

I. GENERAL BIOGRAPHICAL INFORMATION

A. Personal

1. Name: **M. Bowes Hamill, M.D.**

2. Date of Birth: November 9, 1951; Citizenship: U.S.A.

B. Education: (include institution/location, degree, and dates of attendance)

1. Undergraduate Education:

1970-1974

University of North Carolina at Chapel Hill
Chapel Hill, North Carolina
Bachelor of Science in Zoology

1974-1975

University of North Carolina at Chapel Hill
Chapel Hill, North Carolina
(Enrolled in Masters Program in Zoology with research in molecular genetics - Dr. Michael Bleyman, Ph.D.)

2. Medical Education or Graduate Education (with thesis/dissertation title, advisor):

1975-1979

Baylor College of Medicine
Houston, TX
MD Degree

3. Postgraduate Training: residency, fellowship (clinical or research), with source of support and advisor, if relevant)

A. Internship: 1979-1980 St. Luke's Hospital, Baylor College of Medicine, Internal Medicine, Houston, TX (Dr. Irving Schweppe)

B. Residency: 1980-1983 Baylor College of Medicine, Ophthalmology Department, Houston, TX (Dr. David Paton, Dr. Dan B. Jones)

C. Fellowship in Research in Ocular Infectious and Inflammatory Disease: 1983-1984 Baylor College of Medicine, Houston, TX (Dr. Dan B. Jones)

D. Fellowship in Clinical in Cornea/Anterior Segment: 1984-1985 The Wilmer Institute, Johns Hopkins Hospital, Baltimore, Maryland (Dr. A. Edward Maumane, Dr. Walter J. Stark)

C. Academic Appointments: title and dates of appointment

1. Current faculty position(s) at BCM:

1993 to Present Associate Professor of Ophthalmology

1985-1993 Assistant Professor of Ophthalmology

1983-1984 Instructor of Ophthalmology (Concurrent with Fellowship)

M. Bowes Hamill, M.D.
Curriculum Vitae
Page 2

2. Previous faculty position(s) at other institutions:

1983 to 1986 - Clinical Instructor, Houston Fire Department, Paramedic Training Program, Houston, TX

1974 to 1975 - Teaching Assistantship, University of North Carolina at Chapel Hill, Department of Zoology, Chapel Hill, North Carolina

3. Courtesy faculty appointment(s) at other institutions while at BCM: N/A

D. Other advanced training/experience: (with locations, dates and sources of support)

1. Formal Sabbatical leave: N/A

2. Other specialized training following academic appointment:

A. DSEK/DMEK Course, Netherlands Institute for Innovative Ocular Surgery (NIIOS), Rotterdam, 2008

B. DMEK Course, Price Vision Group, Indianapolis, Indiana, 2009

E. Other information

1. Honors or Awards (titles, dates):

Second Year Residents Distinguished Faculty Award	1992
Dan B. Jones, M.D. Teaching Award Department of Ophthalmology	1995
ORBIS International, Inc. Medical Honoree of 15th Anniversary Gala	1997
Dan B. Jones, M.D. Teaching Award Department of Ophthalmology	1999
Senior Achievement Award AAO: The Board of Trustees	2003
Secretariat Award AAO: The Board of Trustees	2004
John W. Henderson Award Louisiana State University Health Sciences Center	2005
Texas Super Doctors	2007 to Present
Houston Top Doctors by H Texas Magazine	2009

2. Board Eligibility/Certification: 1984 - American Board of Ophthalmology

3. Other non-academic positions (with locations, titles, dates of employment):

N/A

II. RESEARCH INFORMATION

A. Research Support: for each Project identify:

The Role of Prostaglandins and Corneal Inflammation

Lion's Eye Bank

PI

01/06-12/86

\$10,000 - DIRECT COST FOR OVERALL PERIOD

Grant

Clinical Evaluation of Butyl Cyanoacrylate

No Funding Agency – Clinical Trial

PI

1990-1995

No Funding

Clinical Study

The Ultrastructure of Keratotomy with the Draeger Microkeratome Excimer Laser PRK for Correction of Myopia and Astigmatism (Nidek Technologies)

Storz Instrument Company

PI

1995-1995

\$2,500

Clinical Study

Five Year Follow-up of IMT-2 Patients, a Long-Term Monitoring Study of IMT-2 Patients

VisionCare Ophthalmic Technologies

PI

10/12/2007 – 10/02/2007

\$9,550

Clinical Study

OPHTECH Model 311 Iris Reconstruction Lens

OPHTECH USA, Inc.

