefront-based excimer laser ablations: Early results. Presented at the International Society of Refractive Surgery, Miami, Florida. July 23, 2000.
224. Houtman, D.M., Hardten, D.R., Lindstrom, R.L., Davis, E.A.: Comparison of Intacs v. LASIK for low myopia. Presented at the International Society of Refractive Surgery, Miami, Florida. July 23, 2000.
225. Hardten, D.R., Houtman, D.M., Davis, E.A., Lindstrom, R.L.: The Effect of Artisan Lens Implantation for the Treatment of High Myopia on Contrast Sensitivity. Presented at Brussels 2000: XVIII Congress of the ESCRS, Brussels, Belgium. September 4, 2000.
226. Hardten, D.R., Davis E.A., Lindstrom, R.L.: Wavefront-based excimer laser ablations: Early Results. Presented at Brussels 2000: XVIII Congress of the ESCRS, Brussels, Belgium. September 6, 2000.
227. Hardten, D.R.: Update on the Diagnosis and Treatment of Diffuse Lamellar Keratitis. Presented at the Laser Vision Centers Pre-Academy Conference, Dallas, Texas. October 19, 2000.
228. Hardten, D.R., Lindstrom, R.L., Davis E.A., Houtman, D.M., & Hauswirth, S.G.: Hyperopia and Astigmatism Correction Utilizing LASIK. Presented as Poster at the 2000 Fall World Refractive Surgery Symposium,, Dallas, Texas. October 20, 2000.
229. Davis, E.A., Hardten, D.R., Lindstrom, R.L., Schneider, T.L., Samuelson, T.W.: Results of the Technolas 217 Excimer Laser for the Treatment of Myopia and Myopic Astigmatism. Presented as Poster at the 2000 Fall World Refractive Surgery Symposium, Dallas, Texas. October 20, 2000.
230. Hardten, D.R., and Lindstrom, R.L.: LASIK Using the VISX STAR S3 Eyetracker. Presented at the International Society of Refractive Surgery Fall World Refractive Surgery Symposium, Dallas, Texas. October 20, 2000.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

231. Hardten, D.R., Davis, E.A., Houtman, D.M., Hauswirth, S.G., and Lindstrom, R.L.: The VISX Clinical Experience. Presented at the International Society of Refractive Surgery Fall World Refractive Surgery Symposium, Dallas, Texas. October 20, 2000.
232. Lahnert, W.J., Hardten, D.R., Davis, E.A., & Lindstrom, R.L: Contrast Sensitivity Following the Implantation of the Artisan Lens for High Myopia. Presented at the International Society of Refractive Surgery Fall World Refractive Surgery Symposium, Dallas, Texas. October 20, 2000.
233. Hardten, D.R.: U.S. Clinical Trial of the STAAR Implantable Contact Lens for the Treatment of Hyperopia. Presented at the International Society of Refractive Surgery Fall World Refractive Surgery Symposium, Dallas, Texas. October 20, 2000.
234. Hardten, D.R., Robin, J., Pallikaris, I., Lawless, M., Vukich, J., Schanzlin, D.J., Holladay, J.T., Updegraff, S.: Best of the ISRS Meeting. Presented at the Refractive Surgery Interest Group Meeting, Dallas, Texas. October 21, 2000.
235. Hardten, D.R.: Patient Selection for Intacs. Presented at the American Academy of Ophthalmology Annual Meeting, Dallas, Texas. October 22, 2000.
236. Hardten, D.R.: Management of Early Postoperative LASIK Complications. Presented at the American Academy of Ophthalmology Annual Meeting, Dallas, Texas. October 22, 2000.
237. Hardten, D.R.: Wavefront Applications in Refractive Surgery. Presented at the American Academy of Ophthalmology Annual Meeting, Dallas, Texas. October 22, 2000.
238. Hardten, D.R.: Centration of LASIK Treatments Using 3-D Active Tracking and the VISX STAR S3. Presented at the American Academy of Ophthalmology Annual Meeting, Dallas, Texas. October 23, 2000.
239. Hardten, D.R.: Early Results Following Conductive Keratoplasty Using a New Nomogram. Presented at the American Academy of Ophthalmology Annual Meeting, Dallas, Texas. October 23, 2000.
240. Seibel, B.S., Hardten, D.R., et. al.: Phacoemulsification wet lab. Presented at the American Academy of Ophthalmology Annual Meeting, Dallas, Texas. October 23, 2000.
241. Hardten, D.R., et. al.: Lamellar Refractive Surgery with a Microkeratome. Presented at the American Academy of Ophthalmology Annual Meeting, Dallas, Texas. October 23, 2000.
242. Hardten, D.R.: Use of the Perfect Pupil Device in Small Pupil Cataract Surgery. Presented at the American Academy of Ophthalmology Annual Meeting, Dallas, Texas. October 24, 2000.
243. Hardten, D.R.: Complications of LASIK. Presented at the American Academy of Ophthalmology Annual Meeting, Dallas, Texas. October 24, 2000.
244. Hardten, D.R.: Refractive Surgery: Which Procedure for Which Patient? Presented at the JCAHPO Continuing Education Course, Dallas, Texas. October 24, 2000.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

245. Hardten, D.R.: Corneal Indications for Non-corneal Refractive Surgery. Presented at the American Academy of Ophthalmology Annual Meeting, Dallas, Texas. October 24, 2000.
246. Hardten, D.R.: LASIK will not be supplanted by Phakic IOLs for Moderate and High Myopia. Presented at the JCAHPO Continuing Education Course, Dallas, Texas. October 24, 2000.
247. Hardten, D.R.: LASIK will not be supplanted by Intracorneal Rings for Low Myopia. Presented at the JCAHPO Continuing Education Course, Dallas, Texas. October 24, 2000.
248. Hardten, D.R., Davis, E.A., Houtman, D.M., Lindstrom, R.L.: The VISX STAR S2 for Hyperopia and Astigmatism: Interim Results of Vector Analysis in a 2-year Prospective Study. Presented as a Poster at the American Academy of Ophthalmology Annual Meeting, Dallas, Texas, October 24, 2000.
249. Hardten, D.R.: Discussion of Paper, Myopic Tracker-Assisted LASIK (T-LASIK) with the Autonomous Scanning and Tracking Laser: 12-Month Results. Presented at the American Academy of Ophthalmology Annual Meeting, Dallas, Texas. October 25, 2000.
250. Hardten, D.R.: LASIK Today: Active Eye Tracking and Variable Spot Scanning. Presented at the Royal Hawaiian Eye Meeting 2001, Kauai, Hawaii. January 23, 2001.
251. Hardten, D.R.: Top Ten Pearls to Prevent Complications in LASIK. Presented at the Royal Hawaiian Eye Meeting 2001, Kauai, Hawaii. January 26, 2001.
252. Hardten, D.R.: Pearls for Success in Hyperopic LASIK. Presented at the Royal Hawaiian Eye Meeting 2001, Kauai, Hawaii. January 26, 2001.
253. Hardten, D.R.: Successful Hyperopic LASIK. Presented at the Royal Hawaiian Eye Meeting 2001 Nursing Program, Kauai, Hawaii. January 26, 2001.
254. Hardten, D.R.: Management of Flap Striae at the Time of LASIK. Presented at the Royal Hawaiian Eye Meeting 2001, Kauai, Hawaii. January 26, 2001.
255. Hardten, D.R.: Eye-Trackers: Are They Really Useful in LASIK? Presented at the Royal Hawaiian Eye Meeting 2001, Kauai, Hawaii. January 26, 2001.
256. Hardten, D.R.: Which Procedure for Which Patient. Presented at the CLAO Annual Meeting, Las Vegas, Nevada. February 12, 2001.
257. Hardten, D.R.: Use of Computer Topography and Wavefront Analysis. Presented at the CLAO Annual Meeting, Las Vegas, Nevada. February 12, 2001.
258. Hardten, D.R.: Pearls to Avoid Complications in Refractive Surgery. Presented at the CLAO Annual Meeting, Las Vegas, Nevada. February 13, 2001.
259. Hardten, D.R.: Wavefront and the VISX Laser. Presented at the Pre-ASCRS LVCI Clinical Update Meeting, San Diego, California. April 27, 2001.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

260. Chittcharus, A., Hardten, D.R., Lindstrom, R.L.: Long-term Follow-up of LASIK for Refractive Errors after Corneal Transplantation. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California. April 28, 2001.
261. Houtman, D.M., Hardten, D.R.: Crossover Study of Nutritional Supplementation with Omega-3 and Omega-6 Fatty Acids to Alleviate Dry-Eye Symptoms. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California. April 28, 2001.
262. Duffey, R.J., Hardten, D.R.: Ocular Cyclotorsion During LASIK Surgery. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California. April 28, 2001
263. Lahners, W., Hardten, D.R., Lindstrom, R.L.: Epithelial Ingrowth after LASIK: Recurrence and Visual Outcomes. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California. April 28, 2001.
264. Davis, E.A., Lindstrom, M, Hardten, D.R., Samuelson, T.W., Lindstrom, R.L.: LASIK Enhancements: Lifting versus Recutting the Flap, Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California. April 28, 2001. ****BEST PAPER OF THE SESSION****
265. Hardten, D.R.: The STAAR Implantable Contact Lens for Hyperopia: Interim Results of the Phase III FDA Clinical Trial. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California, April 28, 2001.
266. Hardten, D.R., Lindstrom, R.L., Davis, E.A., Samuelson, T.W., Schneider, T.L., Lahners, W.J.: LASIK Using the VISX STAR S3 Eyetracker. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California. April 28, 2001. ****BEST PAPER OF THE SESSION****
267. Hardten, D.R.: Diagnosis, Treatment, and Causes of Diffuse Lamellar Keratitis. Presented at the ASCRS LVCI Clinical Breakfast Meeting, San Diego, California. April 29, 2001.
268. Lindstrom, R.L., Hardten, D.R.: Results of a Large Population Stratified by Refractive Error Using the VISX STAR S3 ActiveTrak Excimer Laser System. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California. April 29, 2001.
269. Hardten, D.R. Comparison of the ICL and the Artisan Lens. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California. April 29, 2001.
270. Vukich, J.A., Hardten, D.R., Gimbel, H.V., Brown, D.C., Martin, R.G., Bylsma, S.S., Rowen, S., Dulaney, D.D.: Current Status of the Implantable Contact Lens. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California. April 29, 2001
271. Hardten, D.R.: Management of Diffuse Lamellar Keratitis, Infections, and Inflammations after LASIK. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California. April 30, 2001.
272. Hardten, D.R.: Enhancements: Why, When, and How. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California. April 30, 2001.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

273. Hardten, D.R.: CK: Comparison of Early Results. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California. April 30, 2001.
274. Hardten, D.R.: Update on Tracking at the time of LASIK Surgery. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California. April 30, 2001.
275. Davis, E.A., Hardten, D.R., Lindstrom, R.L., Schneider, T.L., Knorz, M.: LASIK Complications. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, CA. April 30, 2001.
276. Davis, E.A., Hardten, D.R., Lindstrom, R.L., Knorz, M., Schneider, T.L.: LASIK Complications. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California. April 30, 2001.
277. LiVecchi, J.T., Hardten, D.R., Avalos, G., Caro, N.C., Casebeer, J.C.: LASIK Refractive Surgery Update. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California. April 30, 2001.
278. Kershner, R.M., Hardten, D.R., Alpíns, N., Binder, P.S., Chayet, A.S., Gills, J.P., Sanders, D.R.: Third International Symposium on the Surgical Correction of Astigmatism – Incisional, Photoablative and Toric Pseudophakic and Phakic IOLs. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California. May 1, 2001.
279. Hardten, D.R.: Surgical Management of Mixed Astigmatism. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California. May 1, 2001.
280. Hardten, D.R.: Top Ten Pearls in Phakic IOLs. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California. May 1, 2001.
281. Hardten, D.R.: Top Ten Pearls in LASIK Surgery. Presented at the ASCRS Symposium on Cataract and Refractive Surgery, San Diego, California. May 1, 2001.
282. Hardten, D.R.: Application of Customized Treatments with Excimer Laser. Presented at the Rome Symposium on Cataract, Glaucoma and Refractive Surgery, Rome, Italy. May 11, 2001.
283. Hardten, D.R.: Use of Eyetrackers for Optimal Outcomes in LASIK. Presented at the Rome Symposium on Cataract, Glaucoma and Refractive Surgery, Rome, Italy. May 11, 2001.
284. Hardten, D.R.: Wavefront Technology and Customized Ablations. Presented at the ISRS Summer Refractive Symposium, Orlando, Florida. July 28, 2001.
285. Hardten, D.R.: Comparison of Different Phakic IOLs. Presented at the ISRS Summer Refractive Symposium, Orlando, Florida. July 28, 2001.
286. Hardten, D.R.: LASIK Results with and without using the VISX STAR S3 ActiveTrak Eye Tracker. Presented at the ISRS Summer Refractive Symposium, Orlando, Florida. July 29, 2001.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

287. Lahnert, W.L., Hardten, D.R.: Treatment of Epithelial Ingrowth Following LASIK: A Retrospective Evaluation of the Effectiveness and Safety of 70% Isopropyl Alcohol as an Adjunct to Mechanical Scraping. Presented at the ISRS Summer Refractive Symposium, Orlando, Florida. July 29, 2001.
288. Hardten, D.R.: LASIK Results using the VISX STAR S3 ActiveTrak Stratified by Refractive Error. Presented at the ISRS Summer Refractive Symposium, Orlando, Florida. July 29, 2001.
289. Hardten, D.R.: Water Jet Keratomes. Presented at the ISRS Summer Refractive Symposium, Orlando, Florida. July 29, 2001.
290. Hardten, D.R.: Limits of Hyperopic LASIK. Presented at the ISRS Summer Refractive Symposium, Orlando, Florida. July 29, 2001.
291. Lindstrom, R.L., Hardten, D.R.: Results of a Large Population Stratified by Refractive Error using the VISX STAR S3 ActiveTrak Excimer Laser System. Presented at the ISRS Summer Refractive Symposium, Orlando, Florida. July 29, 2001.
292. Hardten, D.R.: Effect of LASIK on the Optic Nerve. Presented at Vision Quest 2001, Chicago, Illinois. August 11, 2001.
293. Hardten, D.R.: Flap Subluxation. Presented at Vision Quest 2001, Chicago, Illinois. August 12, 2001.
294. Hardten, D.R.: Introduction to Custom Ablations with the VISX Excimer Laser System. Presented at Vision Quest 2001, Chicago, Illinois. August 12, 2001.
295. Hardten, D.R.: Custom Ablations with the VISX Excimer Laser System. Presented at Vision Quest 2001, Chicago, Illinois. August 12, 2001.
296. Hardten, D.R.: Management of Blepharitis. Presented at the XLIX Congreso Nacional de Oftalmología, Maracay, Venezuela. August 30, 2001.
297. Hardten, D.R.: Corneal Transplant and IOL exchange in the face of inadequate capsular support. Presented at the XLIX Congreso Nacional de Oftalmología, Maracay, Venezuela. August 30, 2001.
298. Hardten, D.R.: Management of High Risk Keratoplasty. Presented at the XLIX Congreso Nacional de Oftalmología, Maracay, Venezuela. August 30, 2001.
299. Hardten, D.R.: LASIK after Penetrating Keratoplasty. Presented at the XLIX Congreso Nacional de Oftalmología, Maracay, Venezuela. August 31, 2001.
300. Hardten, D.R.: Epithelial Ingrowth: Prevention and Management. Presented at the XLIX Congreso Nacional de Oftalmología, Maracay, Venezuela. August 31, 2001.
301. Hardten, D.R.: IOL Calculations after LASIK. Presented at the XLIX Congreso Nacional de Oftalmología, Maracay, Venezuela. August 31, 2001.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

302. Hardten, D.R.: Indications and techniques for Phakic IOLs. Presented at the XLIX Congreso Nacional de Oftalmologia, Maracay, Venezuela. August 31, 2001.
303. Hardten, D.R., Lindstrom, R.L., Davis, E.A., Samuelson, T.W., and Schneider, T.L.: Results of LASIK using the VISX STAR S3 ActiveTrak Eyetracker in a comparative study between tracked and untracked eyes. Presented at the XIX Congress of the ESCRS, Amsterdam, The Netherlands. September 4, 2001.
304. Lindstrom, R.L., Hardten, D.R., and Davis, E.A.: Evaluation of LASIK results using the VISX STAR S3 ActiveTrak tracker stratified by refractive error. Presented at the XIX Congress of the ESCRS, Amsterdam, The Netherlands. September 4, 2001.
305. Hardten, D.R.: The STAAR Implantable contact lens for hyperopia: Interim results of the North American clinical trial. Presented at the XIX Congress of the ESCRS, Amsterdam, The Netherlands. September 4, 2001.
306. Lindstrom, R.L., Davis, E.A., Lindstrom, M., and Hardten, D.R.: Comparison of Lifting to Recutting the Flap for LASIK Enhancements. Presented at the XIX Congress of the ESCRS, Amsterdam, The Netherlands. September 2, 2001.
307. Hardten, D.R., Lahnert, W.J., and Lindstrom, R.L.: Retrospective evaluation of the effectiveness and safety of 70% Isopropyl alcohol as an adjunct to mechanical scraping for the treatment of epithelial ingrowth following laser assisted in-situ keratomileusis (LASIK). Presented at the XIX Congress of the ESCRS, Amsterdam, The Netherlands. September 2-5, 2001.
308. Hardten, D.R.: New Uses of Wavefront Technology and Customized Ablations. Presented at the Laser Vision Center Pre-AAO Clinical Meeting, New Orleans, Louisiana. November 8, 2001.
309. Hardten, D.R.: Uses of Conductive Keratoplasty (CK) in our Practices. Presented at the Laser Vision Center Pre-AAO Clinical Meeting, New Orleans, Louisiana. November 8, 2001.
310. Lahnert, W.J., Hardten, D.R., Lindstrom, R.L.: Peripheral Keratitis after LASIK. Poster presented at the International Society of Refractive Surgery Fall Refractive Symposium, New Orleans, Louisiana. November 9, 2001.
311. Hardten, D.R.: Intraoperative Epithelial Trauma and Epithelial Ingrowth. Presented at the Refractive Surgery Interest Group, New Orleans, Louisiana. November 9, 2001.
312. Hardten, D.R.: Limitations of EyeTrackers. Presented at the International Society of Refractive Surgery Fall Refractive Symposium, New Orleans, Louisiana. November 9, 2001.
313. Anderson, N.J., Hardten, D.R., Davis, E.A., Schneider, T.L., Samuelson, T.W., Lindstrom, R.L.: Nomogram Considerations with the Technolas 217 Excimer Laser for the Treatment of Myopia and Myopic Astigmatism. Presented at the International Society of Refractive Surgery Fall Refractive Symposium, New Orleans, Louisiana. November 9, 2001.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

314. Hardten, D.R., Lahners, W.J., Davis, E.A., Lindstrom, R.L.: The Artisan Lens for High Myopia: Contrast Sensitivity Results. Presented at the International Society of Refractive Surgery Fall Refractive Symposium, New Orleans, Louisiana. November 9, 2001.
315. Hardten, D.R.: Roll On - Roll Off. Presented at the International Society of Refractive Surgery Fall Refractive Symposium, New Orleans, Louisiana. November 10, 2001.
316. Hardten, D.R., Rosheim, K.M., Samuelson, T.W.: Evaluation of Neuroprotective Qualities of Brimonidine during Laser In-Situ Keratomileusis (LASIK). Presented at the International Society of Refractive Surgery Fall Refractive Symposium, New Orleans, Louisiana. November 10, 2001.
317. Hardten, D.R.: Fifteen Pearls for Refractive Surgery. Presented at the American Academy of Ophthalmology Annual Meeting, New Orleans, Louisiana. November 11, 2001.
318. Hardten, D.R.: The Solution to Presbyopia with Refractive Surgery. Presented at the American Academy of Ophthalmology Annual Meeting, New Orleans, Louisiana. November 11, 2001.
319. Davis, E.A., Hardten, D.R., Lindstrom, M., Samuelson, T.W., Lindstrom, R.L.: LASIK Enhancements: A Comparison of Lifting to Recutting the Flap. Presented at the American Academy of Ophthalmology Annual Meeting, New Orleans, Louisiana. November 11, 2001.
320. Vukich, J.A., Hardten, D.R., Bylsma, S.S., Gimbel, H.V., Brown, D.C., Martin, R.G., Rowen, S., Dulaney, D.D.: Current Status of Implantable Contact Lens (ICL). Presented at the American Academy of Ophthalmology Annual Meeting, New Orleans, Louisiana. November 11, 2001.
321. Uttley, S.A., Lawrence, M.G., Hardten, D.R., Dvorak, J.A., Djalilian, A.R., Huang, A.J.W.: Methylene Blue Associated Corneal Decompensation. Poster Presented at the American Academy of Ophthalmology Annual Meeting, New Orleans, Louisiana. November 11, 2001.
322. Melki, S.A., Mackool, R.J., Hardten, D.R., Hannush, S.B., Azar, D.T., Davis, E.A., Rocha, G.: 101 Pearls in Refractive, Cataract, and Corneal Surgery. Presented at the American Academy of Ophthalmology Annual Meeting, New Orleans, Louisiana. November 11, 2001.
323. Hardten, D.R.: Comparison of Anterior and Posterior Chamber Phakic IOLs. Presented at the American Academy of Ophthalmology Annual Meeting, New Orleans, Louisiana. November 11, 2001.
324. Hardten, D.R.: Refractive Surgery: Which Procedure for Which Patient. Presented at the JCAHPO Annual Meeting, New Orleans, Louisiana. November 12, 2001.
325. Hardten, D.R.: Wavefront Technology and Customized Ablations. Presented at the JCAHPO Annual Meeting, New Orleans, Louisiana. November 12, 2001.
326. Hardten, D.R., McCarty, T.W., Lindstrom, R.L., Davis, E.A., Samuelson, T.W., Schneider, T.L., Lahners, W.J.: Comparison of LASIK Results with and without an Active Eyetracker. Presented at the American Academy of Ophthalmology Annual Meeting, New Orleans, Louisiana. November 12, 2001.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

327. Davis, E.A., Hardten, D.R., Lindstrom, M., Samuelson, T.W., Lindstrom, R.L.: LASIK Enhancements: Lifting versus Recutting the Flap. Presented at the American Academy of Ophthalmology Annual Meeting, New Orleans, Louisiana. November 12, 2001.
328. Solomon, K.D., Hardten, D.R., et. al.: Phacoemulsification Wet Lab. Presented at the American Academy of Ophthalmology Annual Meeting, New Orleans, Louisiana. November 13, 2001.
329. Hardten, D.R., Occhiutto, M.L., Fukasaku, H., Chayet, A.S., Doane, J.F., Lebuissou, A.D., Alio, J.L., Siganos, D.S., Lahners, W.J., Lombardo, A.J., Dahliwahl, D., Davis, E.A., Martiz, J.: LASIK Wetlab Skill Transfer Course. Presented at the American Academy of Ophthalmology Annual Meeting, New Orleans, Louisiana. November 13, 2001.
330. Hardten, D.R.: Use of Conductive Keratoplasty (CK) in My Practice. Presented at the American Academy of Ophthalmology Annual Meeting, New Orleans, Louisiana. November 13, 2001.
331. McCarty TM, Brown, MJ, Hardten, D.R., Lindstrom, RL, Davis, EA, Samuelson, TW. Tracking Eye Movements During LASIK: Assessing the Results of LASIK With and Without the VISX STAR S3 ActiveTrak Eyetracker. American Academy of Optometry Annual Meeting, Philadelphia, Pennsylvania. December 9, 2001.
332. Hardten, D.R.: The application and use of the WaveScan in today's clinical practice. Presented at the Royal Hawaiian Eye Meeting, Kona, Hawaii. January 24, 2002.
333. Hardten, D.R.: Use of Eyetrackers for Optimal Outcomes in LASIK. Presented at the Royal Hawaiian Eye Meeting, Kona, Hawaii. January 25, 2002.
334. Hardten, D.R.: Non-Laser alternative procedures. Presented at the CLAO Annual Meeting, Anaheim, California. January 31, 2002.
335. Hardten, D.R.: Unusual case presentations – Anterior Basement Membrane Dystrophy. Presented at the CLAO Annual Meeting, Anaheim, California. January 31, 2002.
336. Hardten, D.R.: Managing postoperative LASIK Complications. Presented at the CLAO Annual Meeting, Anaheim, California. February 1, 2002.
337. Hardten, D.R.: Cataract Surgery in the Previous Refractive Surgery Patient. Presented at the CLAO Annual Meeting, Anaheim, California. February 2, 2002.
338. Hardten, D.R.: Refractive Surgery vs. Contact Lenses. Presented at the CLAO Annual Meeting, Anaheim, California. February 2, 2002.
339. Hardten, D.R.: Refractive Surgery Training for Residents in Training Programs. Presented at the Association for University Professors Organization, Amelia Island, Florida. February 9, 2002.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

340. McCarty, T.M., Hardten, D.R., Anderson, N.J., Samuelson, T.W.: Assessment of Optic Nerve Parameters After Laser In-Situ Keratomileusis (Lasik) With and Without the Use of Brimonidine. Presented at the Association for Vision Research in Ophthalmology Annual Meeting, Fort Lauderdale, Florida. May 7, 2002.
341. Lindstrom, R.L., Hardten, D.R., Chittcharus, A., and Preschel, N.: Long-term Analysis of LASIK for the Correction of Refractive Errors after Penetrating Keratoplasty. Presented at the American Ophthalmological Society One-hundred and Thirty-eighth Annual Meeting, Sea Island, Georgia. May 20, 2002.
342. Lombardo, A.J., Hardten, D.R.: Association between Imitrex Use and Epithelial Defects During LASIK. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, Philadelphia, Pennsylvania. June 1, 2002.
343. Hardten, D.R.: Current Uses of Wavescan Aberrometry. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, Philadelphia, Pennsylvania. June 1, 2002.
344. Hardten, D.R.: Laser vs. Contact Lenses: Which to Choose? Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, Philadelphia, Pennsylvania. June 1, 2002.
345. Hardten, D.R.: Pearls for LASIK techniques. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, Philadelphia, Pennsylvania. June 1, 2002.
346. Hardten, D.R.: Video Comparison of ICL and Artisan Implantation Techniques. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, Philadelphia, Pennsylvania. June 1, 2002.
347. Hardten, D.R.: Treatment of Diffuse Lamellar Keratitis. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, Philadelphia, Pennsylvania. June 1, 2002.
348. Hardten, D.R.: Management and Prevention of LASIK Flap Complications. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, Philadelphia, Pennsylvania. June 2, 2002.
349. Hardten, D.R., Lindstrom, R.L.: Incidence of Ulcerative Keratitis and other Complications with LASIK versus Extended-Wear Contact Lenses. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, Philadelphia, Pennsylvania. June 2, 2002.
350. Hardten, D.R.: Infectious and Inflammatory Complications with LASIK. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, Philadelphia, Pennsylvania. June 2, 2002.
351. Hardten, D.R.: Enhancement Strategies in LASIK. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, Philadelphia, Pennsylvania. June 2, 2002.
352. Lindstrom, R.L. and Hardten, D.R.: Diagnostic Experience with the VISX Wavescan Aberrometer. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, Philadelphia, Pennsylvania. June 3, 2002.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

353. Hardten, D.R.: Tisseel Glue for Management of Recurrent Epithelial Ingrowth. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, Philadelphia, Pennsylvania. June 3, 2002.
354. Hardten, D.R.: Customized Ablations: Who are the Candidates? Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, Philadelphia, Pennsylvania. June 4, 2002.
355. Lombardo, A.J., DeMarchi, J.L., Hardten, D.R.: Variability in the Size and Regularity of the Steepened Cornea after Conductive Keratoplasty and Hyperopic LASIK. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, Philadelphia, Pennsylvania. June 4, 2002.
356. Lindstrom, R.L. and Hardten, D.R.: Night Vision with Larger Ablation Treatment Zones with the VISX STAR S3 Laser. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, Philadelphia, Pennsylvania. June 4, 2002. ****BEST PAPER OF THE SESSION****
357. Hardten, D.R., Lindstrom, R.L., and Nichamin, L.: Conductive Keratoplasty to Correct Hyperopia in Pseudophakic Eyes. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, Philadelphia, Pennsylvania. June 4, 2002.
358. Anderson, N.J., Hardten, D.R., Samuelson, T.W., and McCarty, T.M.: Effect of Brimonidine on Optic Nerve Parameters after LASIK. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, Philadelphia, Pennsylvania. June 4, 2002.
359. Chittcharus, A., Hardten, D.R., Lindstrom, R.L.: Conductive keratoplasty in Human Cadaver Eyes for Evaluation of Hyperopic and Hyperopic Astigmatic Patterns. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, Philadelphia, Pennsylvania. June 4, 2002.
360. Siganos, D.S., Daya, S.M., Hardten, D.R., Moedas, C.: Flap related complications of LASIK and their management. Presented at the European Society of Cataract and Refractive Surgery XX Annual Congress, Nice, France. September 9, 2002.
361. Hardten, D.R., Lindstrom, R.L.: Interesting Case Presentations using Wavefront Devices. Presented at the European Society of Cataract and Refractive Surgery XX Annual Congress, Nice, France. September 9, 2002. ****BEST PAPER OF THE SESSION****
362. Lindstrom, R.L., Hardten, D.R.: Refractive error analysis from experience with the VISX WaveScan aberrometer. Presented at the European Society of Cataract and Refractive Surgery XX Annual Congress, Nice, France. September 10, 2002.
363. Hardten, D.R., Lindstrom, R.L.: Night vision with larger ablation treatment zones with the VISX STAR S3 laser. Presented at the European Society of Cataract and Refractive Surgery XX Annual Congress, Nice, France. September 10, 2002. ****BEST PAPER OF THE SESSION****
364. Hardten, D.R., Lindstrom, R.L.: Comparison of Ulcerative Keratitis and Other Complications in LASIK vs. Extended Wear Contact Lenses. Presented at the European Society of Cataract and Refractive Surgery XX Annual Congress, Nice, France. September 10, 2002.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

365. Brown, M.J., Hardten, D.R., Knish, K.M.: Use of the Artificial Iris in Patients with Aniridia. Poster presented at the Annual Meeting of the American Academy of Optometry, San Diego, California. December 12, 2002.
366. McCarty, T.M., Hardten, D.R., Lindstrom, R.L.: Assessment of lower and higher order visual system aberrations using a wavefront analysis device. Poster presented at the Annual Meeting of the American Academy of Optometry, San Diego, California. December 13, 2002.
367. Snyder, B.J., Hardten, D.R., Lindstrom, R.L.: Subjective Changes In Night Vision After Large Optical Zone LASIK. Poster presented at the Annual Meeting of the American Academy of Optometry, San Diego, California. December 13, 2002.
368. Hardten, D.R.: Role of Phakic Intraocular Lenses in the Surgical Correction of Myopia and Myopic Astigmatism. Presented at the 2003 Meeting of the International Intraocular Implant Club, Maui, Hawaii. January 18, 2003.
369. Hardten, D.R.: Use of Scleral Fixation for Aniridic Implants in Special Situations. Presented at the 2003 Meeting of the International Intraocular Implant Club, Maui, Hawaii. January 18, 2003.
370. Hardten, D.R.: Comparison of Phakic Intraocular Lenses in 2003. Presented at the Hawaiian Eye Meeting, Maui, Hawaii. January 21, 2003.
371. Hardten, D.R.: Fibrin Glue for Recurrent Epithelial Ingrowth. Presented at the Hawaiian Eye Meeting, Maui, Hawaii. January 21, 2003.
372. Hardten, D.R.: Combination of Intacs and Conductive Keratoplasty for Keratoconus. Presented at the Hawaiian Eye Meeting, Maui, Hawaii. January 21, 2003.
373. Hardten, D.R.: Incorporating the Wavefront refraction into your refractive practice. Presented at the Hawaiian Eye Meeting, Maui, Hawaii. January 21, 2003.
374. Hardten, D.R.: Enhancement Strategies following LASIK. Presented at the Hawaiian Eye Meeting, Maui, Hawaii. January 21, 2003.
375. Hardten, D.R.: Improving the Quality of Refractive Data with Wavefront technology. Presented at the EyeWorld ASCRS Symposium on Wavefront Technology, San Francisco, California. April 11, 2003.
376. Hardten, D.R.: Pearls for Cataract Surgery: Calculating IOL Power after Refractive Surgery. Presented at the 2003 ASCRS Symposium on Cataract and Refractive Surgery, San Francisco, California. April 12, 2003.
377. Hardten, D.R.: Pearls for Cataract Surgery: Innovations in Dry Eye Treatment. Presented at the 2003 ASCRS Symposium on Cataract and Refractive Surgery, San Francisco, California. April 12, 2003.
378. Sierra-Wilkinson, P.S., Anderson, N.J., Hardten, D.R.: Management of Recurrent epithelial Ingrowth after LASIK with Fibrin Glue. Presented at the 2003 ASCRS Symposium on Cataract and Refractive Surgery, San Francisco, California. April 13, 2003.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

379. Lindstrom, R.L., Hardten, D.R.: Utilizing Aberrometers to define Refractive Surgery Corrections. Presented at the 2003 ASCRS Symposium on Cataract and Refractive Surgery, San Francisco, California. April 13, 2003.
380. Hardten, D.R.: The Use of the STAAR ICL. Presented at the 2003 ASCRS Symposium on Cataract and Refractive Surgery, San Francisco, California. April 13, 2003.
381. Hardten, D.R.: Achieving Quality of Refraction using Wavefront Technology. Presented at the 2003 ASCRS Symposium on Cataract and Refractive Surgery, San Francisco, California. April 13, 2003.
382. Hardten, D.R., Lindstrom, R.L.: Night Vision with large Optical Zone LASIK Corrections. Presented at the 2003 ASCRS Symposium on Cataract and Refractive Surgery, San Francisco, California. April 13, 2003.
383. Hardten, D.R.: Management of Common lasik Complications. Presented at the 2003 ASCRS Symposium on Cataract and Refractive Surgery, San Francisco, California. April 13, 2003.
384. Hardten, D.R.: Use of the Tracey Aberrometer in Unusual Cases. Presented at the 2003 ASCRS Symposium on Cataract and Refractive Surgery, San Francisco, California. April 13, 2003.
385. Hardten, D.R.: Five LASIK Pearls You Will Use. Presented at the 2003 ASCRS Symposium on Cataract and Refractive Surgery, San Francisco, California. April 13, 2003.
386. Hardten, D.R.: Two Year Results with Conductive Keratoplasty. Presented at the 2003 ASCRS Symposium on Cataract and Refractive Surgery, San Francisco, California. April 14, 2003.
387. Hardten, D.R.: Reshaping the Normal Myopic Cornea: Corneal Refractive Therapy. Presented at the 2003 ASCRS Symposium on Cataract and Refractive Surgery, San Francisco, California. April 14, 2003.
388. Hardten, D.R.: Treatment of Keratoconus Using Intracorneal Ring Segments and Conductive Keratoplasty. Presented at the 2003 ASCRS Symposium on Cataract and Refractive Surgery, San Francisco, California. April 14, 2003 ****BEST PAPER OF THE SESSION****
389. Hardten, D.R., Davis, E.A.: Quality Vision after Cataract Surgery. Keynote Lecture. Presented at the Primavera Congresso SOI Traumatologia Oculare 2003, Florence, Italy. May 22, 2003.
390. Hardten, D.R., Lindstrom, R.L.: Night Vision with LASIK using Larger Optical Zones. Presented at the Primavera Congresso SOI Traumatologia Oculare 2003, Florence, Italy. May 23, 2003.
391. Hardten, D.R., Lindstrom, R.L.: LASIK versus Phakic IOLs: An Evidence Based Analysis. Presented at the Primavera Congresso SOI Traumatologia Oculare 2003, Florence, Italy. May 23, 2003.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

392. Hardten, D.R.: Use of Fibrin Glue in Complex Cases of Epithelial Ingrowth. Presented at the Primavera Congresso SOI Traumatologia Oculare 2003. May 24, 2003, Florence, Italy. Hardten, D.R.: Importance of registration and tracking with wavefront. Presented at the XXI Congress of the ESCRS, Munich, Germany. September 8, 2003.
393. Hardten, D.R.: Fibrin glue for the management of recurrent epithelial ingrowth. Presented at the XXI Congress of the ESCRS, Munich, Germany. September 9, 2003.
394. Siganos, D., Daya, S., Hardten, D., Moedas, C.: Flap related complications and their management. Presented at the XXI Congress of the ESCRS, Munich, Germany. September 9, 2003.
395. Lindstrom, R.L., Hardten, D.R.: Improving the quality of refractive data with wavefront technology Presented at the XXI Congress of the ESCRS, Munich, Germany. September 9, 2003.
396. Hardten, D.R., Lindstrom, R.L.: Changes in patient subjective night vision with large optical zone LASIK corrections. Presented at the XXI Congress of the ESCRS, Munich, Germany. September 10, 2003.
397. Hardten, D.R., Lu, D.C., Koo, J.T., Lindstrom, R.L.: Wavefront Guided Ablations in Highly Aberrated Eyes with Preexisting Pathology. Presented at the International Society for Refractive Surgery and Refractive Surgery Interest Group at the Annual Meeting of the American Academy of Ophthalmology, Anaheim, California. November 14, 2003.
398. Lindstrom, R.L., Koo, J.T., Lu, D.C., Hardten, D.R.: Wavefront Guided Ablations for Enhancement of Previous Under corrected Standard LASIK Treated Eyes. Presented at the International Society for Refractive Surgery and Refractive Surgery Interest Group at the Annual Meeting of the American Academy of Ophthalmology, Anaheim, California. November 14, 2003.
399. Hardten, D.R.: Pupil Size Considerations for Custom Ablation. Presented at the International Society for Refractive Surgery and Refractive Surgery Interest Group at the Annual Meeting of the American Academy of Ophthalmology, Anaheim, California. November 15, 2003.
400. Hardten, D.R.: Phakic IOLs as an alternative to Keratorefractive Surgery. Presented at the Annual Meeting of the American Academy of Ophthalmology, Anaheim, California. November 16, 2003.
401. Hardten, D.R.: Which Refractive Procedure for Which Patient. Presented at the JCAHPO Annual Meeting at the American Academy of Ophthalmology, Anaheim, California. November 16, 2003.
402. Hardten, D.R.: Which Refractive Procedure for Which Patient. Presented at the JCAHPO Annual Meeting at the American Academy of Ophthalmology, Anaheim, California. November 16, 2003.
403. Hardten, D.R.: Current Status of the ICL. The Implantable Contact Lens, Vukich, J.A. Presented at the Annual Meeting of the American Academy of Ophthalmology, Anaheim, California. November 16, 2003.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

404. Hardten, D.R.: Developing the Optimal Wavefront Driven Shape. Understanding the Clinical Benefits of Wavefront Guided Ablation and Subjective Verification of Intended Wavefront Correction, Vukich, J.A. Presented at the Annual Meeting of the American Academy of Ophthalmology, Anaheim, California. November 16, 2003.
405. Hardten, D.R.: Management of Ectasia with Intacs and Conductive Keratoplasty. Refractive Surgical Disasters: Prevention and Management. Taravella, M.J. Presented at the Annual Meeting of the American Academy of Ophthalmology, Anaheim, California. November 17, 2003.
406. Hardten, D.R.: Management of Epithelial Ingrowth with Fibrin Glue. Refractive Surgical Disasters: Prevention and Management. Taravella, M.J. Presented at the Annual Meeting of the American Academy of Ophthalmology, Anaheim, California. November 17, 2003.
407. Hardten, D.R., Gosavi, V.J.: Discussion: Holland, S.P., Lin, D.T., Lee, T.L.: Avoidance of Ectasia Following LASIK with Reduced Residual Stromal Thickness. Presented at the Annual Meeting of the American Academy of Ophthalmology, Anaheim, California. November 17, 2003.
408. Hardten, D.R.: Management of Myopia with Implantable Devices. Lifetime Education of the Ophthalmologist Clinical Update Course on Refractive Management/Intervention, Lindstrom, R.L. Presented at the Annual Meeting of the American Academy of Ophthalmology, Anaheim, California. November 17, 2003.
409. Hardten, D.R.: Custom Results and Future Technology with the VISX Platform. Custom LASIK: Fundamentals of Wavefront Analysis and Wavefront-Guided Ablation, Machat, J.J. Presented at the Annual Meeting of the American Academy of Ophthalmology, Anaheim, California. November 18, 2003.
410. Hardten, D.R.: Adapting Your Practice to Include Wavefront LASIK Corrections. Presented at the Royal Hawaiian Eye Meeting, Kauai, Hawaii. January 30, 2004.
411. Hardten, D.R.: Management of Keratoconus with Intacs and Conductive Keratoplasty. Presented at the American College of Eye Surgeons, American Board of Eye Surgeons, and Society for Excellence in Eyecare Annual Meeting. Marco Island, Florida. March 2, 2004.
412. Hardten, D.R.: A Blueprint for Integrating Wavefront into a Clinic's Practice Flow. Presented at the EyeWorld Symposium at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. April 30, 2004.
413. Hardten, D.R.: Interim Analysis of Endothelial Cell Counts in the FDA Study of the Verisyse Phakic IOL. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 1, 2004.
414. Hardten, D.R.: Optimizing Wavefront Ablations with Key Technologies and Techniques: Putting wavefront to work: Clinical pearls to improve practice flow using wavefront technology. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 1, 2004.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