PI

End Date 2/23/2007

No Funding

Clinical Study

Evaluation of the Morcher GMBH Capsular Tension (Endocapsular Ring) Investigation Device Exemptions (IDE) Study G960190

Morcher GmbH, Kaourinerweg 12I

PI

End Date 5/12/2006

No Funding

Clinical Study

Safety and Efficacy Assessment of the Implantable Miniature Telescope (IMT)

VisionCare Ophthalmic Technologies
PI
End Date 3/04/2004
\$3,415
Clinical Study

Safety and Efficacy Assessment of the Implantable Miniature Telescope (IMT)

Phase II
VisionCare Ophthalmic Technologies
PI
End Date 11/06/2005
Funded with: Five year follow-up of IMT 2
Clinical Study

VISX Custom Contoured Ablation Patter (Custom-Cap) for the Treatment of Decentered Ablations from Previous Laser Surgery

VISX Corporation
Co-Investigator
9/29/2006-7/18/2007
No Funding
Clinical Study

Review of IRIS Sutured Intraocular Lenses in Children

BCM (Internal Funding Only)
Co-Investigator
1/12/2007-12/18/2007
No Funding
Clinical Study

NIDEK EC-5000 Excimer Laser System for Photorefractive Surgery Performed as an Intrastromal Keratectomy Under a Keratomileusis Flap (NE76 LASIK Expanded Study)

NIDEK Technologies, Inc.
Co-Investigator
End Date: Closed
\$48,000
Clinical Study

A Prospective Study to Determine the Safety, Efficacy, and Acceptability of LASIK (Laser Assisted In Situ Keratomileusis) With the VISX STAR S2 Excimer Laser System for Treatment of Mixed Astigmatism with Cylinder $\leq +6.00$ Diopters (Spectacle Plane).

BCM (Internal Funding Only)
Co-Investigator
End Date: Closed
\$4,280
Clinical Study

The Effect of LASIK Flap Hinge Location on Corneal Sensation and Ocular Surface Homeostasis

American Medical Optics
Co-Investigator
End Date: Closed
No Funding
Clinical Study

A Propospective Study to Determine Safety and Effectiveness of WaveScan Derived Ablation Targets for the Treatment of Hyperopia with and without Astigmatism and Mixed Astigmatism with the VISX Star Excimer Laser System

VISX, Inc.

Co-Investigator
End Date: Closed
\$24,765
Clinical Study

Determination of Incidence of Cystoid Macular Edema After Routine Cataract Surgery in Eyes with Preexisting Epiretinal Membranes

BCM (Internal Funding Only)
Co-Investigator
End Date: Closed
No Funding
Clinical Study

A Propospective Study to Determine Safety and Effectiveness of WaveScan Guided LASIK for the Treatment of High Myopia with and without Astigmatism with the VISX Star S4 Excimer Laser System

VISX, Inc.

Co-Investigator
End Date: Closed
\$39,250
Clinical Study

Correction of Myopia and Astigmatism Associated with Keratoconus Using Intacs

BCM (Internal Funding Only)
Co-Investigator
End Date: Closed
No Funding
Clinical Study

M. Bowes Hamill, M.D.
Curriculum Vitae
Page 6

B. National Scientific Participation (include dates and titles):

1. Journal editorial boards, etc.:
 - a. Reviewer, New England Journal of Medicine
 - b. Reviewer, The Journal of Trauma
 - c. Reviewer, Cornea
 - d. Reviewer, The Journal of Cataract & Refractive Surgery
 - e. Reviewer, Ophthalmology
 - f. Reviewer, American Journal of Ophthalmology
2. Review panels, etc.: N/A
3. Professional societies etc.; elected positions, etc.