415. Velazquez-Estades, L.J., Wanger, A., Kellaway, J., Hardten, D.R., and Prager, T.C.: Microbial Contamination of Immersion Biometry Ultrasound Equipment. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 1, 2004.
416. Hardten, D.R.: Putting Wavefront to Work. Clinical Pearls to Improve Practice Flow Using Wavefront Technology. Presented the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 1, 2004.
417. Hardten, D.R.: Optimal Corneal Shape: Prolate versus Oblate. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 2, 2004.
418. Hardten, D.R.: Hyperopic Wavefront LASIK: More than Just a Different Ablation Pattern. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 2, 2004.
419. Lindstrom, R.L., Koo, J.T., Lu, D.C., Hardten, D.R.: Wavefront-Guided Ablation for Enhancement of Previously Undercorrected Standard LASIK. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 2, 2004.
420. Hardten, D.R.: Do All You Can to Avoid Recutting a LASIK Flap. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 2, 2004.
421. Hardten, D.R.: Intacs and Conductive Keratoplasty to Manage Corneal Ectasia. Presented the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 2, 2004.
422. Hardten, D.R.: Ten Pearls to Effectively Integrate Phakic IOLs into your Practice. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 2, 2004.
423. Hardten, D.R.: Evaluation of the Refractive Surgery Patient. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 2, 2004.
424. Hardten, D.R., Lindstrom, R.L.: Prolate vs. Oblate: Is there an Optimal Corneal Shape. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 2, 2004.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

425. Hardten, D.R.: Alternatives in the correction of hyperopia: Update on various corneal and lenticular techniques: Hyperopic Wavefront LASIK: More than Just a Different Ablation Pattern. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 2, 2004.
426. Hardten, D.R.: Enhancement Strategies after LASIK. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 2, 2004.
427. Hardten, D.R.: Intacs and Conductive Keratoplasty to Manage Corneal Ectasia. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 2, 2004.
428. Hardten, D.R.: Pearls in Phakic IOLs: 101 Pearls in Refractive & Corneal Surgery. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 2, 2004.
429. Hardten, D.R.: Novel Methods to Treat and Prevent LASIK Complications, The Use of Intacs and CK to treat Ectasia. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 4, 2004.
430. Hardten, D.R.: Novel Methods to Treat and Prevent LASIK Complications, The Use of Tisseel Glue in Recurrent Epithelial Ingrowth. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 4, 2004.
431. Hardten, D.R.: How to fit phakic IOLs into practice. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 4, 2004.
432. Hardten, D.R.: Reshaping the Normal Myopic Cornea: Corneal Refractive Therapy. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 4, 2004.
433. Hardten, D.R.: The Use of Intacs and Conductive Keratoplasty to Treat Ectasia. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 4, 2004.
434. Hardten, D.R.: The Use of Tisseel Glue in Recurrent Epithelial Ingrowth. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium on Cataract, IOL and Refractive Surgery, San Diego, California. May 4, 2004.
435. Hardten, D.R., Lindstrom, R.L.: Custom Ablations, Custom Enhancements, and Phakic IOLs, in Course 3310, Refractive Surgery and Intraocular Lenses, Presented at the American Optometric Academy Annual Meeting, June 26, 2004, Orlando, Florida.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

436. Vukich, J.A., Hardten, D.R., Koch, D., McDonald, M., Schallhorn, S.: Optimizing Wavefront Ablations with Key Techniques and Technologies. Course 570. Presented at the XXII Congress of the European Society of Cataract and Refractive Surgeons, September 19, 2004, Paris, France.
437. Hardten, D.R.: Optimizing Practice Flow with Wavefront ablations. Presented at the XXII Congress of the European Society of Cataract and Refractive Surgeons, September 19, 2004, Paris, France.
438. Hardten, D.R.: Endothelial Cell Count Analyses from the FDA Study of the Verisyse Phakic IOL. Presented at the XXII Congress of the European Society of Cataract and Refractive Surgeons, September 21, 2004, Paris, France.
439. Hardten, D.R., Lindstrom, R.L.: Visual Outcomes of prolate and oblate corneas after wavefront LASIK treatments. Presented at the XXII Congress of the European Society of Cataract and Refractive Surgeons, September 22, 2004, Paris, France.
440. Lindstrom, R.L., Hardten, D.R.: Maximizing the New Clinical and Business Opportunities with Wavefront Ablations. Presented at the European Society of Cataract and Refractive Surgeons Meeting, September 22, 2004, Paris, France.
441. Hardten, D.R., Chang, D.C., Koo, J.T., Lindstrom, R.L.: Wavefront-Guided Ablation for Enhancement of Residual Myopia and Astigmatism after LASIK. Presented at the International Society of Refractive Surgery, Refractive Surgery Interest Group, and the American Academy of Ophthalmology Annual Meeting, October 22, 2004, New Orleans, Louisiana.
442. Hardten, D.R.: Pathophysiology of Epithelial Ingrowth. Presented at the International Society of Refractive Surgery, Refractive Surgery Interest Group, and the American Academy of Ophthalmology Annual Meeting, October 22, 2004, New Orleans, Louisiana.
443. Stahl, J., Hardten, D.R., et. al.: LASIK Skills Lab. Presented at the American Academy of Ophthalmology Annual Meeting, October 24, 2004, New Orleans, Louisiana.
444. Packer, M., Hardten, D.R., et. al.: Phacoemulsification Skills Lab. Presented at the American Academy of Ophthalmology Annual Meeting, October 25, 2004, New Orleans, Louisiana.
445. Hardten, D.R.: Moving Beyond the Routine Use of Custom LASIK with Excellence in Enhancements. Presented at the American Academy of Ophthalmology Annual Meeting, October 24, 2004, New Orleans, Louisiana.
446. Vukich, J.A., Hardten, D.R., Schallhorn, S., Koch, D., McDonald, M.: Optimizing Wavefront Ablations with Key Techniques and Technologies. Presented at the American Academy of Ophthalmology Annual Meeting, October 26, 2004, New Orleans, Louisiana.
447. Hardten, D.R.: Maximizing Productivity of the Ophthalmic Office to Provide High Quality Outcomes with LASIK. Presented at the American Academy of Ophthalmology Annual Meeting, October 26, 2004, New Orleans, Louisiana.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

448. Hardten, D.R.: Visual Outcomes of Prolate and Oblate Corneas Following Wavefront LASIK Treatments. Presented at the American Academy of Ophthalmology Annual Meeting, October 26, 2004, New Orleans, Louisiana.
449. Hardten, D.R.: Which refractive surgery procedure for which patient. Presented at the American Academy of Ophthalmology JCAHPO Meeting, October 26, 2004, New Orleans, Louisiana.
450. Hardten, D.R.: Patient Selection for Phakic IOLs: Why, When and How. Presented at the American Academy of Ophthalmology Meeting, October 26, 2004, New Orleans, Louisiana.
451. Piovella, M., Hardten, D.R.: Understanding Phakic IOL Implantation: Why, When, and How. Presented at the American Academy of Ophthalmology Meeting, October 26, 2004, New Orleans, Louisiana.
452. Hardten, D.R.: Keys to success in Custom LASIK: Presented at the Korean VISX Users Group Meeting, December 7, 2004, Seoul, Korea.
453. Hardten, D.R.: Keys to success in Custom LASIK: Presented at the Chinese VISX Users Group Meeting, December 9, 2004, Beijing, China.
454. Hardten, D.R.: Keys to success in Custom LASIK: Presented at the Taiwanese VISX Users Group Meeting, December 12, 2004, Taipei, Taiwan.
455. Hardten, D.R.: Maximizing the Efficiency of Custom Ablation in Your Practice Flow. Presented at the Royal Hawaiian Eye Meeting, Kona, Hawaii, January 25, 2005.
456. Hardten, D.R.: Integrating Hyperopic Wavefront LASIK: Optimizing Results and Patient Experience. Presented at the EyeWorld Symposium at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 15, 2005, Washington, District of Columbia.
457. Hardten, D.R.: Intacs for Keratoconus: Our Experience. Presented at the Addition Technology Roundtable at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 16, 2005, Washington, District of Columbia.
458. Hardten, D.R.: Basic Concepts in Risk Management for Refractive Surgery. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 16, 2005, Washington, District of Columbia.
459. Hardten, D.R., McDonald, M.B., Koch, D.D., Assil, K., Jackson, W.B.: Risk Management in Refractive Surgery. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 16, 2005, Washington, District of Columbia.
460. Hardten, D.R.: Management of Ectasia with Intacs and Conductive Keratoplasty. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 16, 2005, Washington, District of Columbia.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

461. Trattler, W., Swanson, M.A., Hardten, D.R., Amoils, P., Boxer-Wachler, B., Smolek, M.: Ectasia: Risk Factors and Treatment Options. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 16, 2005, Washington, District of Columbia.
462. Hardten, D.R., Koch, D.D.: Fourier Analysis to Reduce Risk in Refractive Surgery. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 16, 2005, Washington, District of Columbia.
463. Hardten, D.R.: Management of Ectasia with Intacs and Conductive Keratoplasty. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 16, 2005, Washington, District of Columbia.
464. Lindstrom, R.L., Hardten, D.R., and Chang, D.H.: Wavefront Guided Excimer Laser Surface Ablation in Eyes with Significant Levels of Coma and Trefoil. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 16, 2005, Washington, District of Columbia.
465. Hardten, D.R.: Understanding Verisyse Intraocular Lens Implantation: Why, When, and How. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 17, 2005, Washington, District of Columbia.
466. Piovella, M., Baikoff, G.D., Slade, S.G., Guell, J.L., Hardten, D.R., Alio, J.L.: Understanding Phakic IOL Implantation: Why, When, and How. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 17, 2005, Washington, District of Columbia.
467. Davis, E.A., Lindstrom, R.L., Slade, S.G., Durrie, D.S., Probst, L., Hardten, D.R.: Topography Challenge: To Operate or Not: Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 17, 2005, Washington, District of Columbia.
468. Hardten, D.R.: Intacs and Conductive Keratoplasty for Keratoconus. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 17, 2005, Washington, District of Columbia.
469. McDonald, J.E., Asbell, P.A., Swanson, M.A., Hardten, D.R., Boxer-Wachler, B., Colin, J., Foraker, B., Jackson, M., Rabinowitz, Y., Schanzlin, D., Tran, D.: Stabilizing the Ectatic Cornea Through the Use of Intacs. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 17, 2005, Washington, District of Columbia.
470. Hardten, D.R.: Pearls for Hyperopic LASIK. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 17, 2005, Washington, District of Columbia.
471. Kohnen, T., Knorz, M.C., Koch, D.D., Guell, J.L., Hardten, D.R., Masket, S.: Alternatives for the Correction of Hyperopia: Update on Various Corneal and Lenticular Techniques. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 17, 2005, Washington, District of Columbia.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

472. Hardten, D.R.: Ten Pearls for Phakic IOL Success. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 17, 2005, Washington, District of Columbia.
473. Melki, S., Hardten, D.R., Azar, D., Rocha, G.: 101 Pearls in Corneal, Cataract, and Refractive Surgery. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 17, 2005, Washington, District of Columbia.
474. Hardten, D.R.: Cataract Surgery in the Patient with Previous Refractive Surgery. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 17, 2005, Washington, District of Columbia.
475. Prager, T.C., Hardten, D.R.: Immersion Biometry: Hints and Pearls. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 17, 2005, Washington, District of Columbia.
476. Hardten, D.R.: Basics of Wavefront. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 17, 2005, Washington, District of Columbia.
477. Hardten, D.R.: My Top Ten Pearls for LASIK. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 17, 2005, Washington, District of Columbia.
478. Hardten, D.R.: Optimizing Results and Patient Experience with Wavefront LASIK. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 18, 2005, Washington, District of Columbia.
479. Davis, E.A., Lindstrom, R.L., Hardten, D.R., Samuelson, T.W.: Piggyback IOL's for Adjustment of Refractive Errors. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 18, 2005.
480. Chang, D.H., Hardten, D.R., Lindstrom, R.L., and Davis, E.A.: Wavefront-Guided Enhancement for Residual Myopia and Astigmatism after LASIK. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 18, 2005, Washington, District of Columbia.
481. Vukich, J., Koch, D.D., Probst, L.E., Hardten, D.R.: Optimizing Results with Wavefront-Driven Ablations. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 18, 2005, Washington, District of Columbia.
482. Hovanesian, J.A., Hardten, D.R., Tseng, S.C., Kaufman, S.C.: Use of Fibrin Tissue Adhesive in Conjunctival, Corneal, and Refractive Surgery. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 18, 2005, Washington, District of Columbia.
483. Hardten, D.R.: Corneal Refractive Therapy as an Adjunct to a Refractive Surgery Practice. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 19, 2005, Washington, District of Columbia.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

484. Hardten, D.R.: The Use of Tisseel Adhesive for Management of Recurrent Epithelial Ingrowth. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 19, 2005, Washington, District of Columbia.
485. Hardten, D.R.: Regression Analysis Nomogram Development for Wavefront-Guided LASIK. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium and Congress, April 19, 2005, Washington, District of Columbia.
486. Hardten, D.R., Fahmy, A.M.: Primary Pterygia Removal with Conjunctival Autograft, Cauterized Punctal Occlusion, and Temporary Tarsorrhaphy. Presented at the Association for Research in Vision and Ophthalmology 2005 Annual Meeting, May 1, 2005, Fort Lauderdale, Florida.
487. Hardten, D.R.: Update on Corneal Refractive Surgery. Presented at the Minnesota Eye Consultants Annual Update Meeting. July 21, 2005, Bloomington, Minnesota.
488. Hardten, D.R.: Evaluating the Impact of Cyclotorsion and Pupil Centroid Shift. Presented at the VISX Media Day, August 8, 2005, Santa Clara, California.
489. Hardten, D.R., Vukich, J.A.: Refractive Surgery Controversies. Presented at the VISX Media Day, August 8, 2005, Santa Clara, California.
490. Hardten, D.R.: Hyperopic Wavefront LASIK: More than Just a Different Ablation Pattern. Presented at the XXIII Congress of the European Society of Cataract & Refractive Surgeons. Lisbon, Portugal, September 11, 2005.
491. Piovella, M., Alio, J., Baikoff, G., Camesasca, F.I., Guell, J., Budo, C., Hardten, D.R.: Understanding Phakic IOL Implantation: Why, When and How. Presented at the XXIII Congress of the European Society of Cataract & Refractive Surgeons. Lisbon, Portugal, September 11, 2005.
492. Agarwal, A., Alio, J., Agarwal, S., Hardten, D.R., Agarwal, A., Krueger, R.: Customized LASIK and Beyond. Presented at the XXIII Congress of the European Society of Cataract & Refractive Surgeons. Lisbon, Portugal, September 11, 2005.
493. Hardten, D.R.: Hyperopic Wavefront LASIK: More than Just a Different Ablation Pattern. Presented at the XXIII Congress of the European Society of Cataract & Refractive Surgeons. Lisbon, Portugal, September 11, 2005.
494. Piovella, M., Alio, J., Baikoff, G., Camesasca, F.I., Guell, J., Budo, C., Hardten, D.R.: Understanding Phakic IOL Implantation: Why, When and How. Presented at the XXIII Congress of the European Society of Cataract & Refractive Surgeons. Lisbon, Portugal, September 11, 2005.
495. Agarwal, A., Alio, J., Agarwal, S., Hardten, D.R., Agarwal, A., Krueger, R.: Customized LASIK and Beyond. Presented at the XXIII Congress of the European Society of Cataract & Refractive Surgeons. Lisbon, Portugal, September 11, 2005.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

496. Hardten, D.R.: Hyperopic Wavefront LASIK: More than Just a Different Ablation Pattern. Presented at the XXIII Congress of the European Society of Cataract & Refractive Surgeons. Lisbon, Portugal, September 11, 2005.
497. Piovella, M., Alio, J., Baikoff, G., Camesasca, F.I., Guell, J., Budo, C., Hardten, D.R.: Understanding Phakic IOL Implantation: Why, When and How. Presented at the XXIII Congress of the European Society of Cataract & Refractive Surgeons. Lisbon, Portugal, September 11, 2005.
498. Agarwal, A., Alio, J., Agarwal, S., Hardten, D.R., Agarwal, A., Krueger, R.: Customized LASIK and Beyond. Presented at the XXIII Congress of the European Society of Cataract & Refractive Surgeons. Lisbon, Portugal, September 11, 2005.
499. Hardten, D.R.: Why, When and How for the Verisyse Phakic IOL. Presented at the XXIII Congress of the European Society of Cataract & Refractive Surgeons. Lisbon, Portugal, September 11, 2005.
500. Lindstrom, R.L., Hardten, D.R.: The Clinical and Economic Impact of Lower Wavefront Retreatment Rates. Presented at the XXIII Congress of the European Society of Cataract & Refractive Surgeons. Lisbon, Portugal, September 13, 2005.
501. Hardten, D.R., Chang, D.C., Davis, E.A., Lindstrom, R.L.: Enhancement after Primary LASIK using Wavefront-Guided Excimer Laser for Residual Myopia and Astigmatism. Presented at the XXIII Congress of the European Society of Cataract & Refractive Surgeons. Lisbon, Portugal, September 13, 2005.
502. Hardten, D.R., Tamayo, G.E.F., Joo, C.K.: CustomVue Optimization Course. Korean Ophthalmology Society Meeting, October 8, 2005, Seoul, South Korea.
503. Hardten, D.R.: Importance of Cyclotorsion and Pupil Centroid Shift Compensation for Multifocal Ablations. Korean Ophthalmology Society Meeting, October 8, 2005, Seoul, South Korea.
504. Hardten, D.R.: Pearls to Optimize CustomVue Outcomes in Clinical Practice. Korean Ophthalmology Society Meeting, October 8, 2005, Seoul, South Korea.
505. Joo, C.K., Hardten, D.R., Tamayo, G.E.F.: Presbyopic Multifocal Wavefront-guided LASIK Considering Iris Registration and Pupil Centroid Shift. Korean Ophthalmology Society Meeting, October 9, 2005, Seoul, South Korea.
506. Hardten, D.R.: Impact of Iris Registration and Pupil Centroid Shift on Cylinder, Acuity and Visual Quality. Korean Ophthalmology Society Meeting, October 9, 2005, Seoul, South Korea.
507. Hardten, D.R.: Fitting and Calculating the Power of Phakic IOLs in our Refractive Surgical Practice. Presented at the International Society of Refractive Surgery/American Academy of Ophthalmology Subspecialty Day. October 15, 2005, Chicago, Illinois.
508. Hardten, D.R.: Phakic IOLs Breakfast with the Experts Leader. Presented at the American Academy of Ophthalmology Annual Meeting. October 16, 2005, Chicago, Illinois.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

509. Hardten, D.R.: Contact Lenses vs. Surgical Reshaping. Presented at the American Academy of Ophthalmology Annual Meeting CLAO Symposium. October 16, 2005, Chicago, Illinois.
510. Vukich, J.A., Hardten, D.R., McDonald, M.B., Koch, D.C., Schallhorn, S.C.: Optimizing Wavefront Ablations with Key Technologies and Techniques. Course Presented at the American Academy of Ophthalmology Annual Meeting. October 16, 2005.
511. Hardten, D.R.: Optimizing Custom Ablations with Nomograms, Physician Adjustments and Wavefront Adjusted Manifest Refraction. Presented at the American Academy of Ophthalmology Annual Meeting. October 16, 2005.
512. Stock, E.L., Stern, G.A., Chartrand, J.P., Fiol-Silva, Z., Forstot, S.L., Wohl, L.G., Koffler, B.H., Hardten, D.R., Donshik, P.C.: A New Look at Corneal Reshaping. Presented at the American Academy of Ophthalmology Annual Meeting. October 16, 2005, Chicago, Illinois.
513. Hardten, D.R.: Wavefront Guided LASIK Breakfast with the Experts Leader. Presented at the American Academy of Ophthalmology Annual Meeting. October 17, 2005, Chicago, Illinois.
514. Piovella, M., Alio, J.L., Baikoff, G.D., Camesasca, F.I., Hardten, D.R., Rosen, E.S., Slade, S.G., Dementiev, D.D.: Understanding Phakic IOL Implantation: Why, When, and How. Presented at the American Academy of Ophthalmology Annual Meeting. October 17, 2005, Chicago, Illinois.
515. Hardten, D.R.: Why, When, and How for the Verisyse Phakic IOL. Presented at the American Academy of Ophthalmology Annual Meeting. October 17, 2005, Chicago, Illinois.
516. Hardten, D.R., Knorz, M.: Applications in Multifocal IOLs: The New Frontier of Cataract and Refractive Surgery. Presented at the American Academy of Ophthalmology Annual Meeting. October 17, 2005, Chicago, Illinois.
517. Rosenthal, K.D., Doughman, D.J., Talley-Rostov, A.R., Hardten, D.R., Palmon, F.E., Burk, S.E., Vroman, D.T., Kohnen, T., Wallace, R.B., Blecher, M.H., Van Meter, W.S., Glikin, R.G., Snyder, D.A., Davison, J.A., Donnenfeld, E.D., Caspar, J.J.: Phacoemulsification Wet Lab. Presented at the American Academy of Ophthalmology Annual Meeting. October 17, 2005, Chicago, Illinois.
518. Stahl, J.E., Pallikaris, I.G., Alio, J.L., Ditzen, K.N., Collins, M.J., Wiggins, D.A., Hardten, D.R., Majmudar, P.A., Goyal, R.K., Kolettis, Y.N., Katsanevaki, V.: The Comprehensive LASIK Wet Lab. Presented at the American Academy of Ophthalmology Annual Meeting. October 18, 2005, Chicago, Illinois.
519. Hovanesian, J.A., Hardten, D.R., Tseng, S.C.G., Kaufman, S.C.: Use of Fibrin Tissue Adhesive in Conjunctival, Corneal, and Refractive Surgery. Course Presented at the American Academy of Ophthalmology Annual Meeting. October 18, 2005, Chicago, Illinois.
520. Hardten, D.R.: Fibrin Glue for Epithelial Ingrowth after LASIK. Presented at the American Academy of Ophthalmology Annual Meeting. October 18, 2005, Chicago, Illinois.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

521. Hardten, D.R.: Which Refractive Surgical Procedure for Which Patient. Presented at the JCAHPO Annual Educational Meeting. October 18, 2005, Chicago, Illinois.
522. Hardten, D.R.: Current Controversies in Laser Vision Correction. Presented at the Fifth Annual Primary Care Optometry News Symposium. New York, New York, November 20, 2005.
523. Hardten, D.R.: Intraocular Lens Options and Indications. Presented at the Fifth Annual Primary Care Optometry News Symposium. New York, New York, November 20, 2005.
524. Hardten, D.R.: Refractive Surgery Grand Rounds: When Does Additional Surgery Make Sense. Presented at the Fifth Annual Primary Care Optometry News Symposium. New York, New York, November 20, 2005.
525. Hardten, D.R.: Maximizing your success with phakic IOLs through Optimized Practice implementation. Presented at the Royal Hawaiian Eye Meeting. Kahului, Maui, Hawaii, January 17, 2006.
526. Hardten, D.R.: Taking hyperopic LASIK corrections to the next level. Presented at the Royal Hawaiian Eye Meeting. Kahului, Maui, Hawaii, January 18, 2006.
527. Vukich, J.A., McDonald, M.B., O'Brien, T.P., Hardten, D.R.: Expanded Indications and New Technologies for Optimizing Wavefront-guided laser vision correction results. Kahului, Maui, Hawaii, January 18, 2006.
528. Hardten, D.R.: How to Do CustomVue Enhancements. Presented at the Advanced Refractive Surgery Congress. Whisler, British Columbia, Canada, February 6, 2006.
529. Hardten, D.R.: Staged implantation: Selecting the optimal multifocal lens based on patient feedback. Presented at the Advanced Refractive Surgery Congress. Whisler, British Columbia, Canada, February 6, 2006.
530. Hardten, D.R.: Pre and Postoperative Care in Cataract and Refractive Surgery: Ocular Surface Management. Presented at the Southeastern Council of Optometry Meeting. Atlanta, Georgia, February 23, 2006.
531. Karpecki, P., Hardten, D.R., Severin, T, Bartlett, J., Sullivan, T.: What you do makes a difference. Presented at the Southeastern Council of Optometry Meeting. Atlanta, Georgia, February 23, 2006.
532. Hardten, D.R.: Treating LASIK Complications. Presented at the OptoVision West Meeting. Long Beach, California, March 10, 2006.
533. Hardten, D.R., Tooma, T., Schanzlin, D.: Refractive Surgery: Our Most Challenging Cases. Presented at the OptoVision West Meeting. Long Beach, California, March 11, 2006.
534. Darlington, J.K., Hardten, D.R.: Combination of Conductive Keratoplasty and Intacs to Reshape the Ectatic Cornea. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, San Francisco, California, March 18, 2006.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

535. Hardten, D.R.: Pearls for Hyperopic Custom Wavefront. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, San Francisco, California, March 18, 2006.
536. Hardten, D.R.: Video Pearls for Refractive Surgery. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, San Francisco, California, March 18, 2006.
537. Hardten, D.R., Lindstrom, R.L., Fogal, B.J.: Wavefront Guided Excimer Laser Surface Ablation in Eyes with Significant Levels of Coma and Trefoil. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, San Francisco, California, March 18, 2006.

556. Hardten, D.R.: Refractive Surgery Complications: Epithelial Ingrowth. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, San Francisco, California, March 20, 2006.
557. Hardten, D.R.: Tisseel Glue for Epithelial Ingrowth. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, San Francisco, California, March 20, 2006.
558. Lindstrom, R.L., Hardten, D.R., Davis, E.A.: Practical Applications of Bioptics in Extreme Myopia with the Verisyse Phakic IOL and Wavefront-Guided Excimer Laser Ablations. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, San Francisco, California, March 20, 2006. ****BEST PAPER OF SESSION****

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

559. Prager, T.C., Hardten, D.R.: Immersion Biometry: Hints and Pearls. Presented at the American Society of Cataract and Refractive Surgery Annual Meeting, San Francisco, California, March 21, 2006.
560. Hardten, D.R.: Enhancements for Hyperopic Surgery. Presented at the XXIV Congress of the European Society of Cataract and Refractive Surgery. London, United Kingdom, September 9, 2006.
561. Kohnen, T., Güell, J., Slade, S.G., Koch, D., Hardten, D.R.: Alternatives on the Correction of Hyperopia: Update on Various Corneal and Lenticular Techniques. Presented at the XXIV Congress of the European Society of Cataract and Refractive Surgery. London, United Kingdom, September 9, 2006.
562. Piovella, M., Baikoff, G., Alio, J.L., Hardten, D.R., Rosen, E., Dementiev, D.: Understanding Phakic IOL Implantation: Why, When, and How. Presented at the XXIV Congress of the European Society of Cataract and Refractive Surgery. London, United Kingdom, September 10, 2006.
563. Hardten, D.R., Lindstrom, R.L., Fogal, B.J.: Excimer Laser Surface Ablation with Wavefront-Guidance in Eyes with Significant Levels of Coma and Trefoil. Presented at the XXIV Congress of the European Society of Cataract and Refractive Surgery. London, United Kingdom, September 10, 2006.
564. Hardten, D.R.: Maximizing Your Success with Phakic IOLs through Optimized Practice Implementation. Presented at the XXIV Congress of the European Society of Cataract and Refractive Surgery. London, United Kingdom, September 10, 2006.
565. Packer, M., Hardten, D.R., Bucci, F.A., Knorz, M.C., Colvard, M., Pepin, S.M.: Achieving Success with Refractive IOLs: Clinical Results and Practical Pearls. Presented at the XXIV Congress of the European Society of Cataract and Refractive Surgery. London, United Kingdom, September 11, 2006.
566. Hardten, D.R.: Presbyopic IOLs: Managing Residual Dissatisfaction. Presented at the XXIV Congress of the European Society of Cataract and Refractive Surgery. London, United Kingdom, September 11, 2006.
567. Hardten, D.R.: Quality of Life after Refractive Lens Exchange. Presented at the XXIV Congress of the European Society of Cataract and Refractive Surgery. London, United Kingdom, September 11, 2006.
568. Hardten, D.R., Coleman, S., Stulting, R.D.: Comprehensive Surgical Options for the Correction of High Myopia. Presented at the XXIV Congress of the European Society of Cataract and Refractive Surgery. London, United Kingdom, September 11, 2006.
569. Hardten, D.R.: Management of the High Myope. Presented at the XXIV Congress of the European Society of Cataract and Refractive Surgery. London, United Kingdom, September 11, 2006.
570. Hardten, D.R.: Where Does Natural Lens Replacement Fit in the Management of the Extreme Myope. Presented at the XXIV Congress of the European Society of Cataract and Refractive Surgery. London, United Kingdom, September 11, 2006.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

571. Vukich, J.A., Hardten, D.R., Probst, L., Machat, J., Schallhorn, S., Knorz, M.: Optimization Of Wavefront Guided LASIK: Open Microphone Discussion With The Experts. Presented at the XXIV Congress of the European Society of Cataract and Refractive Surgery. London, United Kingdom, September 12, 2006.
572. Hardten, D.R.: Preoperative Evaluation for Custom Wavefront Guided LASIK. Presented at the XXIV Congress of the European Society of Cataract and Refractive Surgery. London, United Kingdom, September 12, 2006.
573. Chu, Y.R., Talley, A., Freedman, J., Hardten, D.R.: Contrast Sensitivity and Spherical Aberration in Cataract Surgery with Aspheric Modified IOLs. Presented at the XXIV Congress of the European Society of Cataract and Refractive Surgery. London, United Kingdom, September 12, 2006.
574. Tassignon, M.J., Vukich, J., Colin, J., Budo, C., Zaldivar, R., Baikoff, G., Hardten, D.R., Kohnen, T.: The Ideal Phakic IOL. International Society of Refractive Surgery of the American Academy of Ophthalmology ESCRS Symposium: The Expanding Frontier of Refractive Surgery Symposium. London, United Kingdom, September 12, 2006.
575. Hardten, D.R., Lindstrom, R.L., Davis, E.A.: Laser Vision Correction after Intraocular Lenses. Presented at the XXIV Congress of the European Society of Cataract and Refractive Surgery. London, United Kingdom, September 13, 2006.
576. Hardten, D.R., Lindstrom, R.L., Davis, E.A.: Laser Vision Correction after IOLs. Presented at Refractive Surgery 2006: The Times They Are A-Changing. International Society of Refractive Surgery of the American Academy of Ophthalmology Refractive Surgery Subspecialty Day Meeting, November 10, 2006, Las Vegas, Nevada.
577. Hardten, D.R., Milne, H., Wallace, R.B., Waltz, K., Herman, W., Schneider, D., Woodcock, M., Beiko, G.: Sharing clinical experiences with the ReZoom IOL: Expectation management, Surgical Planning and Pseudophakic Refractive Management. Presented at the American Academy of Ophthalmology EyeWorld Symposium, November 11, 2006, Las Vegas, Nevada.
578. Hardten, D.R.: Over one year of experience with multifocal IOLs: What have we learned? Presented at the American Academy of Ophthalmology EyeWorld Symposium, November 11, 2006, Las Vegas, Nevada.
579. Hardten, D.R.: Keys to Refractive Success with Multifocal IOLs. Presented at the Advanced Medical Optics Forum. November 11, 2006.
580. Hardten, D.R.: Wavefront Driven Custom Excimer Ablation. Breakfast with the Experts. Presented at the American Academy of Ophthalmology Annual Meeting, November 12, 2006, Las Vegas, Nevada.
581. Bucci, F.A., Hardten, D.R., Assil, K., Milne, H.: Achieving Success With Multifocal IOLs: Clinical Results and Practical Pearls. Presented at the American Academy of Ophthalmology Annual Meeting, November 12, 2006, Las Vegas, Nevada.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

582. Hardten, D.R.: Presbyopic IOLs: Managing Residual Dissatisfaction. Presented at the American Academy of Ophthalmology Annual Meeting, November 12, 2006, Las Vegas, Nevada.
583. Hardten, D.R., Lindstrom, R.L.: Excimer Laser Surface Ablation with Wavefront-Guidance in Eyes with Significant Levels of Coma or Trefoil. Poster presented at the American Academy of Ophthalmology Annual Meeting, November 12, 2006, Las Vegas, Nevada.
584. Hardten, D.R.: Uses of the Pentacam in a Complex Anterior Segment Practice. Presented at the American Academy of Ophthalmology Annual Meeting, November 12, 2006, Las Vegas, Nevada.
585. Hovanesian, J.A., Hardten, D.R., Tseng, S.C.G., Kaufman, S.C.: Use of Fibrin Tissue Adhesive and Amniotic Membrane in Conjunctival, Corneal, and Refractive Surgery. Presented at the American Academy of Ophthalmology Annual Meeting, November 12, 2006, Las Vegas, Nevada.
586. Hardten, D.R.: Use of Tisseel Glue for Epithelial Ingrowth. Presented at the American Academy of Ophthalmology Annual Meeting, November 12, 2006, Las Vegas, Nevada.
587. Hardten, D.R.: Phakic IOLs. Breakfast with the Experts. Presented at the American Academy of Ophthalmology Annual Meeting, November 13, 2006, Las Vegas, Nevada.
588. Kim, T., Hannush, S.B., Hardten, D.R., Kaufman, H.E., Koplun, R.S., Rapuano, C.: Innovative Uses of Adhesives in Corneal and Refractive Surgery. Presented at the American Academy of Ophthalmology Annual Meeting, November 13, 2006, Las Vegas, Nevada.
589. Hardten, D.R.: Management of Epithelial Ingrowth Using Tisseel Glue. Presented at the American Academy of Ophthalmology Annual Meeting, November 13, 2006, Las Vegas, Nevada.
590. Hardten, D.R., Culburtson, W.W.: Understanding the Application of Diffractive and Refractive IOL Technologies. Presented at the American Academy of Ophthalmology Annual Meeting, November 13, 2006, Las Vegas, Nevada.
591. Vukich, J.A., Schallhorn, S.C., Koch, D.D., Hardten, D.R.: Optimizing Wavefront Ablations with Key Technologies and Techniques. Presented at the American Academy of Ophthalmology Annual Meeting, November 13, 2006, Las Vegas, Nevada.
592. Hardten, D.R.: Preoperative Evaluation for Custom Wavefront Guided LASIK. Presented at the American Academy of Ophthalmology Annual Meeting, November 13, 2006, Las Vegas, Nevada.
593. Piovella, M., Alio, J.L., Baikoff, G.D., Camesasca, F., Dementiev, D., Hardten, D.R., Rosen, E.S., Slade, S.G.: Understanding Phakic IOL Implantation: Why, When, and How? Presented at the American Academy of Ophthalmology Annual Meeting, November 14, 2006, Las Vegas, Nevada.
594. Hardten, D.R.: Optimizing Your Success with Phakic IOLs through Optimized Practice Implementation. Presented at the American Academy of Ophthalmology Annual Meeting, November 14, 2006, Las Vegas, Nevada.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

595. Hardten, D.R.: Correcting the IOL Power Surprise. American Academy of Ophthalmology Spotlight on Pseudophakic IOLs 2006: Where Are We Now? Where Are We Going. Presented at the American Academy of Ophthalmology Annual Meeting, November 13, 2006, Las Vegas, Nevada.
596. Nevyas-Wallace, A., Caspar, J.J., Carlson, A., Chotiner, B., Chotiner, E., Doughman, D.J., Eisenberg, D., Freeman, J., Fry, L., Hardten, D.R., Kohnen, T., Loden, J., Michaelson, M., Nevyas, H., Palmon, F.E., Talley-Rostov, A.R., Tran, D., Visco, D., Vroman, D.T., Wallace, R.B.: Phacoemulsification Skills Transfer Session. Presented at the American Academy of Ophthalmology Annual Meeting, November 13, 2006, Las Vegas, Nevada.
597. Stahl, J.E., Pallikaris, I.G., Alio, J.L., Ditzen, K., Wiggins, D.A., Hardten, D.R., Majmudar, P.A., Goyal, R.K., Kolettis, Y.N., Katsanevaki, V.: The Comprehensive LASIK Course Skills Transfer Session. Presented at the American Academy of Ophthalmology Annual Meeting, November 14 2006, Las Vegas, Nevada.
598. Hardten, D.R.: Refractive Surgery: Which Surgery for Which Patient. Presented at the JCAHPO Annual Meeting at the American Academy of Ophthalmology, November 11, 2006.
599. Pham-Vang, S., Brown, M., Hardten, D.: A Case Controlled Retrospective Assessment of the Effects of Ocular Rosacea on Laser In-situ Keratomileusis (LASIK) Outcomes. Poster presented at the American Academy of Optometry Annual Meeting. December 10, 2006, Denver, Colorado.
600. Hardten, D.R.: Optimizing Results with Presbyopic IOLs Through Patient Selection and Post-Operative Enhancements. Presented at the Royal Hawaiian Ophthalmology Society Meeting, Kauai, Hawaii, January 15, 2007.
601. Hardten, D.R.: Using Bilateral Implantation of Multifocal IOLs. Presented at the Royal Hawaiian Ophthalmology Society Meeting, Kauai, Hawaii, January 17, 2007.
602. Hardten, D.R.: Blades versus Lasers for Astigmatism Correction. Presented at the Royal Hawaiian Ophthalmology Society Meeting, Kauai, Hawaii, January 17, 2007.
603. Hardten, D.R.: Update on CustomVue Laser Vision Corrections. Presented at the Royal Hawaiian Ophthalmology Society Meeting, Kauai, Hawaii, January 19, 2007.
604. Assil, K., Braga-Mele, R., Hardten, D.R., Herman, W., Logan, D., Milne, R., Talley-Rostov, A.: A Roadmap for Success with Multifocal IOLs. Presented at the EyeWorld Morning Symposium, San Diego, California, April 28, 2007.
605. Hardten, D.R.: Troubleshooting Unhappy Patients Post-operatively: Resolving induced and residual error after lens implantation. Presented at the EyeWorld Morning Symposium, San Diego, California, April 28, 2007.
606. Trattler, W., Binder, P., Dawson, D., Hardten, D.R., Smolek, M., Stulting, R.D., : Identifying Risk Factors for Ectasia: A Practical Approach. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium, San Diego, California, April 28, 2007.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