American Academy of Ophthalmology Resident Member - 1982 Member - 1984 Fellow - 1985	1982-Present
American Academy of Ophthalmology Maintenance of Certification Education Committee Member	2007-Present
American Academy of Ophthalmology Basic and Clinical Science Course (BCSC) Sec. 13: Refractive Surgery Member Subcommittee	2009-Present
American Medical Association	1986-2008
Texas Medical Association	1986-Present
Texas Ophthalmological Association	1989-Present
Houston Ophthalmological Society	1986-Present
Harris County Medical Society	1986-Present
Association for Research in Vision and Ophthalmology (ARVO)	1986-Present
Texas Society of Ophthalmology & Otolaryngology	1991-2004
Kerato-Refractive Society	1985-1986
Ocular Microbiology and Immunology Group	1985-1988
Pan American Association of Ophthalmology Board of Directors, Active Member	2007-2009

M. Bowes Hamill, M.D.
Curriculum Vitae
Page 7

Refractive Surgery Interest Group American Academy of Ophthalmology	1995-Present
American Society of Cataract and Refractive Surgery	1998-Present
International Society of Refractive Surgery	2003-Present

4. Invited lectures, presentations, research seminars (National, International):

The Astigmatic Effects of the 3.5 Millimeter Arch Incision For Cataract Extraction 32nd Annual Baylor Ophthalmology Alumni Association Houston, TX	1995
Astigmatic effects of a 3.2 mm "Arch" incision for rigid PMMA lens implantation Welsh Cataract Congress	1996
The Implantable Miniature Telescope: 12-Month Results of the US IMT-001 Clinical Trial in Patients with Stable Age-Related Macular Degeneration ARVO	2003
Fort Lauderdale, FL Initial Clinical results of Posterior Lamellar Keratoplasty Using a Descemet's Stripping Technique American Academy of Ophthalmology Chicago, IL	2005
Early Visual Results After Descemet's Stripping Posterior Lamellar Keratoplasty for Fuchs' Endothelial Dystrophy ASCRS San Francisco, CA	2006
Deep Anterior Lamellar Keratoplasty to Manage Ecstasia After Laser Refractive Surgery ASCRS San Francisco, CA	2006

M. Bowes Hamill, M.D.
Curriculum Vitae
Page 8

C. Publications: (usual bibliographic form for discipline: include dates and beginning and ending page numbers. It should be made clear which publications have resulted from work done at BCM and from work done elsewhere.)

1. Full papers:

a. published in peer review journals

Boniuk M, Hamill MB: The P³² test in the diagnosis of ocular melanoma--an unnecessary invasive test. Surv Ophthalmol, Vol 24, No 6, p 617, 1980.

Hamill MB, Suelflow J, Smith J: Transdermal Scopolamine Delivery System, "Transderm-V", and acute angle closure glaucoma--a case report. Annals of Ophthalmol, Vol 15, No 11, p 1011, 1983.

Hamill MB, Osato MS, Wilhelmus KR: Experimental evaluation of chlorehexidine gluconate for ocular antisepsis. Antimicrobial Agents and Chemotherapy, Vol 26, No 6, pp 793-796, 1984.

Pope-Pegram LD, Hamill MB: Post-traumatic subgaleal Hematoma with sub-periosteal orbital extension. Surv Ophthalmol, Vol 30, No 4, p 258, 1986.

Wilhelmus KR, Robinson NM, Font RA, Hamill MB, Jones DB: Fungal keratitis in contact lens wearers. Am J Ophthalmol, Vol 106, No 6, p 708, 1988.

3. Abstracts given during last three years:

Management of Ocular Graft versus Host Disease with Pseudomembranous Conjunctivitis: A Paradigm Shift. Hamill, M.B., Kim, Stella K., Couriel, D., Anderson, J., Ghosh, S., Pflugfelder, S.
World Cornea Congress, Washington, D.C., 2005

4. Books:

- a. complete books written (title, publishers, date): N/A
- b. books edited (include names of other editors): N/A
- c. book chapters written (include usual citations)

Gottsch JD, Stark WJ, Terry AC, Hamill MB, Raposa PA:
Management of complicated cataract using vitrectomy instruments. In Proceedings of Basic and Advanced Vitreous Surgery Course. A.E. Maumane, W.J. Stark, and I. Esente (Eds.), Rome, Italy, 1984.

Hamill MB, Stark WJ, Michels RG, Terry AC, Gottsch JD, Raposa PA: Vitrectomy techniques for the anterior segment surgeon. In Proceedings of Basic and Advanced Vitreous Surgery Course. A.E. Maumane, W.J. Stark, and I. Esente (Eds.), Rome, Italy, 1984.

Stark WJ, Terry AC, Stripe M, Michels RG, Hamill MB, Gottsch JD, Raposa PA: Surgical management of selected intraocular lens complications. In Proceedings of Basic and Advanced Vitreous Surgery Course. A.E. Maumane, W.J. Stark, and I. Esente (Eds.), Rome, Italy, 1984.