607. Hardten, D.R.: Surface Ablation for FFKC: Is this an option? Presented at the American Society of Cataract and Refractive Surgery Annual Symposium, San Diego, California, April 28, 2007.
608. Hardten, D.R.: Wavefront Excimer Laser Surface Ablation for Significant Levels of Coma and Trefoil. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium, San Diego, California, April 29, 2007. (BEST PAPER OF SESSION)
609. Hardten, D.R.: Refractive Surgery: Which Procedure for Which Patient. Presented at the JCAHPO Annual Meeting. San Diego, California, April 29, 2007.
610. Hardten, D.R., Devgan, U., Dewey, S.H., Fishkind, W.J., Franchini, A., McDonald, M.B., Vukich, J.A.: Refining Today's Refractive IOL Outcomes: Maximizing Range of Vision, Accelerating Visual Recovery and Ensuring Safety. Presented at the EyeWorld Morning Symposium, San Diego, California, April 30, 2007.
611. Hardten, D.R.: Roadmap for Success: Navigating the Myriad of Presbyopia-Correcting Lens Options and Combinations. Presented at the EyeWorld Morning Symposium, San Diego, California, April 30, 2007.
612. Hardten, D.R.: Microkeratome versus Laser Enhancements for Pseudophakic Patients Presented at the EyeWorld Morning Symposium, San Diego, California, April 30, 2007.
613. Hardten, D.R.: The Marriage of Interventional and Non-interventional Refractive Technologies in an Eye Care Practice. Richard L. Lindstrom, M.D. CLAO Lectureship. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium, San Diego, California, April 30, 2007.
614. Hovanesian, J.A., Hardten, D.R., Tseng, S.C.G., Kaufman, S.C.: Use of Fibrin Tissue Adhesive and Amnionic Membrane in Conjunctival, Corneal, and Refractive Surgery. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium, San Diego, California, April 30, 2007.
615. Hardten, D.R.: Fibrin Glue for Recurrent Epithelial Ingrowth. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium, San Diego, California, April 30, 2007.
616. Kim, T., Ayres, B.D., Hannush, S.B., Hardten, D.R., Kaufman, H.E., Koplín, R.S.: Innovative Uses of Adhesives in Corneal and Refractive Surgery. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium, San Diego, California, April 30, 2007.
617. Hardten, D.R.: Use of Fibrin Glue for Recurrent Epithelial Ingrowth. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium, San Diego, California, April 30, 2007.
618. Rubenstein, J., Bakewell, B.K., Davidorf, J.M., Dell, S.J., Doane, J.F., Feder, R.S., Hardten, D.R., Hill, W.E., Kim, T., Macsai-Kaplan, M.S., Miller, C.A., Nichols, B.D., Rao, S.N., Wallace, R.B., III: Limbal Relaxing Incisions Skills Transfer Session. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium, San Diego, California, April 30, 2007.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

619. Packer, M., Bucci, F.A., Hardten, D.R., Pepin, S.M., Smith, J.H.: Achieving Success with Refractive IOLs: Clinical Results and Practical Pearls. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium, San Diego, California, April 30, 2007.
620. Hardten, D.R.: Managing Residual Dissatisfaction after Presbyopic IOLs. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium, San Diego, California, April 30, 2007.
621. Hovanesian, J., McCune, D., Hardten, D.R.: Secrets to Growing the Use of Multifocal and Accommodating Intraocular Lenses in a Cataract Practice. Presented at the American Society of Ophthalmic Assistants Annual Meeting. San Diego, California, April 30, 2007.
622. Hovanesian, J., McCune, D., Hardten, D.R.: Giving Your Patient What They Want: Growing Presbyopic IOLs in Your Practice. Presented at the American Society of Ophthalmic Assistants Annual Meeting. San Diego, California, April 30, 2007.
623. Hardten, D.R., Lindstrom, R.L., Davis, E.A.: Results of the Use of Laser Vision Correction in Eyes with Intraocular Lenses. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium, San Diego, California, May 1, 2007.
624. Reeves, S.W., Pham-Vang, S., Hardten, D.R., Davis, E.A., Samuelson, T.W., Lindstrom, R.L.: Intraocular lens power calculations after myopic excimer laser refractive surgery: clinical outcomes and comparison of methods in 50 eyes. Poster P84 presented at the American Society of Cataract and Refractive Surgery Annual Symposium, San Diego, California, April 29 to May 1, 2007.
625. Hardten, D.R., Coleman, S., O'Brien, T.P., Stulting, R.D., Wallace, R.B.: Difficult Decisions in Corneal and Lens-Based Refractive Surgery. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium, San Diego, California, May 1, 2007.
626. Piovella, M., Baikoff, G., Hardten, D.R.: Understanding Phakic IOL Implantation: Why, When, and How. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium, San Diego, California, May 1, 2007.
627. Hardten, D.R.: Maximizing Your Success with Phakic IOLs Through Optimized Practice Implementation. Presented at the American Society of Cataract and Refractive Surgery Annual Symposium, San Diego, California, May 1, 2007.
628. Hardten, D.R.: Evaluation of an Isotonic Tear in Combination with Topical Cyclosporine. Poster presented at the XXV Congress of the European Society of Cataract and Refractive Surgery. Stockholm, Sweden, September 8-12, 2007.
629. Hardten, D.R., Coleman, S., O'Brien, T., Stulting, R.D.: Difficult decisions in lens based and corneal refractive surgery. Presented at the XXV Congress of the European Society of Cataract and Refractive Surgery. Stockholm, Sweden, September 10, 2007.
630. Hardten, D.R., Lindstrom, R.L., Davis, E.A.: Results of Laser Vision Correction in Eyes with Intraocular Lenses. Presented at the XXV Congress of the European Society of Cataract and Refractive Surgery. Stockholm, Sweden, September 10, 2007.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

631. Hardten, D.R.: Ectasia Risk Factors. Presented at the XXV Congress of the European Society of Cataract and Refractive Surgery. Stockholm, Sweden, September 11, 2007.
632. Piovella, M., Alio, J., Baikoff, G., Hardten, D., Dementiev, D., Rosen, E.: Understanding Phakic IOL Implantation: Why, When and How. Presented at the XXV Congress of the European Society of Cataract and Refractive Surgery. Stockholm, Sweden, September 11, 2007.
633. Hardten, D.R.: Maximizing Success of Phakic IOLs through Optimized Practice Implementation. Presented at the XXV Congress of the European Society of Cataract and Refractive Surgery. Stockholm, Sweden, September 11, 2007.
634. Vukich, J., Schallhorn, S., Probst, L., Machat, J., Knorz, M., Hardten, D.R.: Optimization of wavefront-Guided LASIK: Open Microphone Discussion with the Experts. Presented at the XXV Congress of the European Society of Cataract and Refractive Surgery. Stockholm, Sweden, September 11, 2007.
635. Hardten, D.R.: Laser Vision Enhancements. Presented at the XXV Congress of the European Society of Cataract and Refractive Surgery. Stockholm, Sweden, September 11, 2007.
636. Hardten, D.R.: Modern Imaging of the Anterior and Posterior Chamber for Phakic IOLs. Presented at the XXV Congress of the European Society of Cataract and Refractive Surgery. Stockholm, Sweden, September 11, 2007.
637. Uusitalo, R., Auffarth, G.U., Dick, H.B., Hardten, D.R., Colin, J., Marinho, A., Krootila, K., Gundersen, K.: Phakic IOLs: The State of the Art. Presented at the XXV Congress of the European Society of Cataract and Refractive Surgery. Stockholm, Sweden, September 11, 2007.
638. Hardten, D.R.: Evaluation of an Isotonic Tear in Combination with Topical Cyclosporine. Poster presented at the XXV Congress of the European Society of Cataract and Refractive Surgery. Stockholm, Sweden, September 8-12, 2007.
639. Hardten, D.R.: Keynote: Nomogram Development. Presented at Refractive Surgery 2007: What a Wonderful World, the International Society of Refractive Surgery of the American Academy of Ophthalmology (ISRS/AAO) Meeting, November 9, 2007, New Orleans, Louisiana.
640. Hardten, D.R., Davis, E.A., Lindstrom, R.L.: Results of the Use of Laser Vision Correction in Eyes with Multifocal IOLs. Presented at Refractive Surgery 2007: What a Wonderful World, the International Society of Refractive Surgery of the American Academy of Ophthalmology (ISRS/AAO) Meeting, November 9, 2007, New Orleans, Louisiana.
641. Hardten, D.R.: Break with the Experts: LASIK Complications. Results of the Use of Laser Vision Correction in Eyes with Multifocal IOLs. Presented at Refractive Surgery 2007: What a Wonderful World, the International Society of Refractive Surgery of the American Academy of Ophthalmology (ISRS/AAO) Meeting, November 9, 2007, New Orleans, Louisiana.
642. Hardten, D.R.: Refractive Surgery: Which Procedure for Which Patient. Presented at the JCAHPO Annual Education Meeting. November 10, 2007, New Orleans, Louisiana.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

643. Hardten, D.R.: Achieving a New Level of Safety and Efficacy for Retreatments. Presented at the EyeWorld Symposium on Defining State of the Art Laser Vision Correction: Providing Fully Customized Treatments through the Latest Generation Femtosecond and Excimer Laser Technology. November 11, 2007, New Orleans, Louisiana.
644. Hardten, D.R.: Cutting the LASIK Flap in 2007. Presented at the American Academy of Ophthalmology Annual Meeting Breakfast with the Experts. November 11, 2007, New Orleans, Louisiana.
645. Hardten, D.R.: Pearls for Using Phakic IOLs in your Practice. Presented at the American Academy of Ophthalmology Annual Meeting. November 11, 2007.
646. Piovella, M, Alio, J.L., Baikoff, G.D., Camesasca, F.I., Dementiev, D.D., Hardten, D.R.: Phakic IOL Implantation and New Technologies: Improving Patient Safety and Satisfaction. Presented at the American Academy of Ophthalmology Annual Meeting. November 11, 2007.
647. Hardten, D.R.: Use of Fibrin Sealant for Epithelial Ingrowth after LASIK. Presented at the American Academy of Ophthalmology Annual Meeting. November 11, 2007.
648. Kim, T., Hannush, S.B., Hardten, D.R., Kaufman, H.E., Ritterband, D.C., Rapuano, C.J.: Innovative Uses of Adhesives. Presented at the American Academy of Ophthalmology Annual Meeting. November 11, 2007.
649. Hardten, D.R.: Making Presbyopic IOLs Work in your Practice. Presented at the American Academy of Ophthalmology Annual Meeting Breakfast with the Experts. November 12, 2007, New Orleans, Louisiana.
650. Hardten, D.R.: Transitioning to the Use of the Femtosecond Laser for Flap Creation. Presented at the American Academy of Ophthalmology Annual Meeting. November 12, 2007.
651. Probst, L.E., Hardten, D.R., Dell, S.J., Davis, E.A., Donnenfeld, E.D.: Optimizing Custom LASIK with the Femtosecond Laser. Presented at the American Academy of Ophthalmology Annual Meeting. November 12, 2007.
652. Rosenthal, K.J., Lippman, J.I., Nevyas-Wallace, A., Carlson, A.N., Yung, C.W., Freeman, J.F., Caspar, J.J., Chotiner, B., Chotiner, E.A., Ditkoff, R.R., Doughman, D.J., Glikin, R.G., Hardten, D.R., Aljian, J.M., Loden, J.C., Michelson, M.A., Nevyas, H.J., Palmon, F.E., Roper, G.J., Sarkisian, S.R., Talley-Rostov, A.R., Tran, D.B., Wallace, R.B.: Phacoemulsification Wetlab. Presented at the American Academy of Ophthalmology Annual Meeting. November 12, 2007.
653. Hovanesian, J.A., Hardten, D.R., Kaufman, S.C., Tseng, S.C.G.: Use of Fibrin Tissue Adhesive and Amniotic Membrane in Conjunctival, Corneal, Cataract, and Refractive Surgery. Presented at the American Academy of Ophthalmology Annual Meeting. November 12, 2007.
654. Hardten, D.R.: Fibrin Glue for Reduction of Recurrence of Epithelial Ingrowth after LASIK. Presented at the American Academy of Ophthalmology Annual Meeting. November 12, 2007.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

655. Reinstein, D.Z., Slade, S.G., Durrie, D.S., Hardten, D.R., Tamayo, G.E., Holladay, J.T., Alio, J.L., Knorz, M.C.: A Step by Step Primer to Starting LASIK in 2007. Presented at the American Academy of Ophthalmology Annual Meeting. November 13, 2007.
656. Hardten, D.R.: General Inclusion and Exclusion Criteria Based on History. Presented at the American Academy of Ophthalmology Annual Meeting. November 13, 2007.

658. Hardten, D.R.: Laser Vision Correction Enhancements. Presented at the American Academy of Ophthalmology Annual Meeting. November 13, 2007.
659. Stahl, J.E., Pallikaris, I.G., Alio, J.L., Ditzen, K.N., Wiggins, D.A., Hardten, D.R., Majmudar, P.A., Goyal, R.K., Kolettis, Y.N., Pascucci, S.E., Pop, M.: Laser Refractive Surgery Wetlab. Presented at the American Academy of Ophthalmology Annual Meeting. November 13, 2007.
660. Duffey, R.D., Hardten, D.R.: U.S. Trends in Refractive Surgery: 2006 ASCRS Survey: Best of the Anterior Segment Specialty Meetings 2007. Presented at the American Academy of Ophthalmology Annual Meeting. November 13, 2007.
661. Hardten, D.R.: Troubleshooting Symptoms after Presbyopic IOL Implantation. Presented at the Hawaii 2008 Meeting, Kona, Hawaii, January 21, 2008.
662. Hardten, D.R.: Early Clues of Posterior Capsular Rupture. Presented at the Hawaii 2008 Meeting, Kona, Hawaii, January 22, 2008.
663. Hardten, D.R.: Laser Vision Correction in Eyes with Multifocal IOLs. Presented at the Hawaii 2008 Meeting, Kona, Hawaii, January 25, 2008.
664. Hardten, D.R.: Clinical Experience with Laser Vision Correction in Pseudophakia. VISX/AMO Users Group Meeting, ASCRS 2008, April 3, 2008, Chicago, Illinois.
665. Parekh, P.D., Hardten, D.R., Fahmy, M.: Outcomes of Presbyopic Intraocular Lenses. Poster Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 5-9, 2008, Chicago, Illinois.
666. Hardten, D.R., Steinert, R.F., Koch, D.D., Chu, Y.R., Hardten, D.R., Beiko, G.H., Donnenfeld, E.D., Vukich, J.A., McDonald, M.B.: Targeting Refractive Success for Cataract and Presbyopia Patients. EyeWorld ASCRS Symposium. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 5, 2008, Chicago, Illinois.
667. Hardten, D.R.: Custom Matching IOLs to Patient Needs: A Multi-Center Study. EyeWorld ASCRS Symposium. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 5, 2008, Chicago, Illinois.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

668. Kezirian, G.M., Lindstrom, R.L., Stonecipher, K.G., Slade, S.G., Craven, E.R., Rivera, R.P., Zaldivar, R., Lovisol, C.F., Hardten, D.R.: Ultrasound Essentials for Refractive Lens Surgeons. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 5, 2008, Chicago, Illinois.
669. Hardten, D.R.: Methods of Modern Imaging for the Anterior and Posterior Chamber. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 5, 2008, Chicago, Illinois.
670. Fishkind, W.J., Arshinoff, S.A., Bakewell, B.K., Black, B.C., Bond, W., Dewey, S.H., Grabow, H.B., Hardten, D.R., Hoffman, R.S., Katsev, D.A., Malyugin, B.E., Nixon, D.R., Serafano, D.N., Wallace, R.B., Weinstein, A.J.: Advanced Phaco Wetlab. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 5, 2008, Chicago, Illinois.
671. Hardten, D.R.: Innovative Uses of the Pentacam in a Complex Anterior Segment Practice. Presented at the Oculus Pentacam Breakfast, Symposium. ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 6, 2008, Chicago, Illinois.
672. Vukich, J.A., Schallhorn, S.C., Holladay, J.T., Hardten, D.R.: Use of the Pentacam in the Advanced Eye Care Practice. Presented at the Oculus Pentacam Breakfast, Symposium. ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 6, 2008, Chicago, Illinois.
673. Vukich, J.A., Schallhorn, S.C., Hardten, D.R., Machat, J.J., Probst, L.E.: Optimizing Results with Wavefront-Guided Ablations. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 6, 2008, Chicago, Illinois.
674. Hardten, D.R.: Optimizing Laser Vision Correction Enhancements. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 6, 2008, Chicago, Illinois.
675. Hovanesian, J.A., Hardten, D.R., Corcoran, K.J.: Secrets to Growing the use of Multifocal and Accommodating IOLs in your Cataract Practice. Presented at the ASCRS/ASOA Symposium on Cataract, IOL and Refractive Surgery, April 6, 2008, Chicago, Illinois.
676. Hardten, D.R.: Giving Your Patient what they Want: The Secret to Growing the use of Presbyopic IOLs in your Practice. Presented at the ASCRS/ASOA Symposium on Cataract, IOL and Refractive Surgery, April 6, 2008, Chicago, Illinois.
677. Reeves, S.W., Davis, E.A., Hardten, D.R., Holladay, J.T., Lindstrom, R.L., Randleman, J.B.: Corneal Evaluation of the Refractive Surgery Patient. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 7, 2008, Chicago, Illinois.
678. Hardten, D.R.: Systematic Evaluation of Corneal Topography. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 7, 2008, Chicago, Illinois.
679. Hardten, D.R., Davis, E.A., Lindstrom, R.L.: Using Laser Vision Correction to Retreat Eyes after Multifocal IOL Implantation. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 7, 2008, Chicago, Illinois.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

680. Koch, D.D., Maloney, R.K., Hardten, D.R., Dell, S.J., Sweeney, A.D., Wang, L.: Wavefront-Guided PRK in Eyes with Prior Radial Keratotomy: Multicenter Study. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 7, 2008, Chicago, Illinois.
681. Hardten, D.R.: Modern Intraocular Lenses. Presented at the ASCRS/ASOA Symposium on Cataract, IOL and Refractive Surgery, April 7, 2008, Chicago, Illinois.
682. Donnenfeld, E.D., Hardten, D.R., Holland, E.J., Lindstrom, R.L., Solomon, K.D.: Improving Cataract and Refractive Surgery Outcomes through Ocular Surface Optimization. EyeWorld ASCRS Symposium. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 7, 2008, Chicago, Illinois.
683. Hardten, D.R.: Refractive Intraocular Lenses and the Importance of the Ocular Surface. EyeWorld ASCRS Symposium. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 7, 2008, Chicago, Illinois.
684. Rubenstein, J.B., Bakewell, B.K., Davidorf, J.M., Dell, S.J., Doane, J.F., Feder, R.S., Goyal, R.K., Hardten, D.R., Hill, W.E., Kim, T., Majmudar, P.A., Miller, C.A., Miller, K.M., Nichamin, L.D., Nichols, B.D., Wallace, R.B.: Limbal Relaxing Incisions Skill Transfer Course. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 7, 2008, Chicago, Illinois.
685. Kim, T., Hannush, S.B., Hardten, D.R., Kaufman, H.E., Koplín, R.S., Rapuano, C.J.: Innovative Uses of Adhesives in Corneal and Refractive Surgery. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 7, 2008, Chicago, Illinois.
686. Hardten, D.R.: Fibrin Glue for Recurrent Epithelial Ingrowth after LASIK. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 7, 2008, Chicago, Illinois.
687. Fine, I.H., Hardten, D.R., Gross, H.J., Foster, C.S., Brown, L.K., Simerson, C.S., Bruno, S., Evans, S., Shuman, J.T.: Practice Management Pearls: The Physician and Administrator Team. Presented at the ASCRS/ASOA Symposium on Cataract, IOL and Refractive Surgery, April 7, 2008, Chicago, Illinois.
688. Trattler, W.B., Stulting, R.D., Binder, P.S., Hardten, D.R., Smolek, M.K., Dawson, D.G., Randleman, J.B.: Identifying Risk Factors for Ectasia: Practical Approach. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 7, 2008, Chicago, Illinois.
689. Lindstrom, R.L., Hardten, D.R., Davis, E.A.: Comparison of Epi-LASIK with Flap Removal and Alcohol-Assisted PRK. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 8, 2008, Chicago, Illinois.
690. Dementiev, D.D., Piovella, M., Baïkoff, G.D., Hardten, D.R., Slade, S.G.: Phakic IOL Implantation and New Technologies: Improving Patient Safety, Satisfaction, and Complication Management. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 8, 2008, Chicago, Illinois.
691. Hardten, D.R.: Maximizing Your Success with Phakic IOLs through Optimized Practice Implementation. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 8, 2008, Chicago, Illinois.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

692. Hovanesian, J.A., Hardten, D.R., Kaufman, S.C.: Use of Fibrin Tissue Adhesive in Conjunctival, Corneal, Cataract, and Refractive Surgery. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 8, 2008, Chicago, Illinois.
693. Hardten, D.R.: Use of Fibrin Glue for Recurrent Epithelial Ingrowth after LASIK. Presented at the ASCRS Symposium on Cataract, IOL and Refractive Surgery, April 8, 2008, Chicago, Illinois.
694. Sugar, A., LUCIDA (Lux Corneal Transplant Implant Development and Advancement of Therapy) Investigator Group. Design of Phase 2/3 Clinical Trial of a Cyclosporine A Eluting Implant, LX201, for the Prevention and Treatment of Corneal Allograft Rejection or Graft Failure in Patients at High Risk. Presented at the Association of Research in Vision and Ophthalmology Annual Meeting, April 28, 2008, Fort Lauderdale, Florida.
695. Hardten, D.R., Davis, E.A., Lindstrom, R.L.: Maximizing Visual Outcomes Using LASIK to Re-treat Eyes after Presbyopic Correcting IOL Implantation. Presented at the 2008 World Ophthalmology Congress. June 28, 2008, Hong Kong, China.
696. Hardten, D.R.: Preoperative Evaluation – Inclusion and Exclusion Criteria for LASIK Today. Presented at the 2008 World Ophthalmology Congress. July 2, 2008, Hong Kong, China.
697. Donnenfeld, E.D., Hardten, D.R.: Staged Implantation of Refractive IOLs: Optimizing Patient Satisfaction and Outcomes. Presented at the 2008 World Ophthalmology Congress. July 2, 2008, Hong Kong, China.
698. Dementiev, D., Piovella, M., Alio, J., Baikoff, J., Hardten, D.R., Slade, S.: Phakic IOL Implantation and New Technologies Improving Patient Safety, satisfaction and complications management. Presented at the XXVI Congress of the European Society of Cataract and Refractive Surgery. September 13, 2008, Berlin, Germany.
699. Hardten, D.R.: Maximizing your Success with Phakic IOLs through Optimized Practice Implementation. Presented at the XXVI Congress of the European Society of Cataract and Refractive Surgery. September 13, 2008, Berlin, Germany.
700. Hardten, D.R.: Staged Approach to Astigmatism Management in Patients with Presbyopic IOLs. Presented at the XXVI Congress of the European Society of Cataract and Refractive Surgery. September 15, 2008, Berlin, Germany.
701. Donnenfeld, E.D., Hardten, D.R., McDonald, M.B.: Astigmatism Management in IOL Patients: Evaluating available Options. Presented at the XXVI Congress of the European Society of Cataract and Refractive Surgery. September 15, 2008, Berlin, Germany.
702. Hardten, D.R.: Clinical Experience with ATLAS 9000 & Path Finder II Corneal Analysis Software. Presented at the XXVI Congress of the European Society of Cataract and Refractive Surgery. September 15, 2008, Berlin, Germany.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

703. Hardten, D.R., Davis, E.A., Lindstrom, R.L.: Using laser vision correction for management of residual refractive error after multifocal intraocular lens implantation. Presented at the XXVI Congress of the European Society of Cataract and Refractive Surgery. September 16, 2008, Berlin, Germany.
704. Hardten, D.R., Donnenfeld, E.D.: Patient-optimized staged implantation of presbyopia correcting IOLs. Poster presented at the XXVI Congress of the European Society of Cataract and Refractive Surgery. September 13-17, 2008, Berlin, Germany.
705. Hardten, D.R.: Patient-Optimized Staged Implantation of Presbyopia-Correcting IOLs. Poster presented at the Supbspecialty Day 2008 International Society of Refractive Surgery of the American Academy of Ophthalmology Meeting: Refractive Surgery: The Danger Zone, Atlanta, Georgia, November 7-8, 2008.
706. Hardten, D.R., Davis, E.A., Lindstrom, R.L.: Using Laser-Vision Correction for Management of Residual Refractive Error after Multifocal IOL Implantation. Poster presented at the Supbspecialty Day 2008 International Society of Refractive Surgery of the American Academy of Ophthalmology Meeting: Refractive Surgery: The Danger Zone, Atlanta, Georgia, November 7-8, 2008.
707. Hardten, D.R.: Understanding the Needs of the Presbyopic Patient. Presented at the Supbspecialty Day 2008 International Society of Refractive Surgery of the American Academy of Ophthalmology Meeting: Refractive Surgery: The Danger Zone, Atlanta, Georgia, November 7, 2008.
708. Hardten, D.R.: Refractive Surgery: Which Procedure for Which Patient? Presented at the JCAHPO Annual Meeting. Atlanta, Georgia, November 9, 2008.
709. Hardten, D.R.: Refractive Surgery Update 2008. Presented at the Association of Technical Personnel in Ophthalmology Annual Meeting. Atlanta, Georgia, November 8, 2008.
710. Hardten, D.R.: Grand Rounds Case Presentation: Refractive Surgery, at the Masters Level. Presented at the JCAHPO Annual Meeting. Atlanta, Georgia, November 9, 2008.
711. Hardten, D.R.: Making Presbyopic IOLs Work in Your Practice. Breakfast with the Experts. Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 9, 2008.
712. Davis, E.A., Randleman, J.B., Doane, J.F., Wu, H.K., Lindstrom, R.L., Nichamin, L.D., Hardten, D.R., Donnenfeld, E.D.: LEO Clinical Update Course on Refractive Surgery. Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 9, 2008.
713. Hardten, D.R.: Preoperative Evaluation of the Lenticular Refractive Patient. Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 9, 2008.
714. Hardten, D.R.: General Inclusion and Exclusion Criteria for LASIK. Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 9, 2008.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

715. Reinstein, D.Z., Slade, S.G., Durrie, D.S., Hardten, D.R., Tamayo, G.E., Holladay, J.T., Alio, J.L., Chayet, A.S.: ISRS/AAO Sponsored A Step-by-Step Primer to Starting LASIK in 2008. Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 9, 2008.
716. Kim, T., Hannush, S.B., Hardten, D.R., Kaufman, H.E., Ritterband, D.C., Rapuano, C.: Innovative Uses of Adhesives in Corneal and Refractive Surgery. Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 10, 2008.
717. Hardten, D.R.: Fibrin Adhesive for Recurrent Epithelial Ingrowth after LASIK. Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 10, 2008.
718. Piovella, M., Alio, J.L., Baikoff, G.D., Camesasca, F.I., Carones, F., Dementiev, D., Hardten, D.R., Slade, S.G.: ISRS/AAO Sponsored Phakic IOL Implantation and New Technologies: Improving Patient Safety and Satisfaction. Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 10, 2008.
719. Hardten, D.R.: Optimizing Use of Phakic IOLs in Your Practice. Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 10, 2008.
720. Lippman, J.I., Nevyas-Wallace, A., Yun, C.W., Freeman, J.F., Chotiner, B., Chotiner, E.A., Doughman, D.J., Gilkin, R.G., Hardten, D.R., Alijan, J.M., Loden, J.C., Michelson, M.A., Nevyas, H.J., Palmon, F.E., Roper, G., Sarkisian, S.R., Talley-Rostov, A.R., Fry, L., Hater, M.: Phacoemulsification Wetlab. Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 10, 2008.
721. Stahl, J.E., Alio, J.L., Ditzen, K., Wiggins, D.A., Hardten, D.R., Majmudar, P.A., Goyal, R.K., Kolettis, Y.N., Pop, M., Yeu, E., Dave, S.B., Eshbaugh, C.G., Waring, G.O.: Laser Refractive Surgery Wetlab. Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 10, 2008.
722. Chang, D.F., Packer, M., Donnenfeld, E.D., Hardten, D.R.: Spotlight on Cataract Surgery: Cataract Complications-Video Case Studies: Why? What Now? How? Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 10, 2008.
723. Hovanesian, J.A., Hardten, D.R., Kaufman, S.C., Agarwal, A.: Uses of Fibrin Tissue Adhesive and Amniotic Membrane in Conjunctival, Corneal, Cataract, and Refractive Surgery. Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 11, 2008.
724. Hardten, D.R.: Use of Fibrin Adhesive for Management of Epithelial Ingrowth after LASIK. Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 11, 2008.
725. Hardten, D.R., Bucci, F.A., Donnenfeld, E.D.: Roadmap to Success With Multifocal IOLs. Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 11, 2008.
726. Hardten, D.R.: Choosing Patients for Presbyopic IOLs. Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 11, 2008.

PRESENTATIONS AT MAJOR MEETINGS (CONTINUED):

727. Probst, L., Hardten, D.R., Dell, S.J., Davis, E.A., Donnenfeld, E.D.: Optimizing Custom LASIK with the Femtosecond Laser. Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 11, 2008.
728. Hardten, D.R.: Femtosecond for Flap Creation. Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 11, 2008.
729. Hovanesian, J.A., Hardten, D.R., Corcoran, K.J.: Secrets to Growing Your Use of Multifocal and Accommodative Lens Implants in Your Cataract Practice. Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 11, 2008.
730. Hardten, D.R.: Giving Your Patient What They Want: The Secret to Growing Presbyopic IOLs in Your Practice. Presented at the American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia, November 11, 2008.

PRESENTATIONS GIVEN LOCALLY:

1. Hardten, D.R.: The effect of continuous light on the progress of hereditary retinal degeneration. Student Research Forum, University of Kansas Medical Center, Kansas City, Kansas. March 21, 1985.
2. Hardten, D.R.: The red eye. Emergency Medicine Review Course, University of Minnesota, Minneapolis, Minnesota. March 10, 1990.
3. Hardten, D.R.: Overview of visual function. Physical Medicine Subspecialty Course, University of Minnesota, Minneapolis, Minnesota. April 13, 1990.
4. Hardten, D.R.: Dysthyroid optic neuropathy. Neuro-ophthalmology Conference, University of Minnesota, Minneapolis, Minnesota. May 10, 1990.
5. Hardten, D.R.: Retinoblastoma. Department of Pediatrics Conference, University of Minnesota, Minneapolis, Minnesota. July 6, 1990.
6. Hardten, D.R.: Anterior segment problems in children. Cornea Conference, University of Minnesota, Minneapolis, Minnesota. September 25, 1990.
7. Hardten, D.R., Holland, E.J., Doughman, D.J. and Nelson, J.D.: Postkeratoplasty astigmatism following transsclerally sutured posterior chamber lenses. University of Minnesota Residents Day, Minneapolis, Minnesota. December 8, 1990.
8. Hardten, D.R.: Role of the occupational and physical therapist in visual disorders and rehabilitation. Medical Science as Applied to Physical Medicine and Rehabilitation Course, Minneapolis, Minnesota. April 19, 1991.
9. Hardten, D.R.: Introduction to pathology immunology and microbiology. Ophthalmic Technologist Course, St. Paul Ramsey Medical Center, St. Paul, Minnesota. January 10, 1992.
10. Hardten, D.R.: Eyelids and lacrimal system. Ophthalmic Technologist Course, St. Paul Ramsey Medical Center, St. Paul, Minnesota. January 24, 1992.
11. Hardten, D.R.: Orbital disease. Ophthalmic Technologist Course, St. Paul Ramsey Medical Center, St. Paul, Minnesota. January 31, 1992.
12. Hardten, D.R.: Conjunctiva. Ophthalmic Technologist Course, St. Paul Ramsey Medical Center, St. Paul, Minnesota. February 7, 1992.
13. Hardten, D.R.: Cornea and sclera. Ophthalmic Technologist Course, St. Paul Ramsey Medical Center, St. Paul, Minnesota. February 14, 1992.
14. Hardten, D.R.: Lens. Ophthalmic Technologist Course, St. Paul Ramsey Medical Center, St. Paul, Minnesota. February 21, 1992.

PRESENTATIONS GIVEN LOCALLY (CONTINUED):

15. Hardten, D.R.: Glaucoma. Ophthalmic Technologist Course, St. Paul Ramsey Medical Center, St. Paul, Minnesota. February 28, 1992.
16. Hardten, D.R.: Optic nerve. Ophthalmic Technologist Course, St. Paul Ramsey Medical Center, St. Paul, Minnesota, March 6, 1992.
17. Hardten, D.R.: Retina and vitreous. Ophthalmic Technologist Course, St. Paul Ramsey Medical Center, St. Paul, Minnesota. March 13, 1992.
18. Hardten, D.R.: Intraocular tumors. Ophthalmic Technologist Course, St. Paul Ramsey Medical Center, St. Paul, Minnesota. March 27, 1992.
19. Hardten, D.R.: Basic ophthalmic microbiology and methods of obtaining and processing specimens for diagnosis. Continuing Education Program for Ophthalmic Medical Personnel, Brooklyn Park, Minnesota. May 16, 1992.
20. Hardten, D.R.: Computerized topography. Cornea Conference University of Minnesota, Minneapolis, Minnesota. September 8, 1992.
21. Hardten, D.R.: Update on ocular complications of Stevens-Johnson syndrome. University of Minnesota Resident's Day. December 12, 1992.
22. Hardten, D.R.: Visual disorders and the role of the occupational and physical therapist in visual rehabilitation. Medical Science as Applied to Physical Medicine and Rehabilitation Course, Minneapolis, Minnesota. May 3, 1993.
23. Hardten, D.R.: Cataract surgery, intraocular lenses and YAG laser. Continuing Education Program for Ophthalmic Medical Personnel, Brooklyn Park, Minnesota. May 22, 1993.
24. Hardten, D.R.: Basic ophthalmic microbiology: Methods of obtaining and processing specimens for diagnosis. Continuing Education Program for Ophthalmic Medical Personnel, Brooklyn Park, Minnesota. May 22, 1993.
25. Hardten, D.R.: Corneal topography - an overview. Continuing Education Program for Ophthalmic Medical Personnel, Brooklyn Park, Minnesota. May 22, 1993.
26. Hardten, D.R.: Corneal transplantation and corneal preservation. Continuing Education Program for Ophthalmic Medical Personnel, Brooklyn Park, Minnesota. May 22, 1993.
27. Hardten, D.R.: Basic eye examination. School of Medicine Basic Science Course. University of Minnesota, Minneapolis, Minnesota. June 22, 1993.
28. Hardten, D.R.: Sports injuries. Lion's Eye Bank Conference. Minneapolis, Minnesota. June 25, 1993.
29. Hardten, D.R.: Role of the ophthalmic medical assistant in cataract surgery. OTC Cataract Surgery Update. Minneapolis, Minnesota. September 17, 1993.

PRESENTATIONS GIVEN LOCALLY (CONTINUED):

30. Hardten, D.R.: Role of the ophthalmic medical assistant in cataract surgery. OTC Cataract Surgery Update. Minneapolis, Minnesota. September 18, 1993.
31. Hardten, D.R.: Complications of mitomycin-C in pterygium surgery. Phillips Eye Institute Rounds, Minneapolis, Minnesota. October 21, 1993.
32. Hardten, D.R.: Management of anterior corneal scars. Minneapolis Ophthalmology Society Meeting. Minneapolis, Minnesota. December 3, 1993.
33. Hardten, D.R.: Management of infectious keratitis. St. Paul Ramsey Ophthalmology Conference, St. Paul, Minnesota. January 28, 1994.
34. Hardten, D.R.: Overview of vision disorders for the occupational and physical therapist. Medical Science as Applied to Physical Medicine and Rehabilitation course, Minneapolis, Minnesota. April 14, 1994.
35. Hardten, D.R.: Excimer laser basics. Phillips Eye Institute Excimer laser course, Minneapolis, Minnesota. June 4, 1994.
36. Hardten, D.R.: Excimer laser PRK for Astigmatism and Hyperopia - Techniques and Results. Phillips Eye Institute Excimer laser course, Minneapolis, Minnesota. June 4, 1994.
37. Hardten, D.R.: Corneal topography for ophthalmologists. Noon conference, St. Paul Ramsey Medical Center, St. Paul, Minnesota. September 21, 1994.
38. Hardten, D.R.: Excimer laser basics. Allina Excimer laser course, Minneapolis, Minnesota. November 12, 1994.
39. Hardten, D.R.: Excimer laser PRK for Astigmatism and Hyperopia - Techniques and Results. Phillips Eye Institute Excimer laser course, Minneapolis, Minnesota. November 12, 1994.
40. Hardten, D.R.: Excimer laser basics. Midwest Ophthalmology Consultants Excimer laser course, Minneapolis, Minnesota. December 3, 1994.
41. Hardten, D.R.: Excimer laser PRK for Astigmatism and Hyperopia - Techniques and Results. Midwest Ophthalmology Consultants Excimer laser course, Minneapolis, Minnesota. December 3, 1994.
42. Hardten, D.R.: Refractive surgery basics. St. Paul Ramsey Ophthalmology Conference, St. Paul, Minnesota. December 6, 1994.
43. Lindstrom, R.L., and Hardten, D.R.: Refractive Surgery: Live Video Presentation, North Central States Optometric Conference, Minneapolis, Minnesota, January 28, 1995.
44. Hardten, D.R.: Overview of vision disorders for the occupational and physical therapist. Medical Science as Applied to Physical Medicine and Rehabilitation course, Minneapolis, Minnesota, May 9, 1995.

PRESENTATIONS GIVEN LOCALLY (CONTINUED):

45. Hardten, D.R.: Corneal topography: An overview. Continuing Education Program for Ophthalmic Medical Personnel, Minneapolis, Minnesota, May 21, 1995.
46. Hardten, D.R.: Refractive surgery for high myopia: Automated lamellar keratoplasty and astigmatic keratotomy. Continuing Education Program for Ophthalmic Medical Personnel, Minneapolis, Minnesota, May 21, 1995.
47. Goossen-Bryan, B., Williams, P., and Hardten, D.R.: Corneal Topography workshops. Continuing Education Program for Ophthalmic Medical Personnel, Minneapolis, Minnesota, May 21, 1995.
48. Hardten, D.R.: Allergic Eye Disease, Minnesota Optometric Association, Madeline Island, Wisconsin, August 19, 1995.
49. Hardten, D.R.: External Disease Update, Minnesota Optometric Association, Madeline Island, Wisconsin, August 19, 1995.
50. Hardten, D.R.: Penetrating Keratoplasty Update, Minnesota Optometric Association, Madeline Island, Wisconsin, August 19, 1995.
51. Hardten, D.R.: Refractive Surgery Update, Minnesota Optometric Association, Madeline Island, Wisconsin, August 19, 1995.
52. Hardten, D.R.: Co-management in Refractive Surgery, Willmar Refractive Surgery Seminar, Willmar, Minnesota, August 26, 1995.
53. Hardten, D.R.: Management of Corneal Lacerations and Lens Trauma, Phillips Eye Institute Ocular Trauma Course, Minneapolis, Minnesota, October 13, 1995.
54. Hardten, D.R.: Allergic Eye Disease, Minnesota Optometric Association Symposium on Systemic Medications, Vadnais Heights, Minnesota, October 14, 1995.

203. Hardten, D.R.: Accommodation with Wavefront. Complex Cases. Presented at Refractive Update Course, Phillips Eye Institute. November 1, 2003, Bloomington, Minnesota.
204. Hardten, D.R.: Acute Loss of Vision. Presented at the Regions Internal Medicine Conference, November 4, 2003, St. Paul, Minnesota.
205. Hardten, D.R.: Update and Future of VISX Wavefront Technology Presented at the TLCVision Clinical Advisors Group Meeting at the Annual American Academy of Ophthalmology Meeting, November 15, 2003, Anaheim, California.
206. Hardten, D.R.: The Use of Intacs and Conductive Keratoplasty for Ectatic Corneal Conditions. Presented at the TLC Vision Users Group Meeting at the Annual American Academy of Ophthalmology Meeting, November 16, 2003, Anaheim, California
207. Hardten, D.R.: Prolate vs. Oblate: Is There an Optimal Corneal Shape? Presented at the EyeWorld Symposium at the Annual American Academy of Ophthalmology Meeting, November 16, 2003, Anaheim, California.
208. Hardten, D.R.: Conductive Keratoplasty in a Comprehensive Refractive Surgery Practice. Presented at the Annual American Academy of Ophthalmology Meeting, November 17, 2003, Anaheim, California.
209. Hardten, D.R.: Is The Optimal Shape of the Cornea Wavefront, Prolate, or Oblate? Presented at the VISX Lecture Series at the Annual American Academy of Ophthalmology Meeting, November 17, 2003, Anaheim, California.
210. Hardten, D.R., Davis, E.A., Koo, J.T., and Lu, D.C.: VISX PRK and PTK Training Course, February 6-7, 2004, Minneapolis, Minnesota.
211. Hardten, D.R., Davis, E.A., Koo, J.T., and Lu, D.C.: Bausch & Lomb C-LASIK Training Course, February 7-8, 2004, Minneapolis, Minnesota.