Raposa PA, Stark WJ, Terry AC, Hamill MB, Gottsch JD, Michels RG: Management of epithelial cysts and ingrowth. In Proceedings of Basic and Advanced Vitreous Surgery Course. A.E. Maumane, W.J. Stark, and I. Esente (Eds.), Rome, Italy, 1984.

Whitney CE, Stark WJ, Terry AC, Maumane AE, Hamill MB:
Technique including mechanized irrigation and aspiration. In Anterior Segment Surgery, IOLs, Lasers, and Refractive Keratoplasty. W.J. Stark, A.C. Terry, and A.E. Maumane (Eds.), Baltimore, Maryland, 1986.

Parke DW, Hamill MB: Injury to the eye. In Trauma. K.L. Mattox, E.E. Moore, D.V. Feliciano (Eds.), Houston, TX, 1987.

Hamill MB: Clinical Evaluation of Traumatized Eye. In Eye Trauma. B.J. Shingleton, P.S. Hersh, K.R. Kenyon (Eds.), St. Louis, Missouri, 1991.

Parke DW, Hamill MB: Injury to the Eye. In Trauma (Second Edition). K. L. Mattox, D. V. Feliciano (Eds.), Houston, TX, 1991.

Hamill MB: Ophthalmologic Complications. In Complications

Of Trauma. K.L. Mattox (Ed.), Houston, TX 1994

Hamill MB, Hoover JA: Ocular Trauma. In Recent Advances In Ophthalmology. B. Jay, C. M. Kirkness (Eds.), 1996

Hamill, MB: Corneal Injury. In Cornea. J.H. Krachmer, M.J. Mannis, E.I. Holland (Eds.), 1996.

Hamill, MB: Management of Scleral Perforation. In Cornea, J.H. Krachmer, M.J. Mannis, E.I. Holland (Eds.), 1996.

Hamill MB: Current Concepts in the Treatment of Traumatic Injury to the Anterior Segment. In Ophthalmology Clinics of North America, LD Pizzarello, M Easterbrook (Eds.), 1999.

Hamill MB: Corneal and Scleral Trauma. Mechanical Ophthalmic Injuries: in Ophthalmology Clinics of North America. Saunders, June 2002, Volume 15/Number 2

5. Other works communicating research results to scientific colleagues: N/A
6. Other works communicating research results to general public: N/A

III. TEACHING INFORMATION

A. Didactic course work: (include number of hours and frequency)

1. Courses taught at BCM within the Primary department: N/A

2. Courses taught at BCM external to Primary department:

A. PPS Course 1-hour per year.

B. Numerous formal and informal student and resident lectures in corneal and external diseases including trauma and surgery throughout each academic year. Three (3) hour Lectures every eight (8) weeks as part of surgical subspecialty course.

3. Courses taught at other institutions while at BCM: N/A

B. Curriculum development work:

1. Restructured core medical student ophthalmology rotation teaching methods and procedures.

M. Bowes Hamill, M.D.
Curriculum Vitae
Page 13

C. Non-didactic teaching while at BCM:

1. Resident training: (include estimate of time) Full-time, 4-days a week
2. Clinical Fellow training: (include names of fellows, dates, current location)
 - Justus Thomas – 2003 Gaddy Eye
Clinic, Gulfport, MS
 - Suendra Basti – 2004 Northwestern
University, Department of Ophthalmology, Chicago, IL
 - Louis Racine – 2004 Montreal,
Quebec, Canada
 - Anne M. Bottros – 2005 Pittsford,
NY
 - Thomas Harvey – 2005 Chippewa Valley
Eye Clinic, Eau Claire, WI
 - John P. Fang – 2006 Dean McGee
Eye Institute, Lawton, OK
 - David Yeh - 2006
3. Research Fellow training (as above): N/A
4. Graduate Student training (as above, as major advisor, committee member):
N/A
5. Medical student mentoring (as above): N/A

D. Lectures (include location, title of presentation, dates): Same as above.

IV. MEDICAL AND SERVICE INFORMATION

A. Patient care responsibilities at BCM and/or its Affiliated Institutions

1. Department-wide: St. Luke's Episcopal Hospital/Texas Heart Institute, Texas Children's Hospital, The Methodist Hospital, Harris County Hospital District/Ben Taub General Hospital,

Baylor College of Medicine Ambulatory Surgery Center, Houston, TX Associate Professor, Ophthalmology Service	2009 - Present
---	----------------