PRESENTATIONS GIVEN LOCALLY (CONTINUED):

212. Hardten, D.R., Davis, E.A., Koo, J.T., and Lu, D.C.: VISX CustomVue LASIK Training Course, February 8, 2004, Minneapolis, Minnesota.
213. Hardten, D.R.: Top Ten Pearls for Success in LASIK. Presented at the Regions Medical Center Lecture Series. February 27, 2004, St. Paul, Minnesota
214. Hardten, D.R.: Management of Postoperative Cataract Complications. Presented at the Regions Medical Center Lecture Series. March 26, 2004, St. Paul, Minnesota.
215. Hardten, D.R.: LASIK Enhancement: To lift or recut. Presented at the William Beaumont Hospital Spring Cataract and Refractive Surgical Symposium: Breakfast with the Experts, Royal Oaks, Michigan, April 3, 2004.
216. Hardten, D.R.: Benefits of Wavefront Technology in your Practice. Presented at the William Beaumont Hospital Spring Cataract and Refractive Surgical Symposium: Breakfast with the Experts, Royal Oaks, Michigan, April 3, 2004.
217. Hardten, D.R.: Cataract Surgery in the Post-Refractive Surgical Patient. Presented at the William Beaumont Hospital Spring Cataract and Refractive Surgical Symposium: Breakfast with the Experts, Royal Oaks, Michigan, April 3, 2004.
218. Hardten, D.R.: Management of Intraoperative Cataract Complications. Presented at the Regions Medical Center Lecture Series. April 23, 2004, St. Paul, Minnesota.
219. Hardten, D.R.: Adapting Your Practice to Include Wavefront Corrections. Presented at the Comprehensive Ophthalmology Pearls VII Meeting, June 19, 2004, Nashville, Tennessee.
220. Hardten, D.R.: Dry Eye Management in the LASIK Patient. Presented at the Comprehensive Ophthalmology Pearls VII Meeting, June 19, 2004, Nashville, Tennessee.
221. Hardten, D.R.: Prevention, Identification, and Management of Epithelial Ingrowth. Presented at the Comprehensive Ophthalmology Pearls VII Meeting, June 19, 2004, Nashville, Tennessee.
222. Hardten, D.R.: Performing PRK using Mitomycin-C. Presented at the TLC Vision Session at the American Optometric Academy Annual Meeting, June 26, 2004, Orlando, Florida.
223. Lindstrom, R.L., Hardten, D.R., Davis, E.A.: Verisyse Phakic IOL Training Course, July 17, 2004, Minneapolis, Minnesota.
224. Hardten, D.R.: Postoperative Follow-up, Enhancements after Verisyse, Complications of Verisyse Implantation, Presented at the Verisyse Phakic IOL Training Course, July 17, 2004, Minneapolis, Minnesota.
225. Hardten, D.R.: Basics of Corneal Exam: Slit Lamp Exam and Charting. Presented at Regions Medical Center, July 23, 2004, St. Paul, MN.
226. Hardten, D.R.: Management of Dry Eye. Presented at the Allergan Noon Conference, July 28, 2004, Minneapolis, Minnesota.

PRESENTATIONS GIVEN LOCALLY (CONTINUED):

227. Hardten, D.R.: Dry Eye Management, Minnesota Eye Consultants Clinical Update, July 29, 2004, Minnetonka, Minnesota.
228. Hardten, D.R.: Clinical Research Update, Minnesota Eye Consultants Clinical Update, July 29, 2004, Minnetonka, Minnesota.
229. Hardten, D.R.: Corneal Topography Review. Presented at the Phillips Eye Institute Refractive Surgery Conference. August 3, 2004, Minneapolis, Minnesota.
230. Hardten, D.R.: CustomVue Update. Presented at the VISX Phone Conference. August 4, 2004, Minneapolis, Minnesota.
231. Hardten, D.R.: New Ideas in Antibiotic Use. Presented at the Allergan Noon Conference, August 5, 2004, St. Paul, Minnesota.
232. Hardten, D.R.: VISX CustomVue Wavescan Course. Presented at the VISX CustomVue Course, August 14, 2004, Dallas, Texas.
233. Hardten, D.R.: Pearls for LASIK Success: Presented at Regions Medical Center, August 27, 2004, St. Paul, MN.
234. Hardten, D.R.: Keys to success in Custom LASIK: Presented at the United Kingdom TLC Vision Users Group Meeting, September 23, 2004, London, United Kingdom.
235. Hardten, D.R.: Keys to success in Custom LASIK: Presented at the Republic of Ireland TLC Vision Users Group Meeting, September 24, 2004, Dublin, Republic of Ireland.
236. Hardten, D.R.: Complex Cataract Surgery: Presented at Regions Medical Center, September 24, 2004, St. Paul, MN.
237. Hardten, D.R.: Blepharitis and Ocular Surface Disease: Presented at Regions Medical Center, October 22, 2004, St. Paul, MN.
238. Hardten, D.R.: Pearls for Achieving Success with the Crystalens Accommodating Intraocular Lens. Presented at the American Academy of Ophthalmology Annual Meeting, October 23, 2004, New Orleans, Louisiana.
239. Hardten, D.R.: New Uses of Ray Tracing in Anterior Segment Conditions. Presented at the American Academy of Ophthalmology Annual Meeting, October 26, 2004, New Orleans, Louisiana.
240. Hardten, D.R.: Update on Refractive Surgery. Presented at the Phillips Eye Institute Refractive Rounds. November 4, 2004.
241. Hardten, D.R.: Management Techniques for the Dry Eye Patient. Presented at the Allergan Noon Conference, November 11, 2004, St. Paul, Minnesota.

PRESENTATIONS GIVEN LOCALLY (CONTINUED):

242. Hardten, D.R.: Keys to success in Custom LASIK: Presented at the Korean VISX Users Group Meeting, December 7, 2004, Seoul, Korea.
243. Hardten, D.R.: Keys to success in Custom LASIK: Presented at the Chinese VISX Users Group Meeting, December 9, 2004, Beijing, China
244. Hardten, D.R.: Keys to success in Custom LASIK: Presented at the Taiwanese VISX Users Group Meeting, December 12, 2004, Taipei, Taiwan.
245. Hardten, D.R.: Current Management protocols for prevention of infection and management of Dry Eye. Presented at the Allergan Evening Symposium, January 11, 2005, St. Paul, Minnesota.
246. Hardten, D.R.: Phakic Intraocular Lens and Extreme Myopia Pearls: Presented at Regions Medical Center, January 28, 2005, St. Paul, MN.
247. Hardten, D.R., Chang, D.H.: VISX PRK and PTK Training Course, February 4-5, 2005, Minneapolis, Minnesota.
248. Hardten, D.R., Chang, D.H.: Bausch & Lomb C-LASIK Training Course, February 5-6, 2005, Minneapolis, Minnesota.
249. Hardten, D.R., Chang, D.H.: VISX CustomVue LASIK Training Course, February 6, 2005, Minneapolis, Minnesota.
250. Hardten, D.R.: Special Use Intraocular Lenses at the Time of Cataract and Refractive Surgery. Presented at the Annual Utah Ophthalmology Society Meeting, February 25, 2005, Salt Lake City, Utah.
251. Hardten, D.R.: Intraocular Lens Calculations in Patients with Prior Refractive Surgery. Presented at the Annual Utah Ophthalmology Society Meeting, February 25, 2005, Salt Lake City, Utah.
252. Hardten, D.R.: Intraocular Lens Implantation in the Patient with Lax Zonules and Iris Abnormalities. Presented at the Annual Utah Ophthalmology Society Meeting, February 25, 2005, Salt Lake City, Utah.
253. Hardten, D.R.: Use of Custom Ablation in the Eye with Prior Refractive Surgery. Presented at the Annual Utah Ophthalmology Society Meeting, February 25, 2005, Salt Lake City, Utah.
254. Hardten, D.R.: Basics of Wavefront Technology for Refractive Surgery. Presented at the Pittsburgh Ophthalmology Society 41st Annual Spring Meeting, March 18, 2005, Pittsburgh, Pennsylvania.
255. Hardten, D.R.: Update on Phakic IOLs. Presented at the Pittsburgh Ophthalmology Society 41st Annual Spring Meeting, March 18, 2005, Pittsburgh, Pennsylvania.
256. Hardten, D.R.: Intraocular Lens Calculations after Refractive Surgery. Presented at the Pittsburgh Ophthalmology Society 41st Annual Spring Meeting, March 19, 2005, Pittsburgh, Pennsylvania.

PRESENTATIONS GIVEN LOCALLY (CONTINUED):

257. Hardten, D.R.: Complications of Refractive Surgery: Avoidance and Management. Presented at the Pittsburgh Ophthalmology Society 41st Annual Spring Meeting, March 19, 2005, Pittsburgh, Pennsylvania.
258. Hardten, D.R.: Anterior Segment Disease in Children: Presented at Regions Medical Center, March 25, 2005, St. Paul, MN.
259. Hardten, D.R.: Refractive Surgery: What's Best for My Problem. Presented at the Washington Academy of Eye Physicians and Surgeons Annual Meeting, April 1, 2005, Seattle, Washington.
260. Hardten, D.R.: Intraocular Lens Calculations after Refractive Surgery. Presented at the Washington Academy of Eye Physicians and Surgeons Annual Meeting, April 1, 2005, Seattle, Washington.
261. Hardten, D.R.: LASIK Complications: Avoidance and Management. Presented at the Washington Academy of Eye Physicians and Surgeons Annual Meeting, April 1, 2005, Seattle, Washington.
262. Hardten, D.R.: Phakic IOLs and Other New Technologies. Presented at the Washington Academy of Eye Physicians and Surgeons Annual Meeting, April 1, 2005, Seattle, Washington.
263. Hardten, D.R., Chang, D.H., Lindstrom, R.L.: Wavefront-Guided Surface Ablation in Eyes with Significant Coma and Trefoil. Eye Meeting of the Twin Cities. April 22, 2005, Minneapolis, Minnesota.
264. Hardten, D.R.: Management of Traumatic Anterior Segment Disease: Presented at Regions Medical Center, April 22, 2005, St. Paul, MN.
265. Hardten, D.R.: Basics of Topography and Wavefront. Presented at the St. Paul Technician Meeting, Bloomington, Minnesota, May 15, 2005.
266. Hardten, D.R.: Which Procedure Should Be Used for Which Patient. Presented at the St. Paul Technician Meeting, Bloomington, Minnesota, May 15, 2005.
267. Hardten, D.R.: Complications of Cataract Surgery and their Management: Presented at Regions Medical Center, May 27, 2005, St. Paul, MN.
268. Hardten, D.R.: Advanced Management of the Dry Eye Patient for the Glaucoma Specialist. Presented at the Glaucoma Consultant Meeting, Balboa Bay, California, June 11, 2005.
269. Hardten, D.R., Phillips, R., Lindstrom, R., Owen, R: Top Ten Things I've Learned about Custom LASIK. Presented at the American Optometric Association Annual Meeting, Dallas, Texas, June 25, 2005.
270. Hardten, D.R.: New Techniques for Management of Keratoconus: Presented at Regions Medical Center, June 24, 2005, St. Paul, MN.
271. Hardten, D.R.: Corneal Exam, Charting and Coding: Presented at Regions Medical Center, July 22, 2005, St. Paul, MN.

PRESENTATIONS GIVEN LOCALLY (CONTINUED):

272. Hardten, D.R.: Ophthalmic Instruments and their Design: Presented at Regions Medical Center, August 26, 2005, St. Paul, MN.
273. Hardten, D.R.: Current Management of Ocular Surface Disease. Presented at the Allergan Medical Update. September 17, 2005, Hershey, Pennsylvania.
274. Hardten, D.R.: Optimizing iris registration technology. Presented at the Advanced VISX Users Group CustomVue Course. September 20, 2005, Chicago, Illinois.
275. Hardten, D.R.: Pearls to Improve CustomVue Results. Presented at the Advanced VISX Users Group CustomVue Course. September 20, 2005, Chicago, Illinois.
276. Hardten, D.R.: Importance of the System Operator in Wavefront Corrections. Presented at the Advanced VISX Users Group CustomVue Course. September 20, 2005, Chicago, Illinois.
277. Hardten, D.R.: Avoiding Complications of Refractive Surgery. Presented at the University of Colorado School of Medicine Department of Ophthalmology Rocky Mountain Lions Eye Institute 9th Annual Ophthalmology Symposium. September 24, 2005, Aurora, Colorado.
278. Hardten, D.R.: IOL Calculations after Refractive Surgery. Presented at the University of Colorado School of Medicine Department of Ophthalmology Rocky Mountain Lions Eye Institute 9th Annual Ophthalmology Symposium. September 24, 2005, Aurora, Colorado.
279. Hardten, D.R.: New IOL Technology. Presented at the University of Colorado School of Medicine Department of Ophthalmology Rocky Mountain Lions Eye Institute 9th Annual Ophthalmology Symposium. September 24, 2005, Aurora, Colorado.
280. Hardten, D.R.: CustomVue Course. October 8, 2005, Seoul, South Korea.
281. Hardten, D.R.: Pearls for Achieving Success with Presbyopic Intraocular Lenses. Presented at the Kansas City Ophthalmology and Otolaryngology Annual Conference, January 6, 2006, Kansas City, Missouri.
282. Hardten, D.R.: Intraocular Lens Calculations in Patients with Prior Refractive Surgery. Presented at the Kansas City Ophthalmology and Otolaryngology Annual Conference, January 6, 2006, Kansas City, Missouri.
283. Hardten, D.R.: Intraocular Lens Calculations in Patients with Prior Refractive Surgery. Presented at the Kansas City Ophthalmology and Otolaryngology Annual Conference, January 6, 2006, Kansas City, Missouri.
284. Hardten, D.R.: Corneal and Lens Trauma Management. Presented at the Regions Resident Conference, January 27, 2006, St. Paul, Minnesota.
285. Hardten, D.R.: IOL Calculations in patients post-Refractive Surgery. Presented at the Arizona, Nevada and New Mexico Ophthalmology Society Meeting, May 20, 2006, Sedona, Arizona.

PRESENTATIONS GIVEN LOCALLY (CONTINUED):

286. Hardten, D.R.: Managing External Disease in patients undergoing Cataract and Refractive Surgery. Presented at the Arizona, Nevada and New Mexico Ophthalmology Society Meeting, May 21, 2006, Sedona, Arizona.
287. Hardten, D.R.: Advances in Cataract and Refractive Surgery. Presented at the Arizona, Nevada and New Mexico Ophthalmology Society Meeting, May 21, 2006, Sedona, Arizona.
288. Hardten, D.R.: Management of the IOL in Face of Poor Capsular Support. Presented at the Regions Resident Lecture Series. May 26, 2006, St. Paul, Minnesota.
289. Hardten, D.R.: Multifocal IOL Options. Presented at the Wisconsin Eye MD Spring Symposium. June 10, 2006, Waukesha, Wisconsin.
290. Hardten, D.R.: General Considerations for Treating Presbyopia. Presented at the Wisconsin Eye MD Spring Symposium. June 10, 2006, Waukesha, Wisconsin.
291. Hardten, D.R.: ReZoom Multifocal Intraocular Lens: Surgical Technique. Presented at the New York Multifocal IOL Course, June 25, 2006, New York, New York.
292. Hardten, D.R.: ReZoom Multifocal Intraocular Lens: Postoperative Management. Presented at the New York Multifocal IOL Course, June 25, 2006, New York, New York.
293. Hardten, D.R.: ReZoom Multifocal Intraocular Lens: Surgeon and CEO: Developing a Strong Lens-Based Refractive Business. Presented at the New York Multifocal IOL Course, June 25, 2006, New York, New York.
294. Hardten, D.R., Bucci, F., Greenberg, K.: ReZoom Multifocal Intraocular Lens: Multifocal IOL Case presentations. Presented at the New York Multifocal IOL Course, June 25, 2006, New York, New York.
295. Hardten, D.R.: ReZoom Multifocal Intraocular Lens: Surgical Technique. Presented at the Washington, D.C. Multifocal IOL Course, August 19, 2006, Washington, D.C.
296. Hardten, D.R.: ReZoom Multifocal Intraocular Lens: Pearls for Effective Pre-operative Management. Presented at the Washington, D.C. Multifocal IOL Course, August 19, 2006, Washington, D.C.
297. Hardten, D.R., Greenberg, K.: ReZoom Multifocal Intraocular Lens: Multifocal IOL Case presentations. Presented at the Washington, D.C. Multifocal IOL Course, August 19, 2006, Washington, D.C.
298. Hardten, D.R.: Protocols for Perioperative Care. Presented at the Davis Duehr Dean Clinical Conference, September 5, 2006, Madison, Wisconsin.
299. Hardten, D.R., Greenberg, K.: The Dallas Multifocal IOL Course, September 30, 2006, Dallas, Texas.
300. Hardten, D.R.: ReZoom Multifocal Intraocular Lens: Surgeon and CEO: Developing a Strong Lens-Based Refractive Business. Presented at the Dallas Multifocal IOL Course, September 30, 2006, Dallas, Texas.

PRESENTATIONS GIVEN LOCALLY (CONTINUED):

301. Hardten, D.R.: ReZoom Multifocal Intraocular Lens: Pearls for Effective Pre-operative Examination. Presented at the Dallas Multifocal IOL Course, September 30, 2006, Dallas, Texas.
302. Hardten, D.R.: ReZoom Multifocal Intraocular Lens: Surgical Technique. Presented at the Dallas Multifocal IOL Course, September 30, 2006, Dallas, Texas.
303. Hardten, D.R., Greenberg, K.: ReZoom Multifocal Intraocular Lens: Multifocal IOL Case presentations. Presented at the Dallas Multifocal IOL Course, September 30, 2006, Dallas, Texas.
304. Hardten, D.R.: ReZoom Multifocal Intraocular Lens: Getting to Yes: Updating Patient Conversations, Practice Management & Financing Options to Maximize Conversion. Presented at the Dallas Multifocal IOL Course, September 30, 2006, Dallas, Texas.
305. Hardten, D.R.: Using Pharmaceuticals to Improve Surgical Outcomes: An Evidence-Based Approach. Surgical Circles Tour Presentation, October 3, 2006, Minneapolis, Minnesota.
306. Hardten, D.R., Greenberg, K.: The San Francisco Multifocal IOL Course, October 7, 2006, San Francisco, California.
307. Hardten, D.R.: ReZoom Multifocal Intraocular Lens: Surgeon and CEO: Developing a Strong Lens-Based Refractive Business. Presented at the San Francisco Multifocal IOL Course, October 7, 2006, San Francisco, California.
308. Hardten, D.R.: ReZoom Multifocal Intraocular Lens: Pearls for Effective Pre-operative Examination. Presented at the San Francisco Multifocal IOL Course, October 7, 2006, San Francisco, California.
309. Hardten, D.R.: ReZoom Multifocal Intraocular Lens: Surgical Technique. Presented at the San Francisco Multifocal IOL Course, October 7, 2006, San Francisco, California.
310. Hardten, D.R., Greenberg, K.: ReZoom Multifocal Intraocular Lens: Multifocal IOL Case presentations. Presented at the San Francisco Multifocal IOL Course, October 7, 2006, San Francisco, California.
311. Hardten, D.R.: ReZoom Multifocal Intraocular Lens: Getting to Yes: Updating Patient Conversations, Practice Management & Financing Options to Maximize Conversion. Presented at the San Francisco Multifocal IOL Course, October 7, 2006, San Francisco, California.
312. Hardten, D.R.: Pearls for Presbyopic IOLs. Presented at the Hawaiian Ophthalmology Society Meeting, Honolulu, Hawaii, January 11, 2007.
313. Hardten, D.R.: Matching the Presbyopia Procedure with Patient Needs and Expectations. Presented at the Whisler Advanced Refractive Surgery Congress, Whistler, British Columbia, Canada, February 11, 2007.
314. Hardten, D.R.: Mixing and matching IOLs: Do you really need to be savvy with all multifocal IOLs. Presented at the Whisler Advanced Refractive Surgery Congress, Whistler, British Columbia, Canada, February 11, 2007.

PRESENTATIONS GIVEN LOCALLY (CONTINUED):

315. Reeves, S.W., Hardten, D.R.: Wavefront with IOLs and Lasers. Presented at the Minnesota Optometric Association 2007 Annual Meeting, Brooklyn Park, MN February 2, 2007.
316. Hardten, D.R.: Cataract Surgery after Refractive Surgery. Presented at the Montana Ophthalmology Society Annual Meeting. Big Sky, Montana, February 26, 2007.
317. Hardten, D.R.: Cataract Surgery in the patient with Lax Zonules and Iris Abnormalities. Presented at the Montana Ophthalmology Society Annual Meeting. Big Sky, Montana, February 26, 2007.
318. Hardten, D.R.: Presbyopic IOLs: Patient Selection and Results/Astigmatism and Postoperative Management. Presented at the Montana Ophthalmology Society Annual Meeting. Big Sky, Montana, February 26, 2007.
319. Hardten, D.R.: Managing Challenging Cataract Cases. Presented at the Montana Ophthalmology Society Annual Meeting. Big Sky, Montana, February 27, 2007.
320. Hardten, D.R.: Aspheric IOLs. Presented at the Montana Ophthalmology Society Annual Meeting. Big Sky, Montana, February 27, 2007.
321. Hardten, D.R.: VISX Excimer Laser Certification Course. Minneapolis, Minnesota, February 16-18, 2007.
322. Hardten, D.R., Davis, E.A., Riedel, P.J., Reeves, S.W.: LASIK Course. Minneapolis, Minnesota, February 16-18, 2007.
323. Hardten, D.R. : The Role of Ocular Dominance in Lens Selection. Presented at the Whistler Refractive IOL Invitational Summit, Whistler, British Columbia, Canada, March 25, 2007.
324. Hardten, D.R. : The Role of Ocular Dominance in Lens Selection. Presented at the Whistler Refractive IOL Invitational Summit, Whistler, British Columbia, Canada, March 25, 2007.
325. Hardten, D.R. : Timing Astigmatism Correction: Intraoperative vs. Post-Operative. Presented at the Whistler Refractive IOL Invitational Summit, Whistler, British Columbia, Canada, March 27, 2007.
326. Hardten, D.R.: Dual-Action Optive: Advanced Lubrication and Protection from Hypertonic Stress. Presented at the Corneal Health Market Guidance Program, Half Moon Bay, California, April 15, 2007.
327. Hardten, D.R.: Optive Clinical Data. Presented at the Corneal Health Market Guidance Program, Half Moon Bay, California, April 15, 2007.
328. Hardten, D.R.: LASIK and Refractive Vision Correction Procedures: All Rosy and Nice? Presented at the Minnesota Eye Consultants Perspectives on Eye Care Course. Minneapolis, Minnesota, April 19, 2007.
329. Hardten, D.R.: The Status of Eye Care 2007. Presented at the Minnesota Eye Consultants Perspectives on Eye Care Course. Minneapolis, Minnesota, April 19, 2007.

PRESENTATIONS GIVEN LOCALLY (CONTINUED):

330. Hardten, D.R.: Innovative Uses of the Pentacam in a Complex Anterior Segment Practice. Presented at the American Society of Cataract and Refractive Surgery Pentacam Lecture Series, San Diego, California, April 29, 2007.
331. Hardten, D.R.: Restasis Roundtable Presentation. Presented at the Allergan Restasis Roundtable, Omaha, Nebraska, May 15, 2007.
332. Hardten, D.R.: Overview of the Pentacam for Cornea and Anterior Segment Disease. Presented at the Phillips Eye Institute Refractive Rounds. Minneapolis, Minnesota, May 17, 2007.
333. Hardten, D.R.: Grand Rounds: Presbyopic IOL Corrections. Presented at the 30th Annual Conference of Regions Hospital Continuing Education for Ophthalmic Medical Personnel. Bloomington, Minnesota, May 20, 2007.
334. Hardten, D.R.: Refractive Surgery: Which Procedure for Which Patient? Presented at the 30th Annual Conference of Regions Hospital Continuing Education for Ophthalmic Medical Personnel. Bloomington, Minnesota, May 20, 2007.
335. Hardten, D.R., Katsev, D.: A Roadmap for Success with Refractive IOLs. Presented at the Refractive IOL Course. Dallas, Texas, June 9, 2007.
336. Hardten, D.R.: Patient and Lens Selection for Refractive IOLs. Presented at the Refractive IOL Course. Dallas, Texas, June 9, 2007.
337. Hardten, D.R.: Pseudophakic Refractive Management. Presented at the Refractive IOL Course. Dallas, Texas, June 9, 2007.
338. Hardten, D.R.: New IOL Technologies – Aspheric IOLs, Phakic IOLs, & Astigmatism Correction. Presented at the Virginia Society of Ophthalmology Annual Scientific Meeting. Richmond, Virginia, June 23, 2007.
339. Hardten, D.R.: IOL Calculations after Refractive Surgery. Presented at the Virginia Society of Ophthalmology Annual Scientific Meeting. Richmond, Virginia, June 23, 2007.
340. Hardten, D.R.: Cataract Surgery in the Patient with Previous Refractive Surgery. Presented at the XVII Curso de Fundación Oftalmológica Los Andes, June 28, 2007, Santiago, Chile.
341. Hardten, D.R.: Ten Pearls for Phakic IOL Success. Presented at the XVII Curso de Fundación Oftalmológica Los Andes, June 28, 2007, Santiago, Chile.
342. Hardten, D.R.: Optimizing Results and Patient Experience with Wavefront LASIK. Presented at the XVII Curso de Fundación Oftalmológica Los Andes, June 28, 2007, Santiago, Chile.
343. Hardten, D.R.: Presbyopic IOLs: Managing Residual Dissatisfaction. Presented at the XVII Curso de Fundación Oftalmológica Los Andes, June 28, 2007, Santiago, Chile.
344. Hardten, D.R.: Refractive IOL Complication Case: Crystalens Malposition. Presented at the XVII Curso de Fundación Oftalmológica Los Andes, June 28, 2007, Santiago, Chile.

PRESENTATIONS GIVEN LOCALLY (CONTINUED):

345. Hardten, D.R.: Management of Ectasia with Intacs and Conductive Keratoplasty. Presented at the XVII Curso de Fundación Oftalmológica Los Andes, June 29, 2007, Santiago, Chile.
346. Hardten, D.R.: The Use of Tisseel Adhesive for Management of Recurrent Epithelial Ingrowth. Presented at the XVII Curso de Fundación Oftalmológica Los Andes, June 29, 2007, Santiago, Chile.
347. Hardten, D.R.: How to make a proper Clear Cornea Incision. Presented at the SOURCE Meeting. July 21, 2007, Chicago, Illinois.
348. Hardten, D.R.: Screening and Selecting Presbyopia Correcting IOL Candidates. Presented at the SOURCE Meeting. July 21, 2007, Chicago, Illinois.
349. Hardten, D.R.: Astigmatism Correction with LRIs. Presented at the SOURCE Meeting. July 21, 2007, Chicago, Illinois.
350. Hardten, D.R.: What is the best way to manage IFIS? Presented at the SOURCE Meeting. July 21, 2007, Chicago, Illinois.
351. Hardten, D.R.: Refractive IOL Complication Case: Crystalens with Hyperopia. Presented at the SOURCE Meeting. July 21, 2007, Chicago, Illinois.
352. Solomon, K.D., Hardten, D.R., Chu, Y.R., Donnenfeld, E.D.: SOURCE Meeting. July 21, 2007, Chicago, Illinois.
353. Hardten, D.R.: Roadmap to Success in Presbyopic IOLs. Presented at the XXV Congress of the European Society of Cataract and Refractive Surgery. Stockholm, Sweden, September 9, 2007.
354. Hardten, D.R., Herman, W., Hohrman, D.F.: Roadmap to Success with Presbyopic IOLs Course. September 29, 2007, Boston, Massachusetts.
355. Hardten, D.R.: Patient and Lens Selection for Presbyopia Correcting IOLs. Presented at the Roadmap to Success with Presbyopic IOLs Course, September 29, 2007, Boston, Massachusetts.
356. Hardten, D.R.: Pseudophakic Refractive Management for Presbyopia Correcting IOLs. Presented at the Roadmap to Success with Presbyopic IOLs Course, September 29, 2007, Boston, Massachusetts.
357. Hardten, D.R.: Cataract Surgery after Refractive Surgery. Presented at the Nebraska Academy of Eye Physicians and Surgeons 2007 Fall Scientific Meeting, October 6, 2007, Omaha, Nebraska.
358. Hardten, D.R.: Laser Vision Correction Enhancements. Presented at the Nebraska Academy of Eye Physicians and Surgeons 2007 Fall Scientific Meeting, October 6, 2007, Omaha, Nebraska.
359. Hardten, D.R.: Presbyopic IOLs: Patient Selection and Results – Astigmatism and Postoperative Management. Presented at the Nebraska Academy of Eye Physicians and Surgeons 2007 Fall Scientific Meeting, October 6, 2007, Omaha, Nebraska.

PRESENTATIONS GIVEN LOCALLY (CONTINUED):

360. Hardten, D.R.: Interesting Applications of the Pentacam in an Anterior Segment Practice. Presented at the Pentacam Breakfast Symposium. November 10, 2007, New Orleans, Louisiana.
361. Hardten, D.R.: Interesting Applications of the Pentacam in a Refractive and IOL Practice. Presented at the American Academy of Ophthalmology Annual Meeting Exhibits. November 11, 2007, New Orleans, Louisiana.
362. Hardten, D.R.: Imaging for Phakic IOLs. Presented at the Sonomed Symposium on Anterior and Posterior Segment Imaging. November 11, 2007, New Orleans, Louisiana.
363. Hardten, D.R.: Roadmap to Success in Presbyopic IOLs for Japan. Presented at the Japanese Education Seminar for Presbyopic IOLs. November 12, 2007, New Orleans, Louisiana.
364. Hardten, D.R.: Roadmap to Success in Presbyopic IOLs. Presented at the Tokyo Presbyopic IOL Symposium 2008. January 27, 2008, Tokyo, Japan.
365. Hardten, D.R.: Should You Implant a Multifocal or Monofocal IOL in a Reduced Acuity Patient? Presented at the 2008 Cataract & Refractive Invitational Summit. February 11, 2008, Telluride, Colorado.
366. Hardten, D.R.: Pearls for Correcting Residual Spherical Error and Higher Order Aberrations after Lens Implants. Presented at the 2008 Cataract & Refractive Invitational Summit. February 12, 2008, Telluride, Colorado.
367. Hardten, D.R.: Laser Vision Correction or Phakic IOLs for High Myopia. Presented at the 2008 European Advanced Refractive Surgery Invitational. March 4, 2008, St. Moritz, Switzerland.
368. Hardten, D.R.: Custom Matching IOLs. Presented at the 2008 European Advanced Refractive Surgery Invitational. March 5, 2008, St. Moritz, Switzerland.
369. Hardten, D.R.: Presbyopic IOL Update. Presented at the 2008 Annual Conference of the Iowa Academy of Ophthalmology. Des Moines, Iowa, April 18, 2008.
370. Hardten, D.R.: IOL Calculations after Refractive Surgery. Presented at the 2008 Annual Conference of the Iowa Academy of Ophthalmology. Des Moines, Iowa, April 18, 2008.
371. Hardten, D.R.: Consensus Treatment Algorithm for Dry Eye by Delphi Panel. Presented at the Dry Eye Symposium. Las Vegas, Nevada, April 19, 2008.
372. Hardten, D.R.: Intraocular Lens Update 2008. TLCVision User Group Meeting, May 4, 2008, Kiawah Island, South Carolina.

PRESENTATIONS GIVEN LOCALLY (CONTINUED):

373. Hardten, D.R.: VISX 3.9 Software Update. TLCVision User Group Meeting, May 4, 2008, Kiawah Island, South Carolina.
374. Hardten, D.R.: Expanded Refractive Surgery Options. Minnesota Eye Consultants Perspectives in Eye Care. May 13, 2008, Bloomington, Minnesota.
375. Hardten, D.R.: Corneal Surgery and Refractive Intraocular Lenses and the Importance of the Ocular Surface. Presented at the Lansing Annual Symposium. June 11, 2008, Lansing, Michigan.
376. Hardten, D.R.: Cataract Surgery after Refractive Surgery. Presented at the Florida Ophthalmology Society Annual Meeting. June 21, 2008, West Palm Beach, Florida.
377. Hardten, D.R.: New Intraocular Lens Technologies. Presented at the Florida Ophthalmology Society Annual Meeting. June 21, 2008, West Palm Beach, Florida.
378. Hardten, D.R.: Presbyopic IOLs: Managing Residual Dissatisfaction. Presented at the Florida Ophthalmology Society Annual Meeting. June 22, 2008, West Palm Beach, Florida.
379. Hardten, D.R.: Update on What's New in Intraocular Lens Technologies. Presented at the Florida JCAHPO Annual Meeting. June 22, 2008, West Palm Beach, Florida.
380. Hardten, D.R.: Fibrin Glue for Management of Epithelial Ingrowth after LASIK. Presented at the Florida Ophthalmology Society Annual Meeting. June 22, 2008, West Palm Beach, Florida.
381. Hardten, D.R.: Surface Treatment for the Patient with Corneal Atypia. Presented at the Florida Ophthalmology Society Annual Meeting. June 22, 2008, West Palm Beach, Florida.
382. Hardten, D.R.: Intacs and Conductive Keratoplasty for Corneal Ectasia. Presented at the Florida Ophthalmology Society Annual Meeting. June 22, 2008, West Palm Beach, Florida.
383. Hardten, D.R.: Custom Matching IOLs to Patient's Needs. Presented at the Summer Advanced Refractive 2008 Meeting. July 20, 2008, Aspen, Colorado.
384. Hardten, D.R.: Management of the Dislocated IOL with Hyperopia. Presented at the Summer Advanced Refractive 2008 Meeting, Aspen, Colorado, July 23, 2008.
385. Hardten, D.R.: Updated Evaluation of Presbyopic IOLs. Presented at the University Ophthalmology Update. September 27, 2008, Kurashiki, Japan.
386. Hardten, D.R.: Patient Selection for Presbyopic IOLs. Presented at the University Roadmap to Success with Presbyopic IOLs. September 28, 2008, Kurashiki, Japan.
387. Hardten, D.R.: Premium Surgical Environment for Success with Presbyopic IOLs. Presented at the University Roadmap to Success with Presbyopic IOLs. September 28, 2008, Kurashiki, Japan.
388. Hardten, D.R.: Pseudophakic Refractive Management for Success with Presbyopic IOLs. Presented at the University Roadmap to Success with Presbyopic IOLs. September 28, 2008, Kurashiki, Japan.

PRESENTATIONS GIVEN LOCALLY (CONTINUED):

389. Hardten, D.R.: Cataract Surgery after Corneal Refractive Surgery. Presented at the Fall Cornea Symposium at the Medical College of Wisconsin Eye Institute. October 3, 2008.
390. Hardten, D.R.: Pearls for Success with the Intralase Laser. Presented at the Fall Cornea Symposium at the Medical College of Wisconsin Eye Institute. October 3, 2008.
391. Hardten, D.R.: Pentacam Imaging of the Anterior Segment in a Refractive and IOL Practice. Presented at the Oculus Pentacam Breakfast Symposium, Atlanta, Georgia, November 8, 2008.
392. Hardten, D.R.: Update on Anterior Segment Imaging. Presented at the American Academy of Ophthalmology Oculus Pentacam Symposium Series, Atlanta, Georgia, November 8, 2008.
393. Hardten, D.R.: Ocular Surface Stress Test. Presented at the American Academy of Ophthalmology Allergan Ophthalmology Symposium Series, Atlanta, Georgia, November 8, 2008.
394. Hardten, D.R.: Management of Infections and Inflammation with Refractive Surgery. Presented at the TLCVision Breakfast Symposium. December 2, 2008, Edina, Minnesota.

HONORS & AWARDS:

Qualified and listed at [Trusted LASIK Surgeons](#), an online LASIK Directory that screens surgeons based on experience, premier care and professional credentials 2009.

Top 50 Opinion Leaders Recognition. Cataract and Refractive Surgery Today 2006.

American Academy of Ophthalmology Senior Achievement Award, 2006.

Top 50 Opinion Leaders Recognition. Cataract and Refractive Surgery Today 2005.

LASIK Institute Refractive Research Initiative Award, 2001.

American Academy of Ophthalmology Achievement Award, 1999.

ARVO/National Eye Institute Fellow, 1994.

Castroviejo Corneal Society Fellowship Award, 1992.

Fison's Research Award, Contact Lens Association of Ophthalmologists, 1991.

Harry Plotke Outstanding Resident Award, Department of Ophthalmology, University of Minnesota, 1990.

Richard T. Olson Best Resident Teaching Award, Department of Ophthalmology, University of Minnesota, 1990.

Prevent Blindness/Preserve Hearing Research Award, 1990.

Richard T. Olson Best Resident Teaching Award, Department of Ophthalmology, University of Minnesota, 1989.

L.L. Marcell Award, Department of Internal Medicine, University of Kansas, 1986.

Alpha Omega Alpha, 1986.

Sigma Xi Scientific Research Society, 1985.

Russell Haden Student Research Award, 1985.

Phi Lambda Upsilon Honorary Chemical Society, 1983.

Lambda Sigma Honor Society, 1983.

Muchnic Foundation Scholarship, University of Kansas, 1981.

General Chemistry Outstanding Student Award, University of Kansas, 1980.

Constant Scholarship, University of Kansas, 1980.

University of Kansas Achievement Scholarship, 1979.

Freshman Engineering Scholar, University of Kansas, 1979.

Summerfield Scholar, University of Kansas, 1979.

National Merit Commended Student, 1979.

Eagle Scout, Boy Scouts of America, 1978.

National Honor Society, 1978.

PRODUCT DEVELOPMENT AND PATENTS:

U.S. Patent No. 5,928,140
USSN 08/920,128
Illuminated Iris Retractor Probe System
Date of Patent: July 27, 1999
Manufactured by Escalon-Trek
820 Swan Drive
Mukwonago, WI 53149

Hardten Design Artificial Iris
Morcher IOL Style 50 L
Overall Length 13.2 mm
Haptic 0.2 x 0.2 mm
May 30, 2000
Morcher GmbH
Kapuzinerweg 12
D-70374 STUTTGART
Germany

Hardten Design Artificial Iris
Morcher IOL Style 50 L
Overall Length 12.5 mm
Haptic 0.2 x 0.2 mm
May 30, 2000
Morcher GmbH
Kapuzinerweg 12
D-70374 STUTTGART
Germany

Hardten Adhesive LASIK Drain
Solan Ophthalmics Products, Xomed Surgical Products
Medtronics
Product Number 400126
6743 Southpoint Drive North
Jacksonville FL 32216-0980

Culbertson/Hardten Squeegee Forceps and Roller Pads
Solan Ophthalmic Products
6743 Southpoint Drive North
Jacksonville FL 32216-0980

Rhein Medical #08-16164
Hardten Double Ended LASIK Flap Lifter and Spatula
2001
Rhein Medical
5460 Beaumont Center Blvd., Suite 500
Tampa, Florida 33634

PRODUCT DEVELOPMENT AND PATENTS (CONTINUED):

Rhein Medical # 8-16165
Hardten LASIK Flap Epithelial Removal Platform
2002
Rhein Medical
5460 Beaumont Center Blvd., Suite 500
Tampa, Florida 33634

U.S. Patent No. 6,436,113
Burba, Thomas A., Hardten, David R., Sher, Neal A.
Eye Positioner
OccuGuard
Date of Patent: August 20, 2002
Manufactured by ESI, Inc.
2915 Everest Lane
Plymouth, MN 55447

Hardten Artisan Lens Insertion Forceps
Katena Products, Inc.
4 Stewart Court
Denville NJ 07834