Ben Taub General Hospital	1985 - Present
---------------------------	----------------

Harris County Hospital District Houston, TX Deputy Chief, Ophthalmology Service	1985-July 2000
---	----------------

Active/Courtesy Staff, The Methodist Hospital Houston, TX	1985-Present
--	--------------

Active Staff, St. Luke's Episcopal Hospital Houston, TX Associate Chief, Ophthalmology Service	1985-Present
--	--------------

Consultant, VA Hospital Houston, TX	1985-1999
--	-----------

M. Bowes Hamill, M.D.
Curriculum Vitae
Page 34

Courtesy Staff, Texas Children's Hospital Houston, TX	1993-Present
Consulting Staff The Institute for Rehabilitation and Research Houston, TX	1998-2000
Active Staff, River Oaks Surgical Center, L.L.P.	2003-2007
Columbia/Grammercy Outpatient Surgery Center	Present

2. Section or specialty: Ophthalmology; Cataract, Anterior Segment & Refractive Surgery, Cornea & External Disorders

B. Clinical laboratory responsibilities at BCM: N/A

C. National education or voluntary health organization participation:

Consultant to Texas State Board of Medical Examiners	1988-Present
Consultant to the Centers for Disease Control Grant Reviewer - Trauma Research Atlanta, Georgia	1989
Director, National Eye Trauma System Baylor Trauma Center Department of Ophthalmology Baylor College of Medicine	1985-1995
AAO: Eye Safety and Sports Ophthalmology Committee (member)	1994-1999
AAO: Eye Safety and Sports Ophthalmology Committee (chairman)	1999-2001
AAO: Eye Health & Public Information Task Force (chairman)	2001-2004
AAO: Maintenance of Certification Education Committee (member)	2007
Councilor Texas Ophthalmological Association	1995-1998
Board Member Prevent Blindness Texas Society - Houston Chapter	1993-2000
Medical Advisory Chairman Prevent Blindness Texas Society - Houston Chapter	1995-1996
Member - Section 11, Lens and Cataract The Basic and Clinical Science Course Committee American Academy of Ophthalmology	1996-2001

M. Bowes Hamill, M.D.

D. Administrative assignments at BCM:

1. Department administration, committees, etc.

Cullen Eye Institute

Ad Hoc Subcommittee to Evaluate Medical Records	1988
Ad Hoc Committee for Establishment of Indigent Eye Care Program	1989-1990
Ad Hoc Committee for Medical Student Education in Ophthalmology	1989-1990
Ad Hoc Sub-Committee on Voluntary Faculty	1990-1991
Ad Hoc Committee for Voluntary Clinical Faculty Appointments & Promotions Activities	1988-Present
Resident Clinical Training Committee	1992-2000
Residency Promotions Committee	1992-2000
Ad Hoc Committee for Professional Fee Billing	1990-2000
Medical Student Education Committee, Chairman	1994-Present
Contact Lens Review Committee	1995
Vision Care Committee	1997

2. College administration, committees, etc.

Baylor College of Medicine

Admissions Committee	1991
Curriculum Committee	1985-1992
Student Promotions and Academic Achievement Committee	1985-Present
Strategic Planning Retreat in Education	1993
Practice Protocol Committee	1993
Fall Faculty Retreat Subcommittee	1993
Surgical Curriculum Task Force Committee	1993-2000
Residency Promotions Committee	1994-2000
Patient Physician & Society Curriculum Committee	1995-2000
Core Curriculum Committee for Surgery	1995-2000
IRB Committee	Present

M. Bowes Hamill, M.D.
Curriculum Vitae
Page 36

E. Other pertinent information not given above:

1. Hospital Committees:

<u>Harris County Hospital District</u>	
Executive Committee	1990-2000
Operating Room and Emergency Center Committee	1990-2000
Ad Hoc Committee on Satellite Clinics	1990
Procedure Case Review Committee	1994
Operating Room Committee	1994-2000
General Formulary Subcommittee	1996-2000
 <u>Methodist Hospital</u>	
Medical Staff Quality Improvement Committee	1993
Emergency Room Committee	1994
International Operations Committee	1995-2005
Ad Hoc Committee for Surgical Assistants	1997
Operating Room Committee	
Head/Neck Integumentary Subcommittee	
Neurosensory Operating Room Subcommittee	
 <u>St. Luke's Episcopal Hospital</u>	
Head, Neck, Plastic Committee
